Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Dante Draconicara: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the massive core of Draconicara, the inner and outer twin core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, along with The Eternal Dragon Fire of Draconicara, a massive crimson red flame of excessively powerful dragon fire, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the cores of Planet Draconicara and The Eternal Dragon Fire of Draconicara, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core, the eternal Dragon Fire, and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four

Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Draconicara's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them

with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own

infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in an extremely hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: Oh my God, that was so much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories

from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Draconicara, a planet of eternally erupting volcanoes and raging dragon flames and dragon fire and protected by powerful omnipotent angels known as the Draconicarans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural born flyers with colossal red dragon wings, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Draconicarans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of male Draconicarans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, the eternal Dragon Fire of Draconicara, and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room.

Me: Whoa!

Nico: Oh man, a planet of dragons, that is so awesome.

Lincoln: You said it, and when I also absorbed The Eternal Dragon Fire of Draconicara, I'd wound up getting all of the secrets and closely guarded knowledge and immense power and abilities of all the dragons of fantasy and myth and all the dragons of Draconicara absorbed into me. I'll gladly show you guys a demonstration of that new power.

Eli: But, who would be a good target?

Twilight woke up to see Raikou staring at her

Twilight Sparkle: Huh? Oh morning Raikou.

Raikou: Morning Twilight. It's time for your day.

Twilight Sparkle gasped!

Twilight Sparkle: Oh boy!

She went and dressed and went to the table.

Me: Morning Twilight!

Twilight Sparkle: Morning guys.

Me: It's the day of reckoning for both of us Twilight. The prophecy is upon us.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Universe 666 Nico, he's on Planet Glaren, and he's now extremely pissed off at us big time and he's wanting revenge on all of us!

Nico: I think we just found our target. So, that's where that piece of shit has been hiding at!

Me: Hiding out on Planet Glaren.

Universe 666 Me: Finally, now we can end him forever!

Universe 666 Lincoln: Now, we can get retribution for all the countless lives that he's destroyed over the years! Including ours!

Our Universe 666 counterparts nodded in response.

Lincoln: Today's the day we fulfill the prophecy and end Queen Opaline of our world forever, and we also swore to end that piece of crap, Universe 666 Nico, as well. My promise is about to be fulfilled. (Deep Sapphire Eyes Glowed) You've destroyed countless lives all over the multiverse for the very last time, Universe 666 Nico, and now, the eternal fury of the Heavens is about to come crashing down on your unrepentant black soul, and this time, we're gonna make absolutely sure you never come back from the dead.

Nico: That snake's lived for too damn long, and I hope you got something good to unleash on that asshole.

Lincoln: Of course I do, this is where we make him pay for everything he's done. Now, let's finish breakfast and head to Glaren, Universe 666 Nico, your time is up.

Me and Nico: You're going to pay for everything you've done, you piece of shit.

We finished breakfast and we headed to Planet Glaren to destroy Universe 666 Nico and make that piece of shit pay for everything he's done and avenge the countless lives he's destroyed.

Qin: This is going to be intense.

Camie: No kidding.

Me: Universe 666 Nico is going to pay for everything he did.

Xenia: And then some.

Naomi Necroshade: This will be really brutal.

Varie: It sure will.

Burner Man: I'm ready for this.

Nico: Burner Man, I want to thank you, Yellow Jacket, and your teams for coming

Burner Man: No problem Nico. I'm ready for some action here.

Irena Infernatus: We all are.

Nico: Irena, remember when I met you?

Irena Infernatus: I sure do. It was back when we battled Jenifer together.

Qin: Oh man! She was dangerous. She was a monster made with Satanic magic.

Sakura Knudson: I remember that movie Jenifer. That was scary.

Lola: Yeah.

Irena Infernatus: We killed her before she could kill anyone else.

Nico: Yep.

Poromon: If we find her, we have to put her down again

Me: That we can do.

Qin: Yep.

Varie: Awesome.

Nico: Yep.

Cyborg: Yesterday was so fun and awesome. Brother Blood is dead.

Nico: I liked that speech you gave at the end

Cyborg: That was a really good speech if I do say so myself.

Qin: It sure was,

Cyborg: Yeah I thought so.

Danny: All the times I fought Technus, I didn't even know he could do that.

Me: Me neither. But that was cool!

Qin: It sure was!

Lola: I agree there.

Nico: Yep. And Cyborg your Akuma was REALLY amazing!

Cyborg: It sure was.

Nico: That's the second one modeled after Terminator

Me: I thought that was really cool.

Xenia: Me too.

Lisa Loud: I agree there.

Varie: Yeah.

We continued on.

Me: Sure is quiet.

But then...

SMASH!

I GOT HIT ON THE HEAD WITH A BIG ROCK!

Me: OW!

Nico: Who did that?!

?: Oh man! Sorry! I slipped and kicked a rock.

A Nurse Shark girl came at me and she had white pants and shoes.

Me: Whoa! You're half Nurse Shark.

Gretel Wesker: I'm Gretel Wesker. I'm the medic of the Tidal Fangs.

Me: Wow! Pleasure to meet you.

Gretel Wesker: Same here.

Henrietta Wesker: She is also my sister. She runs the infirmary we have at our base and is good at healing us.

Me: I see.

She put a bandage on my head.

Me: Ah thanks. But I heal very fast because of Sabretooth's Accelerated Healing.

I pulled the bandage off and the wound closed in seconds.

Gretel Wesker: Wow that is fast.

Me: I know.

Nico: What were you doing before Gene Slamming yourself?

Gretel Wesker: I was healing up Jillian. She got a dislocated shoulder.

* * *

Jillian screamed in agony.

Gretel Wesker: Boy Slash really pulled it out!

Jillian: I know!

Gretal then took some nurse shark DNA and injected herself. She turned into HALF NURSE SHARK!

She then grabbed Jillian's arm and then...

CRUNCH!

SHE LET OUT A REALLY NASTY SCREAM OF AGONY! But her arm was popped back in!

FLASHBACK ENDS

Jillian Scott: That was the most painful thing I've ever felt.

Me: OUCH! That had to really hurt!

Nico: No shit.

Qin: Yeah.

Nico: Any hobbies?

Gretel Wesker: No haven't really gotten any ideas. My work keeps me busy a lot. As a nurse I work 18 hours a day caring for the ill and hurt.

Maria Santiago: I know the feeling myself. I work around the clock on that too as an ER Nurse.

Me: It's true. Also we could use more members in the Infirmary.

Lola: I agree.

Me: Would you like to revert back?

Gretel Wesker: I would like that very much.

Me: It's going to be painful.

I put on my blind man glasses.

Lincoln: EYES TO YOURSELVES PERVERTS!

Nicole: Aw Lincoln I was going to say that!

Lincoln: Sorry Nicole.

Bubbla: And call me Bubbla in this form

Me: Cool name.

Bubbla: Thanks.

Me: You're welcome. Here we go. (SNAPS FINGERS)

I snapped my fingers and she reverted back and was a girl with red hair and had orange eyes and had the Tidal Fangs symbol on her arm with a Red Cross on it and had a Nurse Shark on her forehead.

We wrapped her in a blanket and brought her over.

Me: There.

Camie: Your clothes are too stretched to fit.

Me: Yep.

We got a good look at said clothes

They were too stretched.

Me: These won't fit. But look Gretel.

I showed a mirror and she gasped! She was back to norma!

Gretel Wesker: I'm all normal again!

Me: You sure are.

Nico: But what color are your stretched clothes?

Me: They are white here Nico. (LAUGHS) That's a good pun.

Nico: (LAUGHS) Funny. So they are white.

Me: Yep.

Luan: (LAUGHS) Good one J.D.!

Eddy: (LAUGHS) That was funny.

Me: Even though it was unintentional. Thanks.

Poromon: So your stretched pants are white?

Gretel Wesker: Yes they are.

Poromon: Oh.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new white clothes and a nurse hat.

Gretel Wesker: Wow I look official.

Me: You sure do.

But then...

POP!

Gretel Wesker: WHOA! Why does my back feel so heavy?

Me: Your wings came in!

She saw orange angel wings on her back.

Gretel Wesker: I have wings now! Wow!

Me: Yep.

Lincoln: Alright, guys, we are in for one dangerous and intense battle, we're here on Planet Glaren, and we're here to destroy Universe 666 Nico and make that piece of shit pay for everything he's done and avenge the countless lives he's destroyed.

Nico: This had been a long time coming for him.

Me: This time, we make sure that piece of shit dies here and now.

Lincoln: I know, last night, before I went to Draconicara, I had a dream and I was visited by the spirits of the remaining Universe 666 counterparts of our friends, and they told me that the only way to bring them back is to kill Universe 666 Nico and send him to The Black Abyss. Caleb Maxwell: He's going to die a slow, horrible, and bloody death at our hands!

Eli: Those two, I don't understand why they have to be violent, and Caleb's back to being violent.

Chris heard a Pokemon cry and so did Connie Morgan.

Chris: Look guys!

We saw a Croconaw and an Arcanine.

Me: Cool! A Croconaw and an Arcanine!

Connie Morgan: Awesome! Now I get to have a Pokemon like Growlie. Right bro?

James: You sure do sis.

Croconaw: There's no food here.

Chris and Connie gave them apples and they ate them.

They liked them.

Croconaw: Ahh thank you very much!

Connie pet Arcanine and she liked it.

Chris: You're welcome. Want to come with us?

Croconaw: We would like that.

Connie: Awesome. I'll name you Arly.

Arcanine liked that.

Me: Cool! Now you both have loyal Pokemon.

James: We sure do.

Then a figure flew in.

Me: WHOA!

We saw a Beheeyem!

It flew around me.

Me: Cool a Beheeyem!

Nico: Where did it come from?

Me: From outer space.

Nico: Ha ha ha. Very funny.

Me: Must be one of Dark Gale's work.

Sheena: Whoa! The Beheeyem is a girl named Xeevennum and she's from a planet named Yemna!

Shanan: (GASP) Oh man! This is gonna be interesting! I'll tell you about her in a sec. Lets help her.

We went over to her.

Me: Easy there.

She used Psychic Terrain on Horsea but she put her clone in front of her

Me: Horsea Psychic Terrain increases the strength of its attacks in the area.

Horsea: Oh right.

Beheeyem then fired a Psybeam blast that was enhanced 100-fold!

I deflected the blast back and it smashed it down.

I snapped my fingers and she reverted back. She was a girl with green hair and green eyes and dark green sclera and had green angel wings and had Beheeyem on her forehead and had a Pandora Hometree with flowers on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea's smiling face.

Xeevennum: (Groans) Huh? A Horsea?

Horsea: You attacked my clone!

Maria picked her up.

Xeevennum: Sorry about that.

Me: You were turned into a Beheeyem by Dark Gale.

Xeevennum: Oh man. I was battling some Banshees that were looking for Sh'Lainn Blaze.

WE GASPED!

Me: Those were her former clan.

Sh'Lainn Blaze: They still have it out for me.

Me: Oh man.

Shanan: Xeevennum is what's called a Yemnanian. She comes from the planet Yemna. It's a forest nature planet and it has DANGEROUS ACIDIC plants that hurt anyone other than her just by touching them.

Me: WHOA MAN!

Carrie Kirk: That's like what Captain Kirk saw on Eden. The plants there are that dangerous.

Me: I remember seeing that! That was crazy.

Horsea: It sure was.

Qin: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new green clothes and a plant sword.

Xeevennum: I look really amazing.

Me: You sure do.

Xeevennum: By the way where am I?

Me: You're on the mountain world of Glaren.

Xenia: We have a job here.

Nico: Now, where's that no good counterpart of mine?

Me: Then lets go get him. Nico beat him before. Now it's my turn.

Lincoln: (Sensed for Universe 666 Nico) AHA! Gotcha, you bastard! I just sensed Universe 666 Nico, but he's coming after us right now!

Caleb Maxwell: Tyler, Alexander, Allie, come on! Let's tear that asshole apart!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLE!

They were about to fly after Universe 666 Nico, but Ataru Moroboshi restrained them with his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails.

Ataru Moroboshi: Got them restrained, sir.

Lincoln: Excellent work. Now, you four, clearly you have no idea of what kind of monster we're dealing with, so I suggest you four lunatics cool it with the sudden bloodlust until we get after him, okay?

Maxwell Siblings: Screw that! AND GET YOUR TAILS OFF US, PERVERT!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLE!

They flew after Universe 666 Nico!

Nico: Yeesh, talk about temperamental and crazy. We need to get after them and fast!

Lincoln: That'll be left to Setsuna, Shiki, and Tamaki to restrain Caleb, Tyler, Alexander, and Allie, and we know this always happens when those four get violent. In any case, let's get going to kill Universe 666 Nico.

Me: You're fucking insane!

Universe 666 Nico: Does it matter?

Me: I won't let you destroy everything!

Universe 666 Nico: We'll see!

I flared up my power to the max and went at him and bashed and pulverized him all over the place!

Universe 666 Nico: Even if you do stop me, someone else will find a way to finish what I started. And even if that doesn't happen, you guys will be back to doing the same song and dance fighting a pointless war against evil in your world. Rinse and repeat.

Me: Are you done shooting your fucking mouth off yet!?

Universe 666 Nico: No. I'm gonna fucking beat you to death.

Me: We'll see!

He went at me and I kicked him in the face and kicked him in the stomach and bashed and pulverized him all over the place.

Me: You don't understand Universe 666 Nico! You will never win as long as all you care about is yourself!

Universe 666 Nico: Does it matter? Nothing ever does.

Me: You're a monster! You killed your world's me because you are nothing but a coward!

Universe 666 Nico: What did you call me!?

Me: You heard me!

I punched him in the face and knocked him down!

Me: True power comes from those you care about! You have none of those things! You don't know that we have a most important rule that you never will have and that is With Great Power Comes Great Responsibility!

I smashed him in his stomach and punched him all over and kicked him in his face and kicked him down!

Me: Also you ARE COMPLETELY WRONG about Nico! HE IS NEVER GOING TO BE LIKE YOU!

Nico: If we're really alike, then you know this is wrong. You must've been a good person once.

Universe 666 Nico: No. Not good. Never good. (grins evilly) After all, I'm only human.

Me: You are not human at all. You are a Saiyan like him. And he may be human but there is one thing that he has that you never will have and that is a Heart!

I teleported and kicked him in the face and kicked him in the stomach and crotch and deal him a powerful uppercut!

Me: The Saiyans are a true warrior race and they get stronger with each battle they fight in. You didn't stronger at all. You are just as weak as ever!

I punched him down!

I kicked him in his face and sent him crashing into a mountain!

KRASMASH!

Nico: And you don't have your bomb this time!

Me: That too! Also you killed your entire team! You even turned Tristan into a Robot!

Laney: And made Mascot Terminator Robots!

Nico: And sent many of your SKYNET creations to kill us!

Qin: YEAH!

I punched him and kicked him!

Me: No more Universe 666 Nico! No more lives will be destroyed by your hatred!

Universe 666 Nico: You need more original lines!

Me: SHUT YOUR FUCKING MOUTH!

HE GROWLED IN RAGE!

Me: I'm sick of hearing your fucking voice! You have hurt so many people for far too long! It ends now!

I punched him down!

Eli kicked him in his face!

Varie kicked him in his crotch!

Qin blasted him with fireballs!

Nico punched him!

POW!

Nico: That was for making me live in fear for turning into you!

Nico kicked him in the crotch!

Maria: And another thing? I WOULD NEVER CHEAT ON WILLIAM! I love Nico as a brother!

Nico: Admittingly, I had feelings for Maria as well. But I got over them! (to Maria) No offense

Maria: None taken.

Suddenly, Lincoln was surrounded by a massive crimson red aura with dragons and dragon fire and dragon flames and he pointed his massive greatsword at Universe 666 Nico, then Lincoln fired massive blasts of crimson red dragon fire which hit Universe 666

Nico, and he got burned to a crisp.

But, that pissed him off, and he was about to fire an energy blast at his family and he had a cruel smirk on his face, but that pissed Lincoln off and he appeared right in front of Universe 666 Nico which freaked him out. Then, Lincoln grabbed Universe 666 Nico's left wrist with his left hand and he squeezed it tight and that bastard screamed in pain.

That's what makes our universe's Nico far different from you, in my eyes, you're just as evil as Frieza, you're a worthless, heartless monster who doesn't deserve to breathe ever again!

P.J.: Hey, those words sound very familiar.

Max Goof: Uh oh, I can guess those were the very words Master Goku used on Frieza long ago, now Lincoln's using them on Nico's Universe 666 counterpart.

Nico: That's only after he burned him to a crisp. But, whoa, the powers of Draconicara really are strong, he didn't even stand a chance! But, that piece of crap isn't going down easy even after Lincoln laid down the law on him!

Universe 666 Nico screamed and a massive energy dome formed around him and Lincoln, and he tried to escape Lincoln's grasp, but Lincoln tightened his grip even more and he absorbed the energy dome into his body, and then, Lincoln finally let Universe 666 Nico go, but that sent him flying right into a massive mountain back first!

Universe 666 Nico tried to attack Lincoln, but then...!

THEN, HE KICKED HIM HARD IN THE BALLS AND THAT MONKEY SCREAMED IN PAIN!

Universe 666 Nico: SO WHAT?! I CAN DO WHATEVER I WANT, AND TELL YOUR GIRLFRIEND AND YOUR DAD TO EAT A LAND MINE AND DIE!

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and

flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Universe 666 Nico and attacked him with fierce fury.

Allie Maxwell: The only thing that'll make it worse is if Caleb winds up calling the rest of our family here! (Realizes what she just said) And I just said that out loud, didn't I?!

Suddenly, Caleb Maxwell got out a massive megaphone, and he yelled as loud as he could!

Caleb Maxwell: HEY, GUYS! GET YOUR BUTTS OVER HERE TO GLAREN! WE GOT AN ASSHOLE TO BEAT UP, AND HE'S JUST LIKE DRAKE AND THE REST OF DAD'S SCUMBAG RELATIVES, BUT HE'S INFINITE-TIMES WORSE!

Suddenly, portals opened up on Glaren, and then, we saw multiple men and women dressed in biker clothes and street tough clothes from the 80s come out riding motorcycles!

Christiano Maxwell: (LAUGHS) I knew it, I knew you'd call the rest of our family here!

Marlene Maxwell: Oh man, you just unleashed Hell once again!

Then, one of them drove up to Caleb, he was a 24-year-old male with brown hair, brown eyes, and he's a tough guy and built like a tank.

Nathan Maxwell: (Points to Universe 666 Nico) So, is this the guy who's infinite-times worse than your horseshit ex-younger brother and your Dad's horseshit scumbag relatives?

Caleb Maxwell: That's him, Cousin Nathan, he's destroyed countless lives and ruined many others when he murdered, butchered, and slaughtered anyone who got in his way, and he got away with it for years until Team Loud Phoenix Storm put him down two years ago.

Nathan Maxwell: What?! (To Universe 666 Nico) Let me tell you this, you pile of horseshit! You think you can get away with trying to destroy countless lives again and get revenge as well for something that's been your fault for years?! Think again! Alright, boys and girls, let's get him!

Caleb's Relatives: LET'S TEAR HIS ASS APART AND SPLATTER HIS GUTS ALL OVER THE PLACE!

Nathan Maxwell: Alright! LET'S PARTY!

They revved up their motorcycles and they let out a bellowing war cry and roar and they sped right at Universe 666 Nico, and they bashed him all over the place with aluminum baseball bats, chains, and some of them even shot the asshole with guns and shotguns! May: OH, TRIPLE CRAP! WE BETTER TAKE COVER!

The others did so, and we went after Universe 666 Nico and we viciously pulverized him into the dirt with our massive immense godly superhuman strength, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Universe 666 Nico, and they exploded with incredible power as they hit him.

Then, we slashed at him with our massive greatswords and gold-plated dragon claws and rainbow wolf claws leaving scars on him!

Universe 666 Nico: AAGH! YOU OVERGROWN WOLFMEN SHITHEADS! HOW DARE YOU DO THIS! I AM AN ELITE WARRIOR OF THE SAIYAN RACE! I AM...!

Vegeta: You're just a pathetic piece of shit, you're nothing like the real Bokrua.

Goku: You turned your back on your own comrades and family and killed them in cold blood, and you also have no honor at all.

Bardock: You're even worse than Frieza and the dark side of Selena's brother, and with what we've been doing to you, this is nothing compared to what's about to happen to you.

Universe 666 Eli: Damn right, you murdered Nunnally in cold blood!

Eli: And you caused so much pain and suffering to so many innocent people, and countless innocent souls were lost because of your rampage throughout Universe 666 Earth.

Lincoln, me, and Nico: And now, we're going to avenge all of those souls here and now! Time to die, bitch!

Then, Lincoln, Nico, and I proceeded to do some torture methods on him. First, we tied him to a steel column with Neutronium Chains, and we formed three whips studded with razor sharp blades!

Lincoln, me, and Nico: HAH!

Universe 666 Nico: (SCREAMS IN ABSOLUTE RAGE)

WHOOSH! WHOOSH! WHOOSH! SLASH! SLASH! SLASH!

Universe 666 Nico: (SCREAMS OF ABSOLUTE PAIN)

We started slashing at him with our whips, and blood was already spurting out of his back and his chest. But, then, he wound up suffering in more pain, what he didn't know was that we had him in a freezer room, and the blood froze immediately and the wound became even more painful.

Lincoln, me, and Nico: BLEED FOR US, YOU BITCH!

WHOOSH! WHOOSH! WHOOSH! SLASH! SLASH! SLASH!

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)(Smirks) You thought that was brutal? Why don't you also have a little fun by slashing his balls and crotch off, May.

Nico handed her a sharp blade, and it was burning hot, and...!

SLASH! SCREECH!

SHE SLICED OFF UNIVERSE 666 NICO'S BALLS AND HIS CROTCH WITH THE HEATED BLADE AND HE SCREECHED LIKE A MONKEY!

Maria: OH MAN! NICE ONE!

May: Stop screeching like a little monkey, you little bitch!

Then, Lincoln, Nico, and I put the whips aside which were now covered in a lot of blood, and we then slashing at him with our massive greatswords and gold-armored dragon claws covering our fingertips and rainbow wolf claws on our fingertips and we smashed him into the ground hard.

Maria: Yikes, now you resorted to going wild by slashing at him with your blades and claws.

We were just getting started. Then, we started to pull his fingernails and toenails off with pliers, and he let out more screeches of pain.

Caleb Maxwell: Someone, please shut him up!

Then, we proceeded pull out his teeth with pliers and we yanked out his eyeballs.

Then, we ripped out his ears, broke his fingers and toes, and disembowel him, and then, we broke his arms and legs with a hammer. When we were done, Universe 666 Nico was an absolute mess!

Robin: Wow...! That was just plain nasty.

Cyborg: Yeesh, that's how brutal you guys get in your torture sessions.

Selene Arcangela: That's nothing. We saw Lincoln do a lot worse to Flip, and it was really horrific!

Gohan: (To Universe 666 Nico) Had enough? Or do you want more?

Universe 666 Nico tried to say something, but he didn't have his teeth anymore.

Gohan: I think he wants some more, boys!

We had really murderous grins on our faces and we were really gonna tear him apart, but then...!

Universe 666 Nico: (SCREAMS IN ABSOLUTE FURY)

UNIVERSE 666 NICO EXPLODED WITH ABSOLUTE FURY, AND SABRETOOTH'S ACCELERATED HEALING KICKED IN AS EVERY LAST GRUESOME INJURY WE DEALT TO HIM HEALED, AND HE BROKE OUT OF THE CHAINS AND HE WAS ABSOLUTELY MAD WITH RAGE AS HIS ENERGY AURA EXPLODED!

Universe 666 Nico: YOU INSOLENT FOOLS HAVE PISSED ME OFF FOR THE LAST TIME! I WILL BLOW YOUR ENTIRE PLANET INTO DUST AND THERE'S NOTHING YOU CAN DO TO STOP IT! I WILL KILL YOU ALL AND EVERYONE YOU HAVE EVER LOVED!

Caleb Maxwell: YOU PIECE OF SHIT! DIE!

CALEB MAXWELL SLASHED HIM RIGHT IN THE CHEST, BUT HIS INJURY HEALED. BUT, THEN, CALEB MAXWELL REELED HIS HEAD BACK, AND...!

Caleb Maxwell: HA!

Universe 666 Nico: (SCREAMS)

HE HEADBUTTED THAT BASTARD HARD AND HIS FOREHEAD WAS DRAWING BLOOD! AND UNIVERSE 666 NICO WAS REALLY PISSED! BUT, THEN...!

Caleb Maxwell: (KICKS UNIVERSE 666 NICO HARD) Hey, don't die on me just yet! Wake up! GET UP, YOU LITTLE SHIT!

Nico: Yeah, that's telling him! He can't die just yet, we're just getting started.

THAT FINALLY DID IT! UNIVERSE 666 NICO FINALLY WENT COMPLETELY APESHIT ON US AS HE SCREAMED AND SCREECHED AT US WITH ABSOLUTE FURY!

But, then, we saw Universe 666 Nico get out a planet-sized glass jar full of neon red Savage Serum and tubes were latched onto his shoulders, forearms, back, thighs, pecs, and stomach.

Selene Arcangela: What is that? It's like Regina Fessterox's Savage Serum, but...!

Universe 666 Selene Arcangela: That's his Untamed Mega Savage Serum, he made this from the notes belonging to our world's Regina Fessterox, and according to her, it'll give the person excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that will be converted into more incredible superhuman strength and muscle mass, but he also combined excessive tons of her patented Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions. But, it's also dangerous, and once he administers it into his body...!

Regina Fessterox: He'll turn into an absolute monster beast and brute times infinity and his brain will also shrink completely even with the brain growth supplements added in.

Nico: Oh God, he'll be an uncontrolled beast if that happens!

Universe 666 Nico: And I don't care! I will destroy all of you and then, I will destroy this entire planet!

Universe 666 Nico pressed the red button, and his Untamed Mega Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions began pumping through the tubes and into his body, and he felt it being pumped into his body!

Universe 666 Nico: YES! YES! (GROWLS) Ooh yeah, this feels incredible. RRGH! (ROARS) I feel it, it's happening!

Suddenly, Universe 666 Nico's pupils turned into slits and he grew to 9,999'11" in height, dark hair grew on his forearms along with dark stubbles of chest hair on his pecs and dark stubble on his jawline, and his muscles had grown excessively which caused his shirt to rip completely off and his pants turned to tatters and he now has abnormally massive and powerful upper and lower body muscles and twelve-pack abs which bulged out even more as the visible veins bulged even more and were now throbbing with raw power and white hot liquid fire which was now coursing through his body: HE GREW INTO AN ABSOLUTE GIANT!

Finally, as soon as all the serums were pumped into Universe 666 Nico's body, he ripped the tubes off his body and he let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla and his energy aura exploded exponentially, and he was panting and sweating heavily. But, we felt his brainwaves: he was now no more a man, but an absolute beast!

Then, he tried to punch us, but we dodged his attacks, but he roared at us even more, he was now completely out of his mind!

Suddenly, Panther and Shroud grabbed Caleb Maxwell.

Shroud: Use your head, Caleb!

Caleb Maxwell: If you pinheads so much as throw me like a javelin, so help me, I'm gonna...!

Panther: Ah, stop complaining.

They threw Caleb Maxwell like a javelin and he hit Universe 666 Nico right in the stomach with his head and Universe 666 Nico screamed in pain!

Eli: You guys sure are crazy.

Then, Caleb Maxwell summoned demonic hands that bound Universe 666 Nico's wrists and ankles, so he couldn't escape!

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and Super Brother morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and Nico and I morphed the tips of our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf tails into Cell's stingers and we stabbed them into Universe 666 Nico's chest, arms, back, and legs, and we sucked out and assimilated Universe 666 Nico's excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and all of his other powers and abilities along with the power to assimilate the powers of those he'd slain, and our abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through our bodies, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous angel wings spread out and our large gold halos and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above our Bracers and ankles and beside our thighs glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, the rainbow tips and rainbow markings on our large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on our bare chests glowed.

Lincoln: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)(GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, Universe 666 Nico began growing extremely weaker and he was also shrinking in height as his excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and all of his other powers and abilities along with the power to assimilate the powers of those he'd slain were being sucked out of him one at a time and was pumped into Lincoln, Nico, Super Brother, and I.

Suddenly, Lincoln's deep sapphire eyes, Nico's blue eyes, and my rainbow eyes were glowing even more as we felt all of Universe 666 Nico's excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and all of his other powers and abilities along with the power to assimilate the powers of those he'd slain being pumped into our bodies, and our abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through our bodies, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous angel wings spread out and our large gold halos and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above our Bracers and ankles and beside our thighs glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, the rainbow tips and rainbow markings on our large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on our bare chests glowed even more.

Universe 666 Nico: (Groans In Pain) Me can't take much more of this..., puny Gods sucking me dry!

Then, when Lincoln, Nico, Super Brother, and I were done and the stingers changed back, Universe 666 Nico was shrunk to his normal size and he was completely sucked dry of all his excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and all of his other powers and abilities along with the power to assimilate the powers of those he'd slain, and he was now looking like a desiccated corpse and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles, same with Nico, Super Brother, and I!

Caleb Maxwell: What do we do with him now that he's thin as a rake and powerless?

May: Here, use this.

May handed Caleb Maxwell the bomb I removed from Nico's stomach, and he shoved it down Universe 666 Nico's mouth, and she said the arming command, and after that, Universe 666 Nico exploded into a gory mess and he was finally sent to The Black Abyss. We cheered wildly as we holstered our weapons and powered down!

Eli: It's over at last. Let's head to Lynn's Table, we worked up quite an appetite.

Maria: Good idea.

Caleb Maxwell: Coming, guys? Guys?

But, we didn't even hear Caleb, we were way too caught up with the excessive surges of excessive power rushing through our veins and bodies because of us sucking Universe 666 Nico dry of all his excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and all of his other powers and abilities along with the power to assimilate the powers of those he'd slain.

It felt like our bodies were really bursting with power and strength, and our bodies felt like we were on fire. Suddenly, our harems each went up to us.

May: Nico?

Varie: J.D.?

Lily the Mermaid and Super Brother's Lily the Mermaid: Linky? Are you guys...?

But, as we turned to face the girls, Lincoln's deep sapphire eyes, Nico's rainbow eyes, and my rainbow eyes were still glowing with power, but we also had immense heat radiating from us which overwhelmed them and their faces gained atomic red blushes: it was like they were falling under a spell.

Then, Lincoln pounced on Lily the Mermaid and his harem and they were pinned to the ground with Lincoln on top of them, and Lincoln shared a passionate and romantic kiss with his harem, but, the kiss was more charged, more passionate, and even more animalistic, and by reacting by instinct, Super Brother, Nico, and I did the same as we pounced on our harems, and shared the same passionate and romantic kiss with our harems, but they were more charged, more passionate, and even more animalistic.

Then, Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln slowly unlatched his fangs from the right trapeziuses of his harem as they healed and the puncture marks sealed up, and he also kissed where he bit them.

And Super Brother, Nico, and I did the same thing as we sank our fangs into their right trapeziuses and we began feeding on our harems too, and our rainbow, white, golden yellow, and blue energy auras with elemental forces and mythological animals flare up extremely, and our abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous angel wings spread out and our large gold halos and second smaller halos of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above our Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, the rainbow tips and rainbow markings on our large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on our bare chests glowed.

We slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. But, then, Lincoln lifted Lily the Mermaid up bridal style, same with me lifting Varie up bridal style, and Nico lifted May up bridal style, and we went back to our rooms, and we used our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to shut the doors and the deep red barriers appeared.

Maria: Tell me we didn't just see them pounce on and kiss their harems with animalistic instinct?!

William: We did. What the heck happened?!

Regina Fessterox: (To Universe 666 Regina Fessterox) You said something about Universe 666 Nico's Untamed Mega Savage Serum and how it gives the person excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that'll be converted into more incredible superhuman strength and muscle mass, but he also combined excessive tons of your patented Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Universe 666 Regina Fessterox: Yes, I did. It was untested, but when they sucked Universe 666 Nico dry of all his excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and all of his other powers and abilities along with the power to assimilate the powers of those he'd slain, their bodies also absorbed the Untamed Mega Savage Serum along with the excessive tons of my patented Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Regina Fessterox: Which combined with my Savage Serum and my patented Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions, they became even more stronger and even more smarter as well, but whenever they get into the mood with their harems, their bodies were consumed by primal lust and the need to mate with their harems.

Luna: That explained the glowing eyes and the heat coming off of them.

Nicole: This might take a while. Let's head to Lynn's Table, we worked up quite the appetite, and we could also beat up the jerks.

The rest of us did so. Then, a few hours later, they were done with their food and beating up the jerks.

Nicole: Okay, now we need to find the Anothers, and we need Lincoln for this.

Leandro: Aurora and I will get Nico.

Lynn Sr.: That leaves me and Rita to get Lincoln and his good Akuma.

Sumner: And me and Patti to get J.D. and Varie.

They went back to The World Tree Estate to get us.

Lynn Sr.: I still couldn't believe what we saw.

Rita: Well, you were like that on our honeymoon.

Lynn Sr. had a blush on his face.

Aurora: And same with you too, Leandro.

Leandro: (Embarrassed Chuckle) Well, I don't like to toot my own horn, but it was really romantic when we went on our honeymoon.

Sumner: (Embarrassed Chuckle) And we don't want to get into details on our romantic life.

But, then, they heard the showers running in our built-in bathrooms.

Aurora: They're getting a shower. But, why on...? (Realizes) Uh oh...! Now, I remember.

Lynn Sr.: I remembered when Lincoln faced Ranamon's 2nd hypothetical Akuma, Beautyqueen Aquaseducubbus, who was a voluptuous bombshell.

Rita: And why he told us to go to Lynn's Table.

Sumner: If us males saw her, we'd face the wrath of my granddaughter.

Leandro: And we know what happens.

Then, they heard the water stop, and Lincoln, Nico, Super Brother, and I came out with towels around our necks, and they had a teasing smirk on their faces.

Leandro: (Smirks) So, how was your...intimate lovemaking, boys?

We had an embarrassed blush on our muzzles and cheeks, as they chuckled. But, then, they saw our harems not only still sleeping, but they were completely nude and also covered in blankets as they saw traces of shredded bras and panties on the floor.

Erosa Erotica and Super Brother's Erosa Eroticaira: (Moaning) Mm, wild beast Linky...! So...manly...!

May: (Moaning) (In Heaven) Wild beast Nico...! So...manly...!

Varie: (In Heaven) Wild beastly J.D...! So...worth...it!

Leandro: I don't think I'd want to know what happened.

Then, we met up with the others, but then, clones of my harem, Lincoln's harem, Super Brother's harem, and Nico's harem appeared.

Lincoln: I had a feeling this was bound to happen, so our harems had clones made.

Nico: After what we did sucking my no good Universe 666 counterpart dry of all his excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and all of his other powers and abilities along with the power to assimilate the powers of those he'd slain, their bodies also absorbed the Untamed Mega Savage Serum along with the excessive tons of Universe 666 Regina Fessterox's patented Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Me: Which combined with Regina Fessterox's Savage Serum and her patented Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions, we've grown even more stronger and even more smarter as well.

Lincoln: But, whenever we get into that mood with our harems, our bodies wind up consumed by extreme primal lust and hunger to mate with our harems, and it's also permanent as well, so we'll need to control that as well.

Nico: Finally. We're rid of that asshole.

Poromon: Good riddance.

Qin: Yep.

Xenia: Thank goodness.

Me: I agree.

Croconaw: I'm glad for that.

Varie: Yeah.

Nico: Nice job, Croconaw.

Croconaw: That was awesome and fun!

Me: It sure was!

Poromon: Want some beer?

Croconaw: Oh no thank you. I get nasty and explosive diarrhea from it.

Nico: Okay we did NOT NEED to hear that.

Croconaw: Sorry.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Croconaw: Nice try though pipsqueak.

Pipsqueak: HEY!

Poromon: Funny. Hey guys we found something awesome under the mall.

He pulled out a bag and opened it and in it was a bunch of EVOLUTION STONES!

Me: WHOA!

Me: These are Evolution Stones!

Me: Boy there's a lot of them.

Qin: Wow! And they were underneath the mall?

Lola: We got to check this out later on.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Twilight Sparkle.

Qin: Yeah!

Lola: That was awesome!

Wendy Oakley: Thanks.

Me: By the way are the rest of the Anothers friendly or hostile?

Wendy Oakley: Friendly. And they are amazing.

Me: Nice.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

They got weapons from said teams.

Aqua Carmine: No he didn't. I used my fortune telling powers and showed him that you guys will kill him on August 12th, 2022. It scared him into the bathroom and we ran.

Me: And that prediction came true on that day.

Melody Mudball: I sure do.

Nico: HEY!

Melody Mudball: Remember when we went to the mud swamp and I drenched you in mud and we played in the mud and got filthy?

Nico: How can I forget? That was fun and awesome!

We had all of TLPS and The M.O.E. with us, and we met up with Reeve Tuesti, head of The World Regenesis Organization and former Urban Development official of The Shinra Electric Power Company.

Lincoln: We've finally made it, we're here on Midgar, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're finally going to take the fight to the top officials of The Shinra Electric Power Company: Heidegger, Scarlet, Professor Hojo, Palmer, President Shinra, the former president and founder of The Shinra Electric Company, and Rufus Shinra, the current president of The Shinra Electric Company, along with Rosso The Crimson, Azul The Cerulean, Nero The Sable, and Weiss The Immaculate, The Tsviets, the elite group of warriors of Deepground, The Shinra Company's shadow, and there's a reason why.

Me: This will serve as the prelude to a future rescue where we face Sephiroth who's no doubt come back for revenge, and Eli will have his day of reckoning when we finally bring a permanent end to Sephiroth's reign of terror along with his poisonous evil once and for all, Eli's going to be out for ultimate vengeance on Sephiroth and he's going to make him pay for all of the crimes that he's committed against the universe, but also, Eli is going to personally make Sephiroth pay for the murder of the one person he considered a mother in his world: Aerith.

Eli: I will not let Sephiroth have his way. But, in order for that day to come, Shinra needs to go.

Nico: Right. Cloud, you and the others need to tell us about Deepground and those Shinra assholes.

Cloud Strife: Already on it.

Cloud and the others told us about Deepground along with those Shira assholes, and when he was done, everyone who hadn't heard about it were pissed off!

Red XIII: I hated what Shinra did to me, and Cloud and the others saved me from captivity at their hands, now we can get payback on them.

Aerith: We'll have to first deal with Deepground.

Tifa: The shadow of The Shinra Company, we'll make sure they're destroyed for good.

Yuffie: And given a good thrashing when I get them.

Vincent Valentine: Reeve already issued an evacuation of the population as soon as you got rid of Universe 666 Nico.

Barret: Now, all that's left is to get rid of those Shinra assholes for good.

Burner Man: That's for sure.

Cait Sith: (Scottish Accent) We'll first deal with Deepground.

Reeve Tuesti: Luckily, I know where they're at: Reactor 0, it's underneath the Shinra building in the heart of Midgar which provides energy for both it and the Deepground facility. That's where we'll strike first.

We headed to the Shinra building in the heart of Midgar, and we headed for Reactor 0, and then, we headed for the Deepground facility.

Lincoln: This is it. Ready?

Sora: Let's do it.

Lincoln kicked the door down!

Lincoln: Weiss, Rosso, Nero, Azul, get out here right now!

We then saw our first targets: Rosso The Crimson, Azul The Cerulean, Nero The Sable, and Weiss The Immaculate, The Tsviets, the elite group of warriors of Deepground, The Shinra Company's shadow and the main antagonists of Dirge of Cerberus, come out of the shadows, but then, we also saw the top officials of The Shinra Electric Power Company: Heidegger, Scarlet, Professor Hojo, Palmer, President Shinra, the former president and founder of The Shinra Electric Power Company, and Rufus Shinra, the current president of The Shinra Electric Power Company, come out as well.

Nero the Sable: We have been waiting for you to arrive, Team Loud Phoenix Storm.

Weiss the Immaculate: Now, we can finally exact our revenge on all of you and awaken Omega and cleanse this tainted world at long last.

Scarlet got into her battle mech.

Scarlet: I'm going to enjoy redecorating the place with your corpses and painting the walls with your blood! (LAUGHING MANIACALLY)

Ed Cowart: Well, look who came crawling out of The Black Gates, the Shinra dumbasses! Never thought I'd see you bastards again! Anyways, now you get yours!

Ed Cowart proceeds to insult the Shinra dumbasses.

Ed Cowart: You fucking moronic powerhungry dipshits thought you'd come back and get revenge on us? You're even more fuckin retarded than I expected and you were already really stupid! In fact, you're as fuckin stupid as you are fucking dull and ugly! In fact..., you, President Shinra, you're a fuckin old fart with only cash in his brain and I'd call you Cashfart McShindipshit! And as for you, Rufus Shinra, the fucking dipshit, that sucked at being at President, you're known as Fearidiot McShindipshit! As for you, Heidegger, you're an asshole to everyone and you're a shitty bootleg General Thunderbolt Ross knockoff, you're known as Shinasshole McWarnumbnuts! And as for you, I never thought I'd see Scarlet better known as Redskankity McCrimsonslut that's also a bitch whose beauty is fuckin hollow! Makes me glad we let Reeve Tuesti join TLPS as he's the only one in Shinra who's legit. And as for you, Palmer, you big fat cowardly loser and you know nothing of space? Damn you're a much bigger dumbass than I thought! I'll call you Spacedumbass McCowardlyfatass! And as for you, Professor Hojo, or should I say, fuckin psycho Hojo! You suck Pyschonumbnuts McScientistumbass! Deepground? More like a shitty Hydra knockoff! All in all, Shinra fuckin failed at being a corporation, fuckin sucked at being transparent, and even being a shitty electric company! Prepare your fucking dull and ugly asses for...!

Scarlet: Insult my beauty, will you?! You will die for that!

Scarlet brought out a bazooka, only for Cattleya to cut the bazooka to tiny pieces, then Nabiki Tendo smashed her face with a hammer.

Cattleya: Honestly, Redskankity McCrimsonslut, that was just truly rude!

Nabiki Tendo: Just for that!

She made acne appear all over the Shinra dumbasses' faces!

Rufus Shinra: (SCREAMS) I'm hideous!

Ed Cowart: As I was saying, prepare your dull and ugly asses for defeat and one last thing? Shall we, ladies?

Cattleya and Nabiki Tendo: Fuck yeah!

They summoned cloth eating moths that ate clothing leaving the Shinra idiots in their underwear, then they wedgied the Shinra idiots and tied their underwear on a flagpost!

Ed Cowart, Cattleya, and Nabiki Tendo: FLAG WEDGIE!

Nabiki set up a rotten food throwing booth and charged a penny for people to throw rotten food at the Shinra nitwits making jewels, gold, silver and other shiny stuff come out of them, then they summoned hordes lions, tigers, bears, dragons, hawks, eagles, rhinos, and hippos to maul the Shinra nitwits all over!

Rufus Shinra: Oh shit...!

Then, they sprayed lemon juice on the wounds of the Shinra nitwits, then Ed Cowart, Cattleya, and Nabiki Tendo fired hyper hot sauce and hyper hot nacho cheese and the rest of Ed Cowart's harem joined Ed Cowart, Cattleya, and Nabiki Tendo and they took turns eye poking, slapping and head bonking the Shinra nitwits.

WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY!

Then, Lincoln tied the Shinra nitwits up in gold spider silk web cocoons, and we ran outside, and Lincoln formed a massive fireball and he fired it at the Shinra building which destroyed it and Reactor 0 killing Heidegger, Scarlet, Professor Hojo, Palmer, President Shinra, the former president and founder of The Shinra Electric Company, and Rufus Shinra, the current president of The Shinra Electric Company, along with Rosso The Crimson, Azul The Cerulean, Nero The Sable, and Weiss The Immaculate and sent them to The Black Abyss for eternity. We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate.

Lincoln: It's finally over, the Shinra douchebags are finally gone forever.

Me: Now, the preparations for our showdown with Sephiroth are finally ready.

Nico: All that's left is for that heartless monster to show his face.

?: That's for sure.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Dewdark of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Dewdark of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Dewdark of the Ice Barrier, and she has an ice greatsword and with her are the eleven girls.

Lincoln: (Gasps) Bora Frostine, Avatar and Gene-Slammer of Dewdark of the Ice Barrier.

Bora Frostine: That's right, and I got the girls away from those Shinra idiots before you got here.

Nico: Awesome. Uh, I hope you didn't run into a certain heartless one-winged freak of nature.

Bora Frostine: No, I didn't, but there was a dark figure who looked like Caleb, but he was absolutely monstrous to the core, way worse than Caleb when he transformed and went on his rampage back in 1996 when he returned to New York.

Lincoln: Something tells me we got ourselves a new villain running loose, and there's a possibility that he's from Super Brother's world. (To Bora Frostine) And it's so good to see you again, Bora.

Bora Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Bora Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Bora Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Bora Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Nevada Frostine's waist and hugged her, and Nevada Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Bora Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Bora Frostine, Avatar and Gene-Slammer of Dewdark of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dewdark of the Ice Barrier. She's The Ice Ninja of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Bora Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dewdark of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Dewdark of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Bora Frostine is also an old classmate of Allie Maxwell when she was 16 and in her 10th Grade year in Manhattan High School, but when she started her high school year, Allie was only 14, but many of the students there knew of the story of the murder of her elder brother, Caleb Maxwell, back in 1985, and many of them knew how much Caleb's evil younger brother, Drake Maxwell, had hurt him and betrayed the family. She was still haunted by the dark crimes of Drake Maxwell and the murder of Caleb Maxwell, and Bora knew that Allie and some of her friends got into a fight with the vengeful spirit of Caleb Maxwell in 1993, and Allie also saw the rainbow energy wave of Lincoln's Dark Side Eternal Purification hit her world's New York and brought her older brother back from the dead, but Bora also sensed the darkness that Caleb carried with him before his death in 1985.

Me: Amihan explained everything about your story, especially with what happened with Allie.

Allie Maxwell: She knew of the story of Caleb's murder in 1985 and everything that led to that dark moment.

Me: All those dark events in Caleb's life, everything we saw on those gold tapes, not the ones the vampires gave to Hunter.

Lincoln: Even so, there's no doubt the dark events in Caleb's life led to his death in 1985 and my Dark Side Eternal Purification three years ago in our world led to his resurrection in 1993 in his world, and now that you're here, Bora.

Lincoln with his massive muscular arms still wrapped around Bora Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Bora Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Bora Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade

Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Bora Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Bora Frostine.

Bora Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Lumi Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Bora Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Bora Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Nebraska Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the eleven girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Bora Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the eleven girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eleven girls are Basdia, Darcia, Eleanora, Tarea, Isla, Naruse Narumi, Gizania, Iris Bearheart, Myuze, Privel, and Vida from Death Mage.

Lincoln: Oh whoa, it's Basdia, Darcia, Eleanora, Tarea, Isla, Naruse Narumi, Gizania, Iris Bearheart, Myuze, Privel, and Vida from Death Mage.

Nicole: Uh oh, I think Red and Travis were right to say that, the girls here are sexy and voluptuous.

Lincoln: And they also made sure to grab Ataru and Issei and their perverted friends as well, otherwise, we were gonna have problems. Are you girls okay?

Basdia: Yes, we're okay, thanks to you.

Then, when Basdia and the other eight girls saw who it was that saved them from those Shinra nitwits, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in warm brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and second smaller halo with intricate designs and The Sun and The Moon in it and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom and four large orbiting Amaterasu's Heavenly Mirrors of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow thunderbird with gold Sun above its head and gold lightning bolt and the emblem of The Ebonwu Squadron on its chest surrounded by a rainbow phoenix, rainbow angel, rainbow werewolf, rainbow vampire bat, rainbow tiger, rainbow dragon, rainbow mermaid, rainbow demon, rainbow animals, and rainbow mythical animals emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, rainbow Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, Wolf, and Buffalo on his massive right pec and large gold lightning bolt cutie mark with thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in the shape of a cross on his massive left pec, and rainbow sun and moon in the center of his chest and rainbow flame patterns and rings on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Powerful Champion and Emissary of Hinon and The Gods and Goddesses of

Basdia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Darcia: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Basdia, Darcia, Eleanora, Tarea, Isla, Naruse Narumi, Gizania, Iris Bearheart, Myuze, Privel, and Vida with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's it for The Shinra Company. Now, we'll have nothing interrupting our showdown with Sephiroth.

May: We'll make sure he pays for everything he's done.

Lincoln: Sure, The Shinra Company has caused major problems in Midgar, but what Sephiroth did, that was unforgiveable.

?: When we find him, he's gonna pay dearly.

?: Oh man, Linky, you're here! You got here just in time.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, crimson red hair and dragon horns on her head, crimson red eyes, she was dressed in a crimson red two-piece bikini, she has massive crimson red dragon wings, and she has a fire greatsword in her right hand.

Lincoln: (GASPS) Darla Draconicara, Queen of The Draconicarans of Planet Draconicara.

Nico: No way, the only Draconicaran that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Darla Draconicara, Queen of The Draconicarans of Planet Draconicara, she's Lincoln's Guardian Angel from Draconicara, a planet of eternally erupting volcanoes and raging dragon flames and dragon fire and protected by powerful omnipotent angels known as the Draconicarans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural born flyers with colossal red dragon wings, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, she's The Queen of The Draconicarans, and she's also far more powerful than her own people: in addition to being a a natural-born fighter and natural born flyer and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, but she was also born with colossal red dragon wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and incredible godly powers, and just like Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet The Draconicarans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of male Draconicarans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet, the eternal Dragon Fire of Draconicara, and its core into his body and their planet's Sun into his body to preserve their legacy. Darla Draconicara came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and all the powers of The Draconicarans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him even more immense and incredible draconic powers passed down from the ancient dragon priests throughout the eons, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of male Draconicarans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Draconicara, the eternal Dragon Fire of Draconicara, and its core into his body and Draconicara's Sun into his body to preserve their legacy. Lincoln made her a powerful fire greatsword forged in dragon flame and has the power to summon the fire of dragons and burn the guilty, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to use the flames of Draconicara to burn them all to death.

Me: That's incredible.

Darla Draconicara: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the Googol of Vigintillions of male Draconicarans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, dragon fire, magic, and the immense omnipotent powers of all the dragons times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and he'd absorbed Draconicara, the eternal Dragon Fire of Draconicara, and its core into his body and Draconicara's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: We also saw Lincoln display the power of your planet and people against Nico's Universe 666 counterpart, and it was intense, and you also included immense virility and fertility as well? That means...!

Darla Draconicara: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Darla Draconicara: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Darla Draconicara to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius

and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Darla Draconicara with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Darla Draconicara: That's my special gift to him: Draconicara's Blessing of Divine Dragon Flame Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Darla Draconicara: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Draconicarans both male and female are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed all the members of The Shinra Electric Power Company and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Bora Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Bora Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Bora, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Bora Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Bora Frostine: I knew it was only a matter of time before he told everyone that story.

Lincoln: This'll be what you'll be doing during your extreme boot camp and intense rehab, Ataru and Issei, after that, you'll be doing 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 laps all over Earth Omega.

Ataru Moroboshi: Yes, sir!

Then, Jack Howard got out two gold videotapes.

Me: Two gold videotapes?!

Jack Howard: The first tape I have here, this is how Caleb truly met The Big Claw Gang, this was back in the summer of 1985, and the second one, this is how Caleb truly met Marcus Mackenzie the night before Halloween, the ones Hunter had shown were dummy tapes given to him by the vampires not long after Caleb's death in order to throw them off.

Then, Jack Howard put the first tape in, and it played on the big screen and it showed New York in the summer of 1985, and Caleb Maxwell was working at his Uncle Christiano's restaurant and he was taking the orders of the customers and bringing them their food and even cleaning the tables and floors.

Past Caleb Maxwell: Wow, business here is really taking off, look at the amount of customers that are coming here.

Past Christiano Maxwell: That's true, and you've been working really hard here and at college as well.

Past Caleb Maxwell: You know me.

Suddenly, some cars arrived at the restaurant, and a couple of figures came out of the cars, and what Caleb didn't recognize were they were none other than Claw Dane Drake, Carla Drake A.K.A. Carla Claw, Panther, Sally Gamble, Nekome, and Ichiro, but they're in civilian clothes.

Past Christiano Maxwell: Ah, welcome.

Past Claw Dane Drake: I believe I have a reservation here.

Past Caleb Maxwell: (Checks the book) Ah, yes, here we are. Please follow me.

Caleb Maxwell showed them to the table as they took their seats, and he gave them the menus, and they've placed their orders.

Past Caleb Maxwell: Thank you, your orders will be ready in a few minutes.

Caleb Maxwell walked to the kitchen, but the chef nervously watched them.

Chef: Caleb, you know who those figures are?

Caleb Maxwell: No?

Chef: Those guys are none other than Claw Dane Drake, Carla Drake A.K.A. Carla Claw, Panther, Sally Gamble, Nekome, and Ichiro of The Big Claw Gang!

Past Caleb Maxwell: Wait, what?!

Caleb Maxwell peeked out and he finally recognized them.

Past Caleb Maxwell: Ah, shit, it really is them. Okay, let's not panic, they're not doing anything at the moment, but let's keep this to ourselves and not draw any attention to ourselves.

Caleb Maxwell came out a few minutes later with the orders of The Big Claw Gang and brought them to their table. Then, he moved to clean some nearby tables, but it's also bad timing: he saw the sun was about to set.

Past Caleb Maxwell: (Thinking) Great, as if things weren't bad enough, now the sun's about to set, and I know what that means. I've got to get out of here. (Out Loud) Uncle Christiano?

Suddenly, Christiano Maxwell saw what that meant.

Past Christiano Maxwell: The sun's setting. Okay, Caleb, you can head back home.

Past Caleb Maxwell: Got it.

Caleb Maxwell was about to head out, but then, Panther grabs his right shoulder.

Past Panther: And where do you think you're going, kid?

Past Caleb Maxwell: Heading home right now.

Past Carla Claw: Panther, leave him alone.

Past Panther: Relax, I ain't going to do anything to him.

Past Caleb Maxwell: Sorry, but I truly don't have time to chat.

Past Panther: (Smirks) Hey, boss, what's say I show him what happens when he rejects our hospitality?

Past Claw Dane Drake: (Smirks) Now, now, if you were to do that, you'd risk angering Marlene Maxwell and getting her pissed off if she finds out what happened to her eldest son?

Past Caleb Maxwell: (Thinking) He knows Mom?! But, how!?

Past Christiano Maxwell: Hey, what's the commotion about?! (GASPS)(CRACKS KNUCKLES) Dane Drake! I should've known it was you, I could smell your cologne from a mile away! What the Hell are you doing?! Were you about to attack my nephew?!

Past Panther: (Smirks) What if I were to say yes?

Then, Panther punched Caleb Maxwell hard in the stomach, which caused his eyes to shrink in pain and tears to fall from his eyes.

THEN, CALEB MAXWELL LET OUT AN UNHOLY SCREAM AND SENT FLYING A SHORT DISTANCE AND CRASHED ONTO THE GROUND!

Past Christiano Maxwell: CALEB!

Past Panther: (Smirks)(Cracks Knuckles) Heh, you're not as tough as your uncle or your mother.

Suddenly, Caleb Maxwell let out an unearthly scream, and he threw up some blood as his nails grew into black claws. He got back up, but as he lifted his head up, his eyes turn from brown to red and the sclera of his eyes were about to turn black.

Past Caleb Maxwell: I'm going to kill you!

Caleb Maxwell was about to head towards Panther and tear his throat out, but suddenly, his mark reacted and it started bleeding as he winced in pain.

Past Caleb Maxwell: (Eyes change back and nails shrink back) Shit!

Caleb Maxwell ran out of the restaurant through the back as the video ends.

Christiano Maxwell: Yep, that's how I remembered it back in the summer of 1985, back then, it was only Claw Dane Drake, Carla Drake A.K.A. Carla Claw, Panther, Sally Gamble, Nekome, and Ichiro, but as the years passed, their numbers grew.

Caleb Maxwell: And I missed out on a lot in the years since my death.

Jack Howard: We don't want to admit it, but you did miss out on so much. Now, here's the tape of how Caleb truly met Marcus Mackenzie.

Jack Howard put the second tape in, and it played on the big screen and it showed New York in the late afternoon hours of October 30th, 1985, and Caleb Maxwell was heading back home.

Past Caleb Maxwell: Oh great, I've got to hurry and head back home and fast before the sun sets, or I risk running into those two vampires again! But, I can't believe I actually ran into Claw Dane Drake, Carla Drake A.K.A. Carla Claw, Panther, Sally Gamble, Nekome, and Ichiro of The Big Claw Gang five months ago. My uncle ran those guys out of here, but Mom's pissed off they showed up. If I see them again, I'm gonna make them pay!

?: You sure got some moxie saying something bold like that.

Suddenly, Caleb Maxwell turned around, and he saw the last group of people he would ever run into: Carla Drake A.K.A. Carla Claw, Panther, Sally Gamble, Nekome, and Ichiro of The Big Claw Gang.

Past Caleb Maxwell: Oh Hell no!

Past Carla Claw: We heard every word that came out of your mouth, guess you're still sore about what happened in June?

Past Caleb Maxwell: What the hell do you think?! I got beaten thanks to your boyfriend, and I almost got that close to losing it big time!

Past Panther: (Smirks)(Cracks Knuckles) Want some more? Cause I'm ready once again.

Past Caleb Maxwell: You piece of shit! DIE!

Caleb Maxwell ran at Panther, and it turned into a really nasty fist fight. When the fight ended, Panther had not a single scratch on him, but Caleb Maxwell was seriously beaten and blood was coming out of his mouth.

Past Caleb Maxwell: Had enough?!

Past Panther: (Smirks) Hah, you didn't even hurt me.

Past Caleb Maxwell: WHY, YOU BIG...!

Then, Panther charged in.

Past Panther: (Smirks) Too slow.

Then, Panther punched Caleb Maxwell in the stomach, which caused his eyes to shrink in pain and tears to fall from his eyes.

THEN, CALEB MAXWELL LET OUT AN UNHOLY SCREAM AND SENT FLYING A SHORT DISTANCE AND CRASHED ONTO THE GROUND!

Past Nekome: (Japanese Accent) At this rate, you are going to die here a lot faster than you may think.

Caleb Maxwell got back up.

Past Caleb Maxwell: You...! I will not die here, not like this!

Past Sally Gamble: (British Accent) Unfortunately, you have no say in that matter, you're no longer in the police academy, you've lost a lot of friends, you've been betrayed at every turn, you've had quite the severe meltdowns, and you've run your body down by getting beaten up and betrayed, you're going to die a lot faster than expected.

Past Panther: (Smirks) So sad the fun has to end if you were to die. But, there's nothing you can do to save yourself from it, you're already doomed.

But, that pissed Caleb Maxwell off big time!

Past Caleb Maxwell: You...! You...! (ENRAGED SCREAM) YOU SHITHEAD!

CALEB MAXWELL FINALLY LOST IT AND CHARGED AT PANTHER WITH MURDEROUS INTENT, BUT PANTHER PUNCHED HIM HARD IN THE STOMACH, AND CALEB BELCHED OUT A LOT OF BLOOD, AND HE FELL TO HIS KNEES!

Carla Claw, Panther, Sally Gamble, Nekome, and Ichiro left leaving Caleb Maxwell writhing in pain, but he got up from the ground and he walked home in pain, but he also had tears in his eyes as sorrow and depression got to him.

Past Caleb Maxwell: Is this it? Is this finally the end? All the work I've been putting into becoming a police officer one day...finally gone to waste. Is life even worth living?! First, Drake beats me all over the place, then I find out Dad and Drake's dirty business, I've been betrayed at every turn back in high school by bastards and bitches who show their true colors, and I have to run from not only my brother's thugs and two bloodthirsty vampires, and now, even being beaten to a bloody pulp like this by The Big Claw Gang's tough guy?

Damn it, damn it all!

Caleb Maxwell broke down as he truly let all the pain welled up inside him out. Suddenly, Caleb Maxwell's mark reacted and it started bleeding as his cries of pain mixed with his cries of despair.

Past Caleb Maxwell: D-Damn it.

?: I've been waiting to meet with you..., Caleb Maxwell.

Suddenly, Caleb looked up and he saw a vampire cat with light orange fur, caramel brown muzzle, red eyes, brown hair and brown tail, and he was dressed in a fancy suit from the 19th Century. It was Marcus Mackenzie.

Caleb Maxwell got up with the help of Marcus Mackenzie, as the vampire cat offered his left hand and Caleb Maxwell grabbed it with his right hand, and the vampire saw the mark, but he kept it to himself.

Past Marcus Mackenzie: You appear to be badly injured, please come with me. We'll get you some medical treatment.

Past Caleb Maxwell: (Thinking) I'm not sure why, but I feel as though I can trust him.

Caleb Maxwell went with Marcus Mackenzie as they went to The Supreme Yuridia Authority, and a vampire cat female nurse tended to his wounds and gave him a blood transfusion.

Past Marcus Mackenzie: We have been keeping a close eye on you, Caleb Maxwell, ever since the day you stepped foot in Yuridia back in 1984, but in reality, we'd been watching over you ever since the day you were born in 1965.

Past Caleb Maxwell: I've been wanting to ask about it, but the mark I have on my right arm, how does Mom's side of the family know about it?

Past Marcus Mackenzie: That was something we will always remember. 40 years ago, in the late 1940s as World War II came to an end, your mother's parents, your grandparents, saved one of our own: a vampire elder who was attacked by the parents of your ex-father, Marcus Maxwell. Your mother's parents saved him with a blood transfusion, and this caught the attention of the council quickly. At first, we wanted to make sure they didn't remember that day by wiping that memory clean, but instead, the council saw your mother's parents were a rare case: humans who help out all those in need including vampires.

Past Caleb Maxwell: I had no idea my grandparents on Mom's side saved one of the elders, Mom only told me about her encounters with vampires when she was a teen, and that was it.

Past Marcus Mackenzie: That was only due to her finding out about the mark on your arm, she knew you had the gift of finding out vampires when you were three years old, and she made sure to tell us of that long ago.

Past Caleb Maxwell: I see, and I can't say I'm surprised that Dad's relatives would do this over forty years ago, they've always been like this, I didn't ask Dad about it ever since he cut ties with them so many years ago. But, ever since I found out Dad and Drake's secret back in 1983, I began to wonder how many more demons Dad's side of the family have.

Past Marcus Mackenzie: Far more than you think, Caleb.

When Marcus Mackenzie revealed how much darker those demons in Caleb's Dad's side of the family were going back many decades ago before his dad was born, his face went pale with horror.

Past Caleb Maxwell: (Horrified) My God. They did all that?! Dad..., your family is literally the scum of the Earth! I'm wondering why no one hasn't sentenced you all to death!

Suddenly, Caleb felt a dark tension grip his heart: as if something terrible was about to happen tomorrow night on Halloween.

Past Caleb Maxwell: Mr. Mackenzie, I have a favor to ask you. Something terrible is about to happen tomorrow night on Halloween, and I don't know why, but it may be my final night alive. If I don't return home on that night, I want The Watchers to keep an eye on

Mom and Allie. Now that I know Dad's relatives are absolute scum, they're gonna be going after them for their money: the money I'd been earning at my job, I've also been putting into their accounts as well, and those leeches will be after that even after we sold the house a year ago and moved into our family apartment. In fact, not even getting the cops on them will get them to stop nor will the security system, from what I found out from my Uncle Christiano, they've also committed murder and rape.

That made the vampires' eyes go red when he said that.

Past Caleb Maxwell: Was it something I said.

Past Marcus Mackenzie: When you'd described the crimes of murder and rape, those two crimes are the worse, and we've killed and drained many murderers and rapists dry of blood over the centuries. Are you absolutely sure of this?

Past Caleb Maxwell: Yes, I am. We'd since cut all ties with Dad's relatives along with Dad and Drake, they're dead to us.

The vampires agreed as the video ended.

Nico: So, that's the real story on how you first met The Big Claw Gang and how you first found out the history of your family's connection with the vampires.

Caleb Maxwell: Yes. This is how those two events truly happened, and not the ones that you saw from the tapes given to Hunter.

Suddenly, the black tapes vanished.

Lincoln: So, now we know the real stories different from the tapes Hunter showed us because these were from people that Caleb had met in his past.

Allie Maxwell: Guess this means only you guys will see the gold tapes from now on, the real stories of Caleb's past.

Me: Looks like it.

We got a shower, and then, Lincoln and Sugar Glass Cookie are heading to Lake Superior in Michigan, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Sugar Glass Cookie and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Sugar Glass Cookie had feelings for Lincoln, and Lincoln also had feelings for her too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Sugar Glass Cookie: Wow, we're here in Lake Superior, it's so beautiful.

Lincoln: You said it, Sugar Glass Cookie, and it's perfect for our first date. Shall we?

Lincoln, Sugar Glass Cookie and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Sugar Glass Cookie and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Sugar Glass Cookie and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Sugar Glass Cookie and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw armies of Fire and Frost Giants from Dungeons and Dragons coming after them.

Anna Anyanova: Oh no, Fire and Frost Giants.

Lincoln: What the?! I got them.

Lincoln went after the armies of The Fire and Frost Giants, and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the Fire Giants and Frost Giants and he began absorbing them and he assimilated The Fire Giants' Pyromancy, Superhuman Physiology, Large Size, Fire Immunity, Enhanced Vision, Blacksmithing, Brute Strength, and Combat Prowess, and The Frost Giants' Low-Light Vision, Incredibly Long Lifespans absorbed and assimilated by Lincoln's True Immortality, Cold Immunity, Close Combat Expertise, Sight in Snow and Blizzards, Brute Strength, Camouflage using skin pigmentation, and permanently unfreezing blood, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of

light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of the Fire Giant army and Frost Giant army's energy and he sent them to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Sugar Glass Cookie and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Sugar Glass Cookie and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Sugar Glass Cookie and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Sugar Glass Cookie and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Sugar Glass Cookie and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Sugar Glass Cookie and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Lake Superior, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sugar Glass Cookie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from her Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with white and gold accented Elemental Thunderbird Choker of Eternal Love appearing on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lily the Mermaid: And now, Sugar Glass Cookie is in your harem, Linky.

Sugar Glass Cookie showed the marks on her right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Armies of Fire and Frost Giants came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all of their powers and abilities, and I sucked out the last of their energy and sent them to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their

mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Emerald Sustrai, Taylor, Princess Celestia, Dawn Eclipse, Knight Light, Spotlight, Bright Man, Fuse Man and Shining Firefly. We're going after Blaster Tron.

Camie: WHOA! This will be interesting.

Nico: Yep.

We went into the Simulator and it activted and we were in Saffron City.

Me: Saffron City. Wow!

Qin: Awesome!

Lola: So we're having the adventure here.

Nico: Yep.

Me: And we're right in front of Saffron City Gym too.

Emerald Sustrai: My illusions won't affect him

Me: No he's a robot.

Qin: Yep.

Lola: Wait look there.

We saw a girl with a Skarmory.

Ash: Hey it's Miki!

Me: And she has a Skarmory with her! Wow!

Miki: Huh? Hey Ash, guys! Been a long time!

Skarmory called in agreement.

Ash: It has been a while.

Me: Pleasure to meet you Miki and your Skarmory is really cool.

Miki: It's a pleasure to meet you too J.D. and yes Skarmory is amazing.

Me: Yep. You aren't a gym leader yourself are you?

Miki: No sorry. I'm a travelling trainer and I battle to test the strength of my Skarmory.

Me: Wow! That is cool!

Ash: Miki is also the first trainer we battled that has a Steel Type Pokemon.

Me: I can see that. That is so cool.

Horsea: Hi there!

Miki: Wow pleasure to meet you Horsea.

Me: Our mascots are just as special. Also are you here to battle Sabrina for a gym battle?

Miki: No we're just here to enjoy the sights.

Me: I see. You are more than welcome to join us.

Miki: We would be honored.

Me: Awesome.

Eli: (Senses something) WHOA! I sense something in the gym.

We went in and saw random girl and her Rattata being thrashed by an Alakazam made of PURE MANA ENERGY!

Me: WHOA! It's an Alakazam made of Mana energy! That is cool!

Lincoln: Oh man! That's Sabrina's Akuma, Stellalakazam! She has psychic powers that are amplified 100-fold.

Me: HOLY COW! How was she made?

Lincoln: It didn't tell me.

Me: Hmm.

Miki: Wow so that's one of the Akumas you all faced?

Me: Yep.

Nico: Usually, Lincoln describes the reason

Me: Lincoln's premonition didn't say anything.

Qin: Weird.

Nico: And most of them talk

Stellalakazam: (Thru Telepathy) Then test your power against me!

Me: WHOA! She's talking telepathically!

Miki: Wow! That is amazing!

Me: Yeah! Sabrina leave that girl and her Rattata alone! They went through enough!

Stellalakazam: Why would I want to do that? She deserves to feel my power.

Me: Now where is the honor in that!

Miki: This one is out of control.

Cora Will-O-The-Wisp Addams: I got this one. I'm the gene-slammer of Gengar and Psychic Pokemon are weak against ghosts.

Me: Go get her Cora.

Cora Will-O-The-Wisp Addams: I will be just fine.

She formed a Shadow Ball!

Cora Will-O-The-Wisp Addams: SHADOW BALL!

She threw it and it hit Stellalakazam and exploded and knocked her down!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It really hurt her good!

Me: Nice shot!

Nico: How were you made?

Stellalakazam: None of your business.

Me: Tch! Rude!

Emerald used her illusions on her and formed an illusion of a Black Hole!

It spun her around and knocked her down!

Cora Will-O-The-Wisp Addams: Now to show you some darkness! (FLARES UP A GHOST AURA!) FROM THE DARKNESS OF HELL RISE UP THE SPIRITS OF THE DAMNED AND THE CURSED SOULS OF THE FORSAKEN! FEEL MY Z-POWER! NEVER-ENDING NIGHTMARE!

She fired a wave of darkness energy and it enveloped Stellalakazam and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

SHE WAS KNOCKED OUT!

Me: HOLY SHIT! THAT WAS SCARY!

Nico: AKUMABALL GO!

Nico threw the ball and caught her!

Nico: ALL RIGHT!

?: (Robotic voice) Target Akuma victory probability 0%.

We saw BLASTER TRON!

Blaster Tron: Scanning new ally of Team Loud Phoenix Storm

He was scanning Miki.

Blaster Tron: Probability of defeat: 67%.

Me: 67%?

Miki: That means the other 33% is us winning.

Me: I like them odds. Lets get him!

Knight Light: SEE THE LIGHT!

Spotlight: TIME TO SHINE!

I fired waves of energy and blasted him down.

Blaster Tron: Surrender or be terminated

Me: You should be asking yourself that question.

I fired waves of light and we fired waves of energy and blasted him.

Me: YEAH!

Miki: By the way Cora, what was that awesome move you used?

Cora Will-O-The-Wisp Addams: That was a Z-Move. Z-Moves are the most powerful move any kind of Pokemon can muster. They pack as much destructive power as a Kamehameha Wave and their power is amazing.

Me: We learned all about them from Ash and I demonstrated one and it was fun.

Nico: Yep.

Blaster Tron: Remaining Power Levels: 50%

Me: Check those numbers again.

Emerald Sustrai, Taylor, Princess Celestia, Dawn Eclipse, Knight Light, Spotlight, Bright Man, Fuse Man and Shining Firefly: DAWN OF THE SUN LIGHT BEAM!

They fired waves of energy and blasted him down!

BLASTER TRON DEFEATED!

Me: To quote Soundwave: (Techno Voice) Probability of opponent winning: 0%. Probability of Team Loud Phoenix Storm Victory: 100%.

Nico: That is something Soundwave would say!

Blaster Tron: Power depleted. Shutting down….

Princess Celestia: Almost.

She held up a white trap and a yellow vortex appeared and sucked him in!

Blaster Tron: "Initiate capture sequence nnooooooowwww...!"

He was sucked into the trap and locked in it.

Blaster Tron: "Initiate captured in trap line. Emotions include confusion at first, then analysis of my new surroundings, then I would either follow it up with state of desire for revenge, some form of acceptance, or vague reference to the smell of mustard."

Ymir: I still find it weird that it smells like mustard in those traps.

Me: Me too.

BLASTER TRON TRAPPED!

Princess Celestia: And as the Princess of the Sun, you have to be good from now on for me.

Blaster Tron: "I have been reprogrammed. Engage good guy settings."

Me: Good choice.

Miki: That was awesome guys!

Me: Thanks Miki. Glad you got a great show.

We left the simulator.

Miki and Skarmory are going to feel right at home.

In the mall, we were following the mascots.

Me: Wow so you guys found the entrance to the cave where you found those stones in the store Leni works at.

Nico: What are the odds of that?

Poromon: Very unusual isn't it. We'll show you where the entrance is.

We followed them.

Twilight Velvet: Cue the flashback of how you found them

Me: I was gonna say.

Poromon: Well we went to the mall to try out some new clothes.

Poromon: (Voiceover) We turned into our human forms and had a lot of fun trying on new clothes.

They walked down the catwalk in all kinds of awesome clothes.

Leni: O-M GOSH you guys all look so totes adorbes!

Manaphy: Thanks Leni! It's fun!

Poromon: (Voiceover) We then went to try on new clothes again and in the fitting rooms I noticed something.

Poromon: Huh?

He looked and saw a small crack in the wall and he heard what sounded like bats chirping and running water too.

He pecked open the wall and opened it and it lead into a cave.

Poromon: HEY GUYS COME HERE! Look at this!

They saw the entrance.

Poliwag: Whoa! We better take a look.

They squeezed through and Manaphy used her antennae as lights.

They walked around and came into the cave. It was CHALK FULL OF EVOLUTION STONES!

Horsea: WHOA! This cave is full of Pokemon Evolution stones! Lets show these to everyone!

Poromon: (Voiceover) And there we gathered a lot of stones and put them in a bag.

FLASHBACK ENDS

Poromon: And that's how we found them.

Me: Lets go check it out.

We followed them.

Octavia: (British Accent) Riku, me, Stacy, and Lincoln will never regret meeting you

Riku: That was so much fun.

Lincoln: Yeah it sure was! The Geed Ultraman were really amazing.

Stacy Bolton: Boy I'll say! That was the most fun ever.

Me: Yep.

We got to the fitting room and we saw the hole Poromon made.

Poromon: That's it there.

Me: Okay.

I used a laser cutter beam and made a hole big enough for us.

We formed light beams and flashlight beams and went into the cave.

We got down further and then we shined a light and sure enough found the EVOLUTION STONE MOTHERLODE!

WE GASPED!

Me: WHOA! It's the motherlode of Evolution Stones!

We saw fire, thunder, water, leaf, shine, moon, ice, sun and many other Evolution stones all over!

Xenia: This is amazing!

Little did we know however that in the shadows of the cave, 2 pairs of glowing blue eyes were watching us.

Me: Lets gather up them all.

Nico: Okay.

We went and did so.

Stacy: We took down some of your enemies

Riku: That was so fun.

Lola: It sure was cool!

Qin: Yeah!

Lola: Lincoln had a lot of fun on those missions. All of us did.

Headstrong: These will come in handy.

Me: For future use. Maybe we can use these on mascots when we get more than one of the same kind.

Camie: That works.

Eli: Uh guys, I don't want to alarm anyone but I sense we're being watched.

Xenia: Uh oh.

I saw two sets of eyes in the shadows!

Me: Show yourselves!

I shined a light from my tail and saw that it was 2 Vaporeon!

Me: Hey 2 Vaporeon!

Nico: Wow! What are they doing down here?

Laney: Yeah.

Misty: Aww I always love Vaporeon.

Me: I knew you would Misty.

Lincoln: We even took Morag down

Anna Anyanova: And we fulfilled part one of the prophecy for Lincoln.

Riku: We sure did. That was awesome.

Qin: Hey guys that aren't looking.

They saw the Vaporeon.

Qin: Looks like my Vaporeon is going to have 2 playmates.

Qin's Vaporeon: I sure am.

Horsea: Where did they come from?

Pipes: I think one of them might be Dark Gale's work.

Sheena: He's right. The Vaporeon on the right is a girl named Nataliya DeMille! (GASP) Oh my gosh! She's also the daughter of Madame Rouge!

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: Wait Madame Rouge of the Brotherhood of Evil!? Oh man!

Beast Boy: THAT IS SHOCKING!

Sheena: And the Vaporeon with her is her partner.

Me: Wow! First a Flareon and now Vaporeon.

Horsea: Where did they come from?

Pipes: I think one of them might be Dark Gale's work.

Sheena: He's right. The Vaporeon on the right is a girl named Nataliya DeMille! (GASP) Oh my gosh! She's also the daughter of Madame Rouge!

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: Wait Madame Rouge of the Brotherhood of Evil!? Oh man!

Beast Boy: THAT IS SHOCKING!

Sheena: And the Vaporeon with her is her partner.

Me: Wow! First a Flareon and now Vaporeon.

Qin: Yeah!

Me: Wait this must be a sign. It means that Beast Boy's day is coming soon and we're going to face The Brotherhood of Evil!

Beast Boy: Now we can finish some unfinished business of the Doom Patrol.

Lola: Taking down Brain and the Brotherhood of Evil forever.

Gira: You mean the Brotherhood of Evil's most dangerous member?

Me: That's her.

Nico put his skeleton back.

Nico: I hate it when that happens

Ymir: Who are the Brotherhood of Evil?

Me: Before Beast Boy joined the Teen Titans, Beast Boy was part of the Doom Patrol and The Brotherhood of Evil were the Doom Patrol's most dangerous Archnemeses. Their leader is The Brain. He's a disembodied brain and a VERY DANGEROUS Criminal mastermind. He wants to rule the world. There's also Monsieur Mallah, he's a gorilla that is very skilled in combat and all that. Laura DeMille A.K.A. Madame Rouge, she's the most dangerous member of the Brotherhood and she has many powers including shapeshifting. And finally there is General Immortus, he's an immortal general that has been around ever since the dawn of humanity and is believed to be over 200,000 years old.

All of us: WOW!

Nico: He's as old as you J.D.

Me: I know. And he is a really well trained general and war master.

Nico: Yep.

Ymir: These guys sound like they are REALLY BAD news!

Me: They are. And they gathered all of the Teen Titans enemies and hunted them down to kill them so they can rule the world without any opposition.

Ymir: That's terrible!

Me: Yeah. We faced Rouge back in 2018 and she is one cunning woman.

Ymir: WHOA!

Nico: Hopefully, when Beast Boy's day comes, it should only be the

4 of them.

Me: I think you might be wrong on that Nico.

Nico: What makes you so sure?

Me: I have this strong feeling that Brain is going to try this again. Brain is no pushover and he is not stupid. He is smart all in capital letters.

Beast Boy: Yep.

Me: Lets focus on this first.

Me and Qin went over to the 2 Vaporeon.

Me: It's okay guys.

She used Hydro Pump and it hit Nico and got him soaking wet!

SPLASH!

Nico: (SPITS) HEY!

Poliwag: You okay?

Nico: Just got wet.

Me: At least it's better than being blasted with fire. Okay then.

I snapped my fingers and she reverted back and she was a girl with aqua blue hair and blue eyes and had blue angel wings and had Vaporeon on her forehead and had a Vaporeon with the Water Alchemy symbol on her arm as a cutie mark.

We wrapped her in a blanket.

Me: Lets head outside of this cave.

Nico: Good idea.

We went back into the store and sat her down.

Then we sealed up the hole that lead to the cave.

Me: There.

Nico: Good idea.

Qin: That's one cave we can't go back into.

She woke up.

Nataliya DeMille: (Groans) (Russian Accent) What happened to me?

Me: Well it's a nasty story on that.

Nico: You got me wet!

Me: Because you were turned into a Vaporeon by Dark Gale.

Nataliya DeMille: Oh man. Sorry about that.

Nataliya's Vaporeon cuddled her.

Me: Your Vaporeon is awesome.

Nataliya DeMille: Thank you. Her name is Aquia. I've had her since she was an Eevee and I evolved her into Vaporeon using a Water Stone.

Me: Wow that is cool. Also we were shocked to hear that your mother is Madame Rouge.

Nataliya DeMille: I know. And I am trying to find her. I know she caused you and everyone in the Doom Patrol so much trouble but please let me tell you why? (Crying) I miss my mother so much! I just found out through some DNA tests that Madame Rouge is my mother and I was trying to find her for 4 years! I searched all over the planet! (CRYING HARD) I miss her and I want to find her so I can have family!

Me: Oh man! Nico, she is very desparate. She has been trying to find her mother for years. We got to find her and put her into the M.O.E. No kid should ever be without their family. Besides, we killed her once. So that is more than enough.

Nico: You know what? This fits. Brain and Mallah will die. Guess who will go into the MOE?

Me: Madame Rouge and General Immortus.

Nico: Bingo!

Robin: And here.

He gave me a list.

Me: What's this?

Robin: It's some of the bad guys we haven't faced that are not in the M.O.E.

Me: Hmm.

I saw that they were Phobia, Wintergreen, H.I.V.E. Headmistress, Punk Rocket, Adonis, Master of Games, Steamroller, Ding Dong Daddy, Wrestling Star, Katarou, Andre Le Blanc, Psimon, XL Terristrial, Mad Mod and Wrestling Star.

Me: WHOA! We haven't faced ANY of these guys. These must be some of your enemies that we overlooked. And I can't remember but I think we faced Mad Mod years ago. But lets worry about these later.

I pocketed the list.

Nataliya DeMille: I will do anything to help my mother. She needs me.

Me: And we will help you.

Poromon: We already have the other members in the MOE. It should be only Brain and Mallah we have to deal with

Me: Yep. But Nataliya you have our word. We will help your mother.

Nataliya DeMille: Thank you.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new blue clothes of different shades of blue and a water sword.

Nataliya DeMille: Wow I look amazing.

Me: You sure do.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan

into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Qin: Yeah.

Nico: That was a fun adventure and we found lots of Evolution stones.

Me: Yep.

Poromon: And we found these too.

Poromon pulled out 3 eggs. One was a Fire Egg, a Lightning Egg and an Ice Egg.

Me: 3 Pokemon Eggs.

Nico: Wow! Those must be a bonus too.

Eli: HOLY CRUD! I sense 3 powerful energy signals in them. These are legendary Pokemon eggs.

Me: I think they might be Articuno, Zapdos and Moltres.

Poromon: WOW! You can raise them J.D.

Me: Okay.

Demona: Could you sense if your mother was posing as anyone?

Eli: No I sensed nothing.

Me: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Queen Opaline Arcana, she's finally lost her mind and she wants revenge on us, but if that isn't bad enough, Dame Deadtime is also there as well and she wants revenge on us as well. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, Opaline!

Eli: Along with Dame Deadtime!

Lincoln: Looks like we got double trouble for this! But, it's finally time!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Queen Opaline, she's finally lost her mind and she wants revenge on us, but if that isn't bad enough, Dame Deadtime is also there as well and she wants revenge on us as well.

EVERYONE GASPED!

May: So, it's not just Opaline wanting to kill us, but also...!

Twilight Sparkle: Dame Dedtime too. I should've known that old snake Yokai wasn't going to stay dead for good! But, all the same, she's also getting The Black Abyss.

Lincoln: No, Twilight. Only Dame Deadtime's getting The Black Abyss, as for Queen Opaline of our world, there's only one place awaiting her: The Black Fire Inferno of Neverending Nothingness!

BLOODCURDLING SCREAMS! LIGHTNING CRASHES!

Me: One of the levels in The Black Abyss?!

Lincoln: Yep, and it's meant for people like Queen Opaline of our world.

Nico: Fitting for her for everything she's done 2,000 years ago. Alright, team, let's go, the time of the prophecy has come!

Lincoln: (Deep sapphire blue eyes glowed) Queen Opaline, for two millennia, you have committed the most gruesome and unforgiveable of all atrocities in your quest for power, and for that, you will finally pay the ultimate price as we fulfill the prophecy that awakens Twilight Sparkle of Sunny's time and end your reign of madness for good, along with you, Dame Dedtime!

Me: This is it guys! There's no turning back now.

The previous group came.

Dodgeball Wizard: Can me, Shendu, White Lightning, Goro, BlackWarGreymon, Spankulot, David Cain, Lythos, Mortal Kombat Scorpion, and Ice Demon go with you guys?

Nico: Yes you all can.

Qin: We're going to need all the help we can get for this one.

Goro: I can tell.

Brock: And J.D. I can show you how to take care of those eggs too.

Me: Great! I could use some advice.

I left shadow clones to take care of the eggs.

Luminous: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Darkbright next.

Me: Nice.

Qin: Cool.

Me: Looks like we're going to Kamchatka Peninsula.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Ghost King, the major antagonist of R.A Salvatore's The Legend of Drizzt, serving as the eponymous main antagonist of The Ghost King, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh...!

Me: Lincoln, was that...?!

Lincoln: The Ghost King, the major antagonist of R.A Salvatore's The Legend of Drizzt, serving as the eponymous main antagonist of The Ghost King, and he's coming to destroy us.

Abigail Malefic: Lincoln, I hope you absorb him.

Lincoln: Of course I will, Abigail. He may be a powerful and deadly Dracolich created during a fluke of the Spellplague, when magic went awry with the body and soul of the red dragon Hephaestus, merged with the powerful sentient artifact known as the Crenshinibon and the soul of the Illithid, Yharaskrik, but he's about to meet someone who far surpasses him in terms of power and magic.

Nico: That kind of bold talk makes me surprised to find out how much you'd changed and grown ever since then. Alright, team, let's go, Queen Opaline's time is finally up!

Lincoln: The time of the prophecy to restore all friendship has come at last, and once we're done with her and Dame Deadtime, you're next, Ghost King.

Abigail Malefic: The crimes you've committed can never be forgiven, Ghost King, now you shall pay the price!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to the old base of Team Magma in Mount Malefic to prepare for our final showdown with Queen Opaline and Dame Deadtime and fulfill the prophecy, and once we get done with them, Abigail Malefic and Lincoln are going to take down The Ghost King and Lincoln's going to absorb him.

We were off.

We arrived and we were inside Mount Malefic. We were in the base that we faced Team Magma.

Me: We can use the old base of Team Magma in Mount Malefic to come up with a battle plan.

Nico: Good idea. And you guys battled Team Magma in here on my birthday? Fitting.

Xenia: It sure is.

Me: We had to go around Opaline's castle to avoid being spotted early before the Prophecy.

Nico: I see.

Goro: Let's call Kaos

Me: Good idea.

Kaos came.

Kaos: It is I, KAOS!

Me: Awesome!

Buddy Pine: How does this place look?

Nico: It's fitting for Team Magma.

Me: Yes it is. We battled Team Magma in here on Nico's Birthday.

Nico: Oh right! Wow. Also this place had a clear view of Opaline's castle.

We saw it from 20 miles away.

Me: Yep. There's an electromagnetic here and even magic can't be detected here.

Qin: And lets not forget that this very volcano is the base of Royal Pain.

Nico: I heard all about that! Wow!

Me: Now we're using it as our base to come up with a plan to destroy Opaline.

Count Spankulot: (Transylvanian Accent) She has been very bad.

Me: Worse than that Count. She did all sorts of TERRIBLE atrocities in her quest for power.

Nico: Yep.

Me: She has over 2,000 years of justice coming to her. Now the Prophecy will be fulfilled.

Eli: And she double-crossed many of Equestria's baddies into doing her bidding.

Qin: Yeah!

Skalor: And it doesn't matter how much magic she has

Me: She is not going to escape her punishment.

Qin: Yep. But lets not forget that besides Opaline we have Dame Dedtime to face.

Ymir: Who is that?

Me: Nate Adams archnemesis. And also the target we faced on Twilight Sparkle's day for her ambassador missions.

Twilight Sparkle: That's right.

Bleez: I remember that

Me: That was so fun.

Twilight Sparkle: It sure was.

Me: That was back in 2022.

Qin: Yep.

Lythos: Those were good times

Me: You said it.

Connie Morgan: Wow.

Arcanine agreed.

Lythos: Awesome Arcanine Connie.

Connie Morgan: Thanks. I named him Arly. I figured that if James can have a Growlithe named Growlie, I can have an Arcanine.

Ice Demon: You realize that James wouldn't have ended up in Team Rocket if it weren't for his parents

Connie Morgan: That's exactly what I keep telling myself. But also there's more. Jessebelle is also my best friend.

WE GASPED!

Nico: SAY WHAT!?

I stopped Nico's skeleton from falling out again.

Me: Oh man!

Connie Morgan: Yeah we've known each other since we attended the same academy. Me and Jessebelle both went to Pokemon Tech together.

Me: Oh man.

Connie Morgan: Yeah. I graduated at the top of the class there. I got the highest score in that school and graduated as Valedictorian.

Me: Wow! You proved your parents wrong.

Connie Morgan: Yep. Me and Jessebelle finished top of the class there.

Horsea: You need better friends.

Connie Morgan: I know. When I heard how James and Jessie got the lowest scores there I wanted to laugh but I could never bring myself to stoop to the levels of those snobby jerks that were hurting the lower class kids.

Ash: I remember those kids. They were meanies.

Connie Morgan: Yeah.

Me: We'll have to check out Pokemon Tech for ourselves.

Poromon: I feel like we still need to do something right this minute

Me: And that's face the Akuma.

Connie Morgan: Right. Sorry guys I just wanted to get that off my chest.

Me: No worries.

Lincoln: (GASP) And I just had a premonition on who the Akuma is. It's Twilight Sparkle's Akuma, AntiFriendship! The Hypothetical Akuma form of Twilight Sparkle. She is known as the Witch of Disharmony. She was made when Twilight Sparkle yelled at her friends and because of that Hawk Moth turned her into the Embodiment of Disharmomy and she vowed that if she couldn't have friendship then she was going to make sure NO ONE WOULD!

WE GASPED IN SHOCK!

He showed a sketch of her and she was a REALLY NASTY WITCH!

Me: WHOA! She looks like a REALLY NASTY one!

Scavenger: Wait. I think Poromon meant free Twilight's counterpart

Me: Scavenger, we can't do that. We have to do that when we kill Opaline. And only THEN will she be awoken.

Camie: Yeah.

Scavenger: Oh yeah. I forgot.

Poromon: Me too.

Nico: (sighs) There's no other way, huh?

Me: Unfortunately no there isn't. I asked the Spirit of Harmony many times and there is no other way. This prophecy is the key.

Nico: I see.

But then...

POOF!

A HUGE PUFF OF SMOKE APPEARED AND LAUGHING MALEVOLENTLY WAS ANTIFRIENDSHIP!

WE GASPED!

Me: WHOA MAN!

AntiFriendship: (CACKLES) You are no longer friends!

I fired waves of energy and blasted her down!

Mortal Kombat Scorpion: Twilight? Is that you?

AntiFriendship: NOT ANYMORE!

Me: Then you need a good splashing of holy water.

Kaos: I, KAOS, Command you to calm down at once!

Me: Yeah what he said!

AntiFriendship: NEVER!

I fired waves of energy and blasted her!

Kaos fired lightning and Doomsharks and blasted her!

AntiFriendship laughed and fired magic and I deflected it.

I then threw Holy Water at her and then...

SPLASH!

AntiFriendship Screamed!

AntiFriendship: YOU CURSED BRATS! LOOK WHAT YOU'VE DONE! I'M MELTING! MELTING! (MELTING INTO NOTHING) OH WHAT A WORLD! WHO WOULD HAVE THOUGHT A BUNCH OF BRATS LIKE YOU WOULD DESTROY MY BEAUTIFUL WICKEDNESS! NO! NO! I'M GOING! NOOOO!

She was gone and sent into the Book of Vile Darkness!

Ymir: What was that?

Me: The Iconic defeat of the Wicked Witch of The West.

Alice Gehabach: Did we just parody the Wizard of Oz?

Hydranoid: Looks that way.

Me: Even after 85 years that still is a classic.

David Cain: And witches DO hate holy water

Me: Just like vampires do.

Shannon: I'm sure my ancestors felt the same way too.

Camie: Yep.

I looked up at the sky and saw the planets almost fully aligned. We're running out of time.

Me: The alignment is almost complete! Lincoln feel free to jump in for the plan.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of The Kamchatka Peninsula, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Queen Opaline and Dame Deadtime, and they both want revenge on us.

Now, the time has come to fulfill the prophecy.

Lincoln: Along with Dame Deadtime, both of them are going to die today. Now, then.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Me: Uh oh! Lincoln's gone Savage again!

Ed Cowart gave us beautifully crafted rainbow Potara Earrings which merged with our earrings.

Me: Whoa, what are these?

Ed Cowart: These are the Harmony Rainbow Potara Earrings, they're earrings that have all the power of The Potara mixed with The Elements of Harmony. It was a side project I worked in preparation for the battle against Opaline, I worked with Shin East Supreme Kai, the other Supreme Kais, and even Discord to make these for Team Loud Phoenix Storm and the Masters of Evil, and once given, they stay with us permanently and they're indestructible and they even use The Elements of Harmony, and the fusion can last as long as possible and can be defused and fuse again instantly without cooldown.

Nico: Incredible, that's quite the work of art indeed creating the Harmony Rainbow Potara Earrings, now we can get after that powerhungry lunatic.

Nico: Wow, your rehab program's working, and with Ed Cowart's warning delivered, our resident perverts will keep their noses out of this. Now, it's time to end Queen Opaline and Dame Deadtime.

We then saw Queen Opaline raging with pure anger and black rage, and Dame Deadtime is already having a hard time keeping her cool.

Me: There she is.

Nico: And Dame Deadtime's already suffering the wrath of her fury.

Suddenly, the spirits of Twilight Sparkle and her friends appeared and they attacked Queen Opaline and Dame Deadtime with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon, then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed Queen Opaline and Dame Deadtime off even more.

We landed!

Me and Twilight Sparkle: Opaline! Dame Deadtime! Your time's up, you two monsters!

Queen Opaline: DIE, YOU PATHETIC MAGGOTS!

Queen Opaline charged up her magic and fired a blast of magic from her horn, but Lincoln and I formed Rarity's gem shields and they deflected the blast and hit Queen Opaline and Dame Deadtime!

Dame Deadtime: Opaline, you blind idiot! Why can't you watch where you're blasting?!

Queen Opaline: SHUT UP!

Lincoln: (Beastly Gruff Manlier Voice) HOW ABOUT YOU BOTH SHUT UP?!

That pissed Queen Opaline and Dame Deadtime off, but before they could react, Lincoln fired blasts of powerful energy and elemental magic that hit them both, and they suffered muscle spasms and convulsions.

Me: Opaline Arcana, Your reign of terror has come to an end! For over 2,000 years you have brought nothing but pain and misery to everyone, everycreature and everypony in Equestria!

Nico: THAT'S RIGHT!

Donna Diego: We already have one good version of Opaline with us. But this one needs to go!

Eli: That's right!

You're finally done for, Queen Opaline and Dame Deadtime. Time to pay!

Lincoln went wild on Queen Opaline and Dame Deadtime as he punched, kicked, and slashed at her like a wild beast, and he left scars on them, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at Queen Opaline and Dame Deadtime, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT QUEEN OPALINE AND DAME DEADTIME AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

Well, it's about to get a lot worse for you.

Lincoln and I went at Queen Opaline and Dame Deadtime and we began brutally smashing them all over the place with our immense massive godly superhuman strength, and it was even more brutal than ever. Then, we punched them hard in the face and kicked him in the stomach and we sent them flying into a wall, they got back up and were pissed off, and Lincoln and I fired massive elemental energy balls and beams of light at them and they really got scorched and burned.

Time to die, Queen Opaline and Dame Deadtime.

Nataliya was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Gretel and Xeevennum.

Nataliya DeMille: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Beheeyem and Vaporeon.

They transformed and blasted them both.

Me: Take that!

Kaos: Time for you to see my ultimate form!

He turned into his SUPER FORM!

Kaos: (DEEP VOICE)

He summoned all his Doomlanders and fired energy and lightning.

We fired waves of energy and blasted them both.

Me: YEAH!

Then Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Evil Green Ranger, Gentleman Ghost, and Robo Roxy came.

Nico: Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Evil Green Ranger, Gentleman Ghost, and Robo Roxy.

The both of them were knocked out.

Me: That oughta hold them down till we have our fun.

Webstor: I actually knew Kaos was going to use his Super Form

Angel: He hasn't used it for a while.

Me: I agree.

Red Ghost: And it's very fitting.

Me: Yep.

Rich Texan: (to Nico) We heard you fought your evil self.

NIco: We sure did.

Skalamander: (to Chris) You should take care of that Croconaw

Chris: I will.

?: Cool!

Then a figure came and it was Syringe Shadow from episode 33 of ToQgers!

A Shadow who places Bracelet Syringes (ブレスレット系注射器 Buresuretto-kei Chūshaki) on the residents of the martial arts community that became his Poison Injection (注毒 Chūdoku) Dark Station with the threat to kill them all at sunset unless they go through his gauntlet and break his arm-mounted syringe. However, assuming the guise of a dojo master while leaving a decoy of himself in the building, Syringe Shadow's plans are thwarted by Right and Hikari outwitting the Shadow before Hyper ToQ 1-gou knocks him out of the building to obliterate him with the Hyper Last Train Crash in midair. Though the enlarged Syringe Shadow renders Cho-Cho-ToQ-Dai-Oh powerless, he is easily destroyed by Hyper Ressha Tei-Oh

---

Right: Syringe Shadow!

Syringe Shadow: Been a while rangers.

Me: I remember you! You put those poison injection bracelets on people that was gonna kill people at sunset and they had to go through his gauntlet.

Syringe Shadow: That' right. Good memory.

Me: Thanks

Goku: Does that mean you have a needle?!

Me: Master Goku you aren't afraid of needles anymore remember?

Nico: Yeah Kakarot.

Goku: Oh right.

Syringe Shadow: Yes I have needles.

Me: Oh boy.

Nico: LETS GET IT ON!

Me: COME ON YOU APES YOU WANNA LIVE FOREVER!?

We got the battles underway.

Lucy Loud: It was really intense and amazing. We really put the serious hurt on him and it was really amazing.

Yata-Garasu: We sure did and man was it awesome!

Renee Ravenclaw: (British Accent) Yeah. J.D. faced him intensely like how Nico did on Universe 666 Earth and made that monster pay for it!

Twilight Sparkle: I'll never forget seeing that. That was really intense.

Comet Stardust: From what I heard about it, that was intensely amazing.

Daylight Savings: It sure was!

AS THE PLANET PLUTO ALIGNED AND THE PLANETS FULLY ALIGNED THERE WAS A MASSIVE SURGE OF RAINBOW ENERGY AND THE SUN GLOWED RAINBOW COLOR AND THEN FIRED A MASSIVE BEAM OF RAINBOW LIGHT AND IT HIT US AND OUR POWER FLARED UP INTENSELY AND EXPONENTIALLY! AND IT WAS INTENSELY STRONG AND POWERFUL!

Nico: WHOA!

Eli: UNBELIEVABLE!

Nico: WHAT POWER!

Me, Lincoln and friends and family and Twilight and Friends: WE ARE MORE THAN JUST FRIENDS! WE ARE THE PROTECTORS OF THE EARTH AND THE MAGIC OF FRIENDSHIP AND THE TRUE GUARDIANS OF HARMONY AND WE WILL MAKE SURE THAT NO ONE HARMS THE LOVE AND JOYS OF FRIENDSHIP AND HARMONY! OUR LOVE AND FRIENDSHIP MAKES US INVINCIBLE AND WE WILL NEVER GIVE IN TO THE DARKNESS OF EVIL!

A MASSIVE SURGE OF INTENSE MAGIC FLARED UP AND A MASSIVE BLAST OF MAGIC FLEW INTO THE SKY AND FORMED INTO AN OMNIPOTENTLY POWERFUL ETHEREAL ALICORN OF INTENSELY IMMENSE POWER!

Opaline: NO! THIS CAN'T BE HAPPENING! I AM OPALINE ARCANA! THE MOST POWERFUL FIRE ALICORN IN THE WORLD! ALL MAGIC IS MINE!

Me: YOU WILL NEVER RULE OVER EVERYTHING! YOUR POWERLUST AND YOUR OPPRESSION ARE YOUR DOWNFALL! THIS IS FOR EVERYTHING YOU DID! 2,000 YEARS OF JUSTICE HAS FINALLY COME! NOW YOU WILL FACE THE FIRE AND MAGIC OF JUSTICE AND FRIENDSHIP! VANISH FOREVER WITH YOUR EVIL WAYS!

We fired a massive blast of intensely powerful rainbow energy and it slammed into and Enveloped Opaline in a ball of rainbow energy and I flew and stabbed her right through her black heart and she screamed as the ball exploded with incredible and unbelievable power and she was completely obliterated in an instant and then a massive wave of magic enveloped the Earth Omega and all the dark magic that Opaline used was completely destroyed and erased forever! Then after 1,000 years of rest there was a massive flash of energy and Twilight Sparkle awoke from her hibernation and she was revived for the first time in a millennium! She saw Opaline be destroyed and the Prophecy was Fulfilled!

Twilight Sparkle (G5): (GASP) WOW! The prophecy has been fulfilled!

OPALINE WAS BANISHED TO THE BLACK ABYSS AND HER REIGN OF TERROR WAS ETERNALLY ENDED FOREVER!

QUEEN OPALINE WAS SENT TO THE BLACK ABYSS!

But, as soon as she was sent there, she was confronted by the men in black robes who chained her up and the leader read out all of her crimes.

Leader: Queen Opaline Arcana, you have been found guilty of all the crimes that you've committed over 2,000 years ago along with destroying all of Twilight Sparkle's achievements and destroying all traces of friendship and dividing Equestria. As such, there is only one place awaiting a monster like you.

The men in black robes dragged Queen Opaline, and there awaiting her was a massive black fire inferno made of the black flames of The Black Gates and The Black Abyss with an incredibly massive power surrounding it, and it's just as powerful as The Black Fire Vortex of Neverending Oblivion.

Queen Opaline: W-WHAT IS THIS?!

Leader: This is The Black Fire Inferno of Neverending Nothingness, a massive black inferno made of the black flames of The Black Gates and The Black Abyss combined and its power is incredibly massive, that not even the darkest of souls could survive it. This is how you're going to be wiped out of existence for all eternity.

Then, the men grabbed Queen Opaline!

Queen Opaline: YOU MISERABLE MAGGOTS! LET ME OUT OF THESE CHAINS RIGHT NOW! GET YOUR FILTHY HANDS OFF ME! I AM QUEEN OPALINE, I AM THE RULER OF EVERY MISERABLE INSECT IN EXISTENCE!

Leader: SILENCE!

The Leader fired a black fire blast that scorched Queen Opaline.

Leader: All you are is an evil monster who doesn't deserve to live ever again. Now, throw her in!

The men hurled Queen Opaline right into The Black Fire Inferno of Neverending Nothingness, and once she was in, the kanji Black Oblivion 黒忘却 appeared on her forehead, and she was immediately burned alive by the massive power of the combined black flames of The Black Gates and The Black Abyss and she was immediately destroyed and wiped out of existence for all eternity never to be reborn in this life nor the next!

THE PROPHECY OF THE RESTORATION OF FRIENDSHIP HAS

BEEN FULFILLED, AND AFTER 2,000 YEARS OF TERROR AND HATRED, QUEEN OPALINE ARCANA, THE MALEVOLENT FIRE ALICORN OF ETERNAL HATRED AND POWERHUNGRY MADNESS, IS NO MORE!

Qin: THAT WAS INTENSE!

NIco: Let's go get Twilight out!

Twilight Sparkle (G5): Guys?

We gasped!

Me: TWILIGHT! YOU'RE BACK!

I went and hugged her!

Me: I'm so happy!

Xenia: We're so glad you're back.

Twilight Sparkle (G5): You did it guys! You all did it. Your friendship succeeded and woke me up and freed Equestria from the shadow of Opaline.

Cosmic Nebula Sparkle: Twilight it's good you're back.

Qin: Thank goodness.

NIco: We were just about to free you!

Twilight Sparkle (G5): You all already did that. I'm so proud of all of you. And it's great to be back.

Me: But it's all finally over. Opaline Arcana is gone.

Nico: The prophecy is finally fulfilled.

Qin: At long last.

Lincoln: And the last of Morgana Midnight Sparkle's evil dark magic is gone at long last.

We cheered as we holstered our weapons and powered down

Nico: It's finally over, we did it, the prophecy has been fulfilled!

Me: We restored all traces of friendship and we awakened Twilight Sparkle from Sunny's time from her 1,000 year sleep.

Lincoln: Now, Equestria is finally free to be in peace for eternity, and Queen Opaline of our world is finally gone. Now, there's one last thing to do and one last loose end to tie up: The Ghost King.

We turned our attention to The Ghost King who tried to get out, but he couldn't, and he roared at us.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Ghost King, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Abigail Malefic, Super Brother, Nico, and I went after The Ghost King, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Ghost King, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claws and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Abigail Malefic did the same by firing black and red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Abigail Malefic, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our immense massive godly superhuman strength, and this was really pissing The Ghost King off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Ghost King and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into The Ghost King, and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 3,800'11" massive, wide, double-edged gold blade of his massive greatsword.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, The Ghost King began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, and he roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Ghost King, and Lincoln sucked out all of the remaining energy in The Ghost King and banished The Ghost King to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Abigail Malefic's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and red planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and enormous black angel wings and

Abigail Malefic: This where it ends for you, The Ghost King, and this is goodbye and good riddance. Thanks for helping me get rid of The Ghost King, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Abigail.

Me and Nico: Our pleasure, Abigail.

Suddenly, Abigail Malefic wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Abigail Malefic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Abigail Malefic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for The Ghost King, serves him right.

Me: The Ghost King got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and General Gantala of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and General Gantala of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Kari Frostine, Avatar and Gene-

Slammer of Dewdark of the Ice Barrier, and you guys are gonna like meeting her and she's from the past of the NYPD Nightshift, Kari Frostine, Avatar and Gene-Slammer of General Gantala of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Gantala of the Ice Barrier. She's The Ice Ninja of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Kari Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Gantala of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Gantala of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Kari Frostine is also an old ally of of The NYPD Nightshift who helped out in many cases, and one of them was the murder of Caleb Maxwell back in 1985, and how Caleb's evil younger brother, Drake Maxwell, had hurt him and betrayed the family. She was still haunted by the dark crimes of Drake Maxwell and the murder of Caleb Maxwell, and Kari knew that the vengeful spirit of Caleb Maxwell killed a lot of criminals until 1993 when the rainbow energy wave of Lincoln's Dark Side Eternal Purification hit her world's New York and brought him back from the dead, but Kari also sensed the darkness that Caleb carried with him before his death in 1985.

WE GASPED!

Allie Maxwell: I remember Kari all too well, and she knew of the story of Caleb's murder, and the other dark stories of Drake Maxwell's madness.

Roxy Drake: And when she saw Caleb return in actual flesh and blood, she almost told you about it, but she didn't.

James Blunt: Because of the darkness and the deep scars Caleb carried, and that made her ill.

Steam Smythe: It's finally over

Black Adam: All the build up was worth it

Evil Green Ranger: There might be more Equestria related recruits

Me: That is for sure.

Gentleman Ghost: But for now, the worst is over

Robo Roxy: Pinkie Pie, cue the party!

Pinkie Pie: A BIG PARTY OF AWESOME!

Me: Actually you know what (Sleepy) I feel like doing?

I fell asleep and was out cold.

Nico: I think J.D. is too tired for it.

Nico picked me up.

Nico: But great job today everyone.

Qin: (To the viewers) Boy what an intense day for us.

Nico: It sure was.

Nico teleported and went and put me in my room.

Then came back to join everyone for the party,

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we fulfilled the prophecy and killed Queen Opaline.

Anna Anyanova: And Twilight Sparkle from Sunny's time woke from her 1000 year long slumber.

?: (Beastly Gruff Manlier Voice) And we finally got rid of the last of Morgana Midnight Sparkle's dark magic, and we also got rid of Dame Deadtime as well too.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

DBZ Narrator: AT LAST! THE DARK SHADOW OF OPALINE HAS BEEN SILENCED FOREVER! THE PROPHECY HAS BEEN FULFILLED! THE BATTLE IS WON! AND EQUESTRIA AND EARTH OMEGA CAN LIVE FOREVER FREE WITHOUT HER DARKNESS AND EVIL! BUT THE BATTLE WITH ANTI-MONITOR IS STILL RAGING ON! WHO WILL OUR HEROES FACE NEXT? TUNE IN NEXT TIME!

THE END

It's gong to be intense! Also the Anothers are going to be the gene-slammers of Evil HERO Infernal Rider and Foaming Beauty - Champagne. Also we're going to meet the gene-slammer of Elemental HERO Darkbright.

Alright, and now, for tomorrow, the match-up scene is for Gaia Malefic, Gene-Slammer of Malefic Stardust Dragon and Avatar, Embodiment, and Queen of the 4th Circle of Hell - Greed, and she and Lincoln are going to destroy Necron, the final boss of the video game, Final Fantasy IX.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to California to meet Penny Proud, along with her parents, Trudy Proud and Oscar Proud, her baby brother and sister, BeBe and CeCe Proud, and her grandmother, Suga Mama, from The Disney Channel series, The Proud Family, and we're going to find out to our shock that Lilo and Stitch also know The Proud Family too, we'll also be meeting up with Penny's friends too, and after that, we'll be going after our main target, and it's someone whom Lincoln's Good Akuma, Super Brother, and Team Loud Akuma Angel Storm knows all too well. His name is Lord Demonblood, and bad news: he's the undead evil Akuma of Caleb Maxwell, he looks like Caleb Maxwell in appearance, but the sclera of his eyes are blood red and his pupils are crimson red and he has all the powers of darkness, The Dark Arts, and all the powers of Hell at his command. The story of his creation began just like how Caleb's trauma began in 1979 when he was twelve and in his last year of middle school: it was all because of Drake Maxwell, Caleb Maxwell's former ex-younger brother turned absolute lowlife, and throughout his four years of high school starting from 1980 to 1984, he'd been betrayed and made a damn fool of by false friends and he lost his innocence when The LaGuardia High Bloodbath began and he and a group of friends loyal to him had to kill all those who got turned into vampires. Then, in the fall of 1984 and throughout 1985, as soon as he got into college, his nightmares got much worse than ever when Drake Maxwell sent thugs to kill him as revenge for kicking him and his dad out back in 1983 after discovering their secret of being part of The Syndicate, and Caleb was also betrayed yet again, this time, by those he once considered friends, and his future wound up getting ruined when Caleb killed Drake's two bodyguards in bloody rage, and the revelation of finding out that if he were to be in the field, he would get revenge and kill his brother and father and the entire crime organization, and as a result, he withdrew from the police academy thus reducing his future to ashes, and that unholy darkness he'd kept locked inside was already about to come out. Finally, on Halloween Night in 1985, on the night of The Hallowshade Bloodbath, Caleb Maxwell was killed in cold blood by Drake Maxwell and the four senior members of The Syndicate, and he died in a pool of his own blood.

But, this baptism by blood and fire would seal Caleb's fate as he rose from the dead, no longer as a man, but a bloodthirsty monster, a murderous demon drenched by blood damned by neverending darkness and eternal hatred, and now, he sought to destroy everything in his path! Super Brother is also going to explain that to us as well, along with the fact that he and his team have battled against Lord Demonblood and that they also found out about his true identity: being that he was once Caleb Maxwell, and this was the result of what would happen if Caleb Maxwell hadn't met Cage Blunt and Travis Tackett in 1984 and James Blunt in 1993 when Caleb was resurrected and who helped him regain that light in his life and his belief in humanity. So, we're going to take down Lord Demonblood and drive a holy dagger crafted by God into Lord Demonblood's black heart which'll kill him for good, but as for his world's Caleb Maxwell, as soon as he sees what he'd done, the feelings that he'd long buried away forever would resurface, and in his guilt, he would take his own life, but not before giving us a list of evil Akumas he'd created, and they're the evil Akumas of Super Brother's enemies in his world A.K.A. the evil Akumas of Lincoln's enemies, who were brought back from the dead by Caleb Maxwell after his transformation into Lord Demonblood.

And we're going to meet Kari Frostine, Avatar and Gene-Slammer of General Gantala of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Gantala of the Ice Barrier. She's The Ice Ninja of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. The next chapter is Non-Combat and we're going to face James's crazy ex-fiance Jessebelle who has one final trick up her sleeve.

See you all next time.

Rich VS Ex-Fiancé

James Puts His Foot Down

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of immensely dense green forests and nature eternal and a massive World Tree overflowing with life and protected by powerful omnipotent angels, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and nature lovers along with masters of seduction, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and finally, he would absorb their planet, World Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Dryadara, a planet of immensely dense green forests and nature eternal and protected by powerful omnipotent angels known as the Dryadarans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and nature lovers along with masters of seduction, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of male Dryadarans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and finally, he would absorb their planet, World Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! Oh man! I haven't back to Dryadara in eight years!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Dryadara.

Lincoln landed on Planet Dryadara, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Dryadara.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a green sun and moon on his chest, he has long green hair going down to his shoulders, green eyes, massive green blue angel wings, he has on a green loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Draven Dryadara, King of The Dryadarans of Planet Dryadara.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Dana Dryadara. I did say I've been here before to Dryadara eight years ago.

?: Linky, you're here!

Suddenly, Lincoln saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long green hair with green flower, green eyes, she was dressed in a spring green two-piece bikini, she has massive green angel wings, and she has a nature greatsword in her right hand.

Lincoln: (GASPS) Dana Dryadara, Queen of The Dryadarans of Planet Dryadara, I'm surprised to see you here.

Then, all of the other Googol of Vigintillions of male Dryadarans came to Lincoln.

Draven Dryadara: That's correct, and this was something Dana wanted to do. (Smiles) And you've grown that much stronger and also much taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Draven Dryadara chuckled.

Lincoln: And there's something I need to tell you.

Draven Dryadara: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Draven Dryadara chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Draven Dryadara: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Draven Dryadara and the other Googol of Vigintillions of male Dryadarans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a green aura with leaves, flowers, and plants surrounding him and overflowing with such infinite life energy and spiritual energy as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Dana Dryadara: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Dana Dryadara: But, before he absorbs our planet and its core and its massive Sun into his body, it's been two years since we last had an intimate moment.

Suddenly, Dana Dryadara went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with an intense passion and he wrapped his left arm around her waist and his right arm around her thighs and he deepened the kiss even more: they were engaging in a heated and intense make-out session.

Then, Lincoln pinned Dana Dryadara to the ground and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dana Dryadara with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental

Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing green along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Dana Dryadara to pounce on Lincoln, and they had an intense lovemaking fest which ended hours later with Lincoln letting out a loud roar of dominance, and Dana Dryadara sleeping and feeling pleasured.

Dana Dryadara: (In Heaven) So...worth...it!

Lincoln's loincloth and white and gold trimmed shorts reappeared and he beamed Dana Dryadara to his room and he flew deeper and deeper into the planet, and he found it: the core of Dryadara, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat., and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Dryadara, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself and its World Tree into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and

the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Back on Earth Omega, The World Tree of Dryadara and its restored groves along with its roots that were burned by The Infernairans were all restored and they suddenly merged with The World Tree Estate, and it was even more beautiful than ever and it was overflowing with even more divine energy, life, and spiritual energy.

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Dryadara's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of

light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out

in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra

large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed,

Nico was still asleep.

The mascots came in with Ed, Edd and Eddy and snickered.

They count down.

Ed: 2...3 I AM GOING! YAAAAAA!

Nico: WWWWWWWAAAAAAAAAAAAAHHHHHH!

Nico got bounced out of the bed by the mascots and Ed, Edd and Eddy!

Nico: Are you nuts!?

Poromon: Morning Nico!

Ed: Time to get up!

Edd: It's a beautiful day!

Nico went and got dressed and went to make breakfast.

And we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Dryadara, a planet of immensely dense green forests and nature eternal and protected by powerful omnipotent angels known as the Dryadarans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and nature lovers along with masters of seduction, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of male Dryadarans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and finally, he would absorb their planet, World Tree, and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room.

Me: Whoa!

Lincoln: And when I absorbed Dryadara and its core, I used my power to restore the sacred roots of The World Tree of Dryadara and its groves that were burned by The Infernairans and merged The World Tree of Dryadara with The World Tree Estate and the groves have also merged with The World Tree Estate's massive gardens.

Me: That explains why The World Tree Estate and its massive gardens are even more beautiful than ever and overflowing with even more energy, life, and spiritual energy.

Nico: You said it, look at the leaves and roots, they're glowing with energy, life, and spiritual energy!

Then, Dana Dryadara came out and sat with Lincoln.

Me: And who's the dryad?

Anna Anyanova: That's Dana Dryadara, Queen of The Dryadarans of Planet Dryadara, she's Lincoln's Guardian Angel from Dryadara, a planet of immensely dense green forests and nature eternal and protected by powerful omnipotent angels known as the Dryadarans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and nature lovers along with masters of seduction, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, she's The Queen of The Dryadarans, and she's also far more powerful than her own people: in addition to being a a natural-born fighter and nature lover and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, but she was also born with colossal green angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers, and just like Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet The Draconicarans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of male Dryadarans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy. Dana Dryadara came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and all the powers of The Dryadarans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him even more immense and incredible powers passed down from the ancient warriors of her planet throughout the eons, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, libido, and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the Googol of Vigintillions of male Dryadarans into his body gaining gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal

Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and finally, Lincoln absorbing Dryadara and its core into his body and Dryadara's Sun into his body to preserve their legacy. Lincoln made her a powerful nature greatsword forged in nature's flames and has the power to suck the energy out of the guilty and give it to its wielder and forger, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to use the power of Dryadara to entomb them all in trees for eternity

Nico: The only Dryadaran Lincoln knows all too well, but why is she looking like she had...! Oh boy...! You didn't?!

Anna Anyanova: She did, and last night after Lincoln absorbed the Googol of Vigintillions of male Dryadarans including her father into his body gaining gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, plants, life energy, nature spirits, trees, wood, flowers, all the powers of the animals in The Animal Kingdom, the immense omnipotent powers of all the Dryads times infinity, seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln and Lori: Anna...!

Lori: Still, usually she'd be waiting at The World Tree Estate after we come back from your rescue.

Dana Dryadara: Nope, I chose to wait for him after my father and the other male Dryadarans sent the message to him, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Dryadara's Blessing of Divine NaturePower Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Dana Dryadara: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Allie Maxwell, Tyler Maxwell, Alexander Maxwell, Marlene Maxwell, and The NYPD Nightshift: Get a room, you two!

We laughed.

Me: I'm going to get some coffee with Carrie. Be back later.

Nico: Okay.

We went down to Earth and got some coffee.

We just left the coffee shop and got good coffee

Me: Hey Carrie watch this one. (YELLING) HEY CRACKHOUSE MINNIE! YOUR MOTHER SMELLS AS STUPID AND RANK AS A ROTTEN BUFFALOS BUTT AND YOUR HUSBAND HATES YOU BECAUSE SUCK AND YOU EAT CHUM! (ECHOING)

She screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. She falls onto the spiky conveyor belt's lever, which it turns on. Crackhouse Minnie falls onto the conveyor belt and it takes her to the rolling wheel with sharp corals on it. Crackhouse Minnie gets rolled on by the sharp corals, leaving her face bruised. Crackhouse Minnie gets pummeled by boxing gloves until she becomes liquid. The liquefied Crackhouse Minnie falls onto a seat. Four robotic arms grab her, stretch her and roll her up into a ball. Carrie White: That had to hurt!

Me: She had it coming

We came back.

We were having breakfast.

Me: I got an idea for a rescue for you, Nico. Take a look, I call it Project Jedi-Republic Exodus.

We saw what Project Jedi-Republic Exodus was, and it was divided into seven phases.

Phase 1: Rescue Mace Windu just as Anakin and Palpatine are about to kill him and then plant the energy explosive bomb inside Palpatine

Phase 2: Form millions of shadow clones of the ship and us and go all over the Galaxy and rescue all the Jedi and bring them aboard the ship just as Order 66 is activated including the Younglings.

Phase 3: Round up all refugees of the war including the Droids.

Phase 4: Remove the Inhibitor Chips from all the clones.

Phase 5: Kill all the Separatists before Anakin can get to them.

Phase 6: Rescue Padme just as she goes into Labor and bring all survivors to Earth.

Phase 7: Kill Darth Vader and Palpatine

Nico: (WHISTLES) Impressive one, J.D.

Lincoln: And there's one place we can do it: The Simulator.

Me: You said it.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Darth Vader and Palpatine!

Lincoln: Aha, and it appears those two are already on the move in The Simulator.

Caleb Maxwell: But, didn't we already get rid of Palpatine?!

Nico: In the real world, yes, but not in The Simulator.

Allie Maxwell: Count us in too. I've hated Palpatine for everything he'd done and what he did to Anakin in the film series.

Caleb Maxwell: He's a damn snake, and like all snakes, I'm gonna enjoy skinning him and Darth Vader alive!

Dana Dryadara: Seriously, is he always like this?!

Lincoln: That's only against evil villains, and watch out, he also curses a lot.

Krillin: Too bad you don't have a curse that muzzles toxic foulmouth psychos or give them a taste of their own medicine.

Caleb Maxwell: (Grabs the handle of his greatsword) What was that?!

But, he got a bucket of water dumped on his head.

Lincoln: That's for losing your temper again. Alright, let's finish breakfast and head to The Simulator to get rid of Darth Vader and Palpatine.

Me: Time to rid the galaxy of those two monsters forever.

We finished breakfast and headed to The Simulator to help Comet Stardust, Daylight Savings, Golden Charm, Apple Shine, Winter Breeze, Rose Lotus and Storm Hawk unlock their Rainbow Power and get rid of Darth Vader and Palpatine forever.

We were off

The U.S.S. Valorous Phoenix was flying through space in the Galaxy.

Nico: Captain's Log, Stardate 14273.4: The U.S.S. Valorous Phoenix is flying through the endless voids of space on its biggest rescue yet. Were with us on the ship.

Me: This is gonna be good!

Eli: And it'll be perfect for testing my new device for the ship. It's called a Force Cloak Generator. It can make us completely invisible to the Sith so they can't detect us.

He pulled out plans for it on a hologram.

Me: Awesome work bro!

Xenia: Will it work?

Me: We'll find out.

Nico: Yep.

Eli: Me and Lisa helped make it.

Qin: Wow! This will be amazing.

Obi-Wan: This is gonna be a really big mission.

Me: It sure is Master Obi-Wan.

Nico: Obi Wan, I want to thank you, Twin Masters, and your teams for coming

Obi-Wan: It's my pleasure Nico. It'll be good to have a team.

Me: It sure will.

Padme Amidala: I'm hoping we can rescue all the Jedi. Including all those poor Younglings that were killed.

Me: I know we will Padme. It's a daunting task but we can do it. Have faith. All will be well.

Camie: That is for sure.

Nico: I bet you're excited to see yourself give birth

Me: Nico that was a very traumatic time for her back then because Anakin almost killed her in cold blood.

Nico: Oops

Padme Amidala: Yes it was. But J.D. saved me and helped me.

Me: And I am going to do the same thing again. This time We'll have all the Jedi with us.

Camie: Yep.

Ahsoka: Yes it was.

Nico: It'll be like seeing yourself from another perspective

Padme Amidala: Yes it will. In a way.

Me: Yeah it will.

Nico: But J.D. you did it! You fulfilled the prophecy.

Me: No Nico. We ALL did it. We worked together and destroyed Opaline forever and destroyed the dark shadow she casted over Equestria and the world.

Twilight Sparkle (G5): J.D. and you all are true heroes of Equestria and you all have restored my legacy and brought me and my friends all back after 1,000 years of hibernation and for that I will always be grateful.

Applejack (G5): We all will Twilight.

Me: That's what friends do for everyone. We always have your backs.

Qin: That's for sure.

Rainbow Dash: (Crying)

Rarity: Rainbow Dash whatever is the matter darling?

Rainbow Dash: Oh it's just so touching and it was an amazing feeling.

Rarity: Oh Rainbow Dash it's okay.

Me: She gets choked up about stuff like this.

Nico: But there might be more recruits related to Equestria.

Me: There just might. But I know we'll find them.

Lola: We sure will.

Twilight Sparkle (G5): I know we will. But for now, thank you all.

Nico: No problem, Twi.

Me: We're just glad we've now seen the last of Opaline.

Xenia: Yeah no kidding. But seeing the planets align and the prophecy like that was really cool.

Lola: It sure was.

Qin: Yeah. I'm just glad we did it in time and we won't have to wait another 500,000,000 years for it

Me: Me too.

Cosmic Nebula Sparkle: Yeah no kidding there. But my liege you did it. I'm so proud of you.

Me: Thank you Cosmic. It was great.

Nico: It sure was

Me: Yep.

We saw on the screen the red sun of the Coruscant System.

Nico: Coruscant System dead ahead.

Me: Okay time for phase 1. Eli activate Force cloaking and activate Cloaking of the ship. Charge up transporters to maximum power.

Sakura Haruno: Aye sir!

Nico: Red alert!

The battle stations were ready just in case.

The ship was cloaked and the Force Cloaking system was activated.

We arrived at Coruscant.

We were invisible and the ship will not be seen by anything or sensed by the Force.

Ymir: So that is Coruscant.

Me: Yep.

Nico: Let's not forget Twilight's Akuma

Me: I know. She was a heartless friendless witch. And we parodied a scene of the Wizard of Oz too.

Twilight chuckled from that.

Apple Shine: I thought that was really amazing.

Nico: It was. Okay J.D. you're in command of the first 6 phases of this mission. It was your idea after all.

Me: Okay then.

I sat in the chair.

Me: Okay lock transporters on to Palpatine's office.

Eli: I sense Mace Windu and Palpatine fighting. Kit Fisto, Saesee Tiin, and Agen Kolar Are hanging on.

Me: Ready sick bay. Stand by.

I formed a phantom energy bomb no bigger than the point of a pin on my finger.

Nico: What is that?

Me: My little surprise for Palpatine in the end. This is a Phantom Sith Genocide Bomb. When I fire it, it will phase into Palpatine it will attach itself to his heart and on my command it will explode and obliterate all traces of the Sith from the Universe forever and banish them all to the Black Abyss.

Nico: WHOA! That is deadly!

Qin: Yeah!

Me: Yep.

Nico: Flash, get ready to extract them. You'll be a very important part of this rescue

Flash: You got it.

Eli: Windu has Palpatine pinned down! Anakin is going to strike!

Me: NOW!

The transporters activated and then...

ZING!

Mace was beamed on board and Flash teleported and grabbed the Wounded Jedi!

I fired the energy bomb and it went into Palpatine with no one not even him suspecting a thing!

Me: Bingo!

Nico: Is it in him?

Me: Yes. My command is a snap of my fingers. The bomb is set. Phase 1 complete.

Eli and Flash got Kit Fisto, Saesee Tiin, and Agen Kolar to Sick Bay.

Flash: You guys okay?

Kit Fisto: Thanks to you.

Saesee Tiin: We owe you.

Eli: I'll help you guys. Hang on.

He used his healing and saved them all.

Me: Good work. Now this is the big one. Lets proceed with Phase 2.

Nico: To rescue all the Jedi before Order 66 can be activated.

Me: Yep. Flash, get the Younglings out of the temple! Fast! Rainbow Dash, Sonic, Speed masters, help him out!

Rainbow Dash: You got it!

Flash: On it!

ZOOM!

Rainbow Dash, Sonic, Speedy Gonzales, Roadrunner, Quicksilver, Dash and all the speed masters went and did so.

In the temple, Vader met the younglings.

Vader: I don't know how Mace Windu and the others escaped. But I can at least kill you all!

ZOOM ZOOM ZOOM ZOOM ZOOM ZOOM!

The younglings were saved.

Me: Awesome!

Nico: Thank goodness.

Me: HA! Nice try Vader. You're too slow for us.

They came back to the ship.

Me: Lets hurry! Time is of the essence! MULTI SHADOW CLONE JUTSU!

MILLIONS OF SHIPS AND US APPEARED ALL OVER!

Then we went out to the planets the Jedi were on.

TRAVELING FASTER THAN LIGHT WE WENT TO NUMEROUS PLANETS ALL OVER THE GALAXY!

Flash: Let's extract Aayla.

Me: She's on Felucia!

We got there and extracted her and Shaak Ti.

Me: Good!

On Cato Neimoidia we rescued Plo Koon

We rescued Ki-Adi-Mundi on Mygeeto, and Stass Allie on Saleucami. Additionally, Depa Billaba was rescued on Kaller, and Master Jaro Tapal in the Bracca system.

We rescued them.

Palpatine: It is time. The Jedi have betrayed us. Execute Order 66.

Flash: Remind me again why we don't let Anakin kill the Seperatists?

Nico: Because they were merely pawns of Palpatine's schemes like most of the Galaxy was.

Me: Yeah he fucking played both sides for fools.

Meanwhile Palpatine was smirking. But then a call came and it was one of the clones.

Clone: Highness the Jedi are nowhere to be found! They all just vanished.

Palpatine: WHAT!? How!?

Clone: We have no idea sir. They just vanished.

Palpatine: No matter.

We got all the Jedi on board safely.

Me: There. That's all of them.

Plo Koon: Who are all of you?

Me: Sorry to cause all this trouble Master Plo Koon. But we are Team Loud Phoenix Storm. We came from the planet Earth.

Ki-Adi-Mundi: I thought Earth was just a myth.

Me: Believe me. Earth is real and we are from there. We'll explain everything. Right now we got to rescue the refugees and the droids.

Nico: The Separatist droids?

Me: No droids like R2-D2 and C-3PO.

Nico: Oh that makes sense.

Me: Yep. Phase 2 complete. Lets proceed with phase 3.

We got to work in rescuing the refugees.

Nico: Besides, why waste good MOE member candidates?

Me: That's a good idea. We can seal them into the Book of Vile Darkness.

Qin: Yeah.

Mace Windu: You all saved us just in time.

Me: You're welcome Master Windu. But we should tell you all what's going on.

Eli: Palpatine has double crossed you all. This was his plan from the beginning.

We told them everything and it was shocking!

Mace Windu: We should've seen the signs Skywalker was showing.

Yoda: Troubling it was.

Eii: Palpatine played all of you and both sides for fools.

Aayla Secura: (French Accent) We owe you all big time for saving us.

We got refugees from all over onto the ship.

Me: There. Phase 3 done. Now for the 4th phase.

Nico: Remove the Inhibitor Chips from the clones and give them normal lives.

Mace Windu: What are the Inhibitor Chips for?

Me: Take a look at this.

I showed schematics of them and how they were implanted into the clones brains and how they had 150 Contingency Orders encoded into them.

Me: Look at the one highlighted in red.

It showed Order 66.

Mace Windu: (Reading) "In the event of the Jedi attacking the Supreme Chancelor, all Jedi are branded as traitors and all clones are instructed to execute them with no hesitation"

THEY GASP!

Shaak Ti: My God. Fives was telling the truth!

Mace Windu: I can't believe it.

Me: Yeah. This was Palpatine's endgame. He was to kill all of you so that he can form his empire without any opposition from the Jedi.

Qin: Gets worse. Palpatine turned Anakin to the Dark Side of the Force and he was about to kill the Younglings in the Jedi Temple.

Xenia: We intervened and saved them all.

Yoda: (Sighs) Safe they are thank goodness.

Shaak Ti: Wait. Where is Master Kenobi?

Me: He's heading to Mustafar with Padme. Anakin is on his way there. First we got to get rid of those chips.

Shaak Ti: How do we do that without killing them?

Qin: That's going to be easier said than done.

Eli: I know how we can do it.

He pulled out an Electromagnetic Field Generator.

Eli: Electromagnetic field generator. This will cause the Inhibitor Chips to malfunction and destroy them harmlessly.

Me: Good idea bro!

Eli: Thanks!

Nico: I'll beam the clones into the ship hangar and then we can turn it on.

Me: Okay. Go for it.

Flash: I'll gather them in one place

Nico: Okay.

Me: I'll take us to Mustafar.

They went to the Hangar and Nico snapped his fingers and got all the clones there. 6.2 million of them. Flash gathered them all together in one spot!

Eli: Here we go.

He activated it and then a dome of electromagnetic energy appeared and then the chips malfunctioned and were destroyed.

Nico: There!

The clones were back to normal.

Nico: Phase 4 done. Lets proceed with Phase 5.

Me: Right.

We arrived at Mustafar!

Me: Planet Mustafar.

Flash: This place is always hot.

Me: Yeah. Mace, Yoda, after the Separatists are dead we need to talk about something very important in the Jedi.

Yoda: Understood we do.

Me: Anakin's ship is 10 minutes from here.

We engaged the cloaking.

Nicole and Flash went down and ran and flew into the castle on Mustafar!

They appeared in front of them.

Nicole: Hello Separatist buttfaces!

Flash: You guys got a choice. Book of Vile Darkness or Crazy Anakin kills you

The Separatists went at them and

Nicole and Flash bashed them all and sealed them into the Book of Vile Darkness.

Nicole: There! Dad Phase 5 complete.

Me: Roger that. Return to the ship and we'll wait for Phase 6. Padme and Obi-Wan are coming. 45 minutes.

They nodded.

Just as they got on the ship, we saw Anakin's ship enter the atmosphere of Mustafar.

Me: That was a close one. Thank goodness he didn't see us.

Anakin arrived but saw the place empty.

Anakin: They're gone. Did the Chancellor vaporize them already?

Back with us we were talking.

Me: Okay now. Master Windu, Master Yoda, In my opinion, I think every Jedi should have attachments and feelings of love for those they care about and love. They aren't a hindrance. They only make you stronger. Bonds and friendship make you great in strength and power especially to those you care about.

Eli: He's right. When I became a Jedi, I had very strong feelings myself to Nunnally and my feelings for her made me stronger. My friends and my family and my brother too.

Mace Windu: (sighs) And you really think it's because of this rule that Palpatine comes to power?

Flash: Want us to be very honest?

Me: In all honesty, no. Palpatine rose to power because he was exploiting your arrogance in the old ways of the Jedi as Master Yoda knows. The Jedi were meant to be Guardians of Balance and peace and unity and stride to balance light and darkness. Not warriors of the light. They are to serve the people of the galaxy. Also friendships and those you love and protect are not a weakness. They are the greatest bonds and power of all. Look where it got us.

Eli: Search your feelings great masters.

They did so and knew we were right.

Yoda: Right you are. Realize that I was following the ways of the old. Changing Galaxy I didn't take into account.

Mace Windu: We should take up new principals and make friendships and love as part of us.

Shaak Ti: Assuming we all live through this

Me: Don't worry. You will.

Camie: Here comes Padme's ship.

Me: Standby Phase 6 everyone.

We waited for the right moment.

We magnified the scene on the screen and saw Padme and Anakin there.

Vader: Padme, I need to know where all the Jedi are

Padme: I don't know where they are. They all disappeared. But Ani you're breaking my heart. Don't do this. I love you.

He saw Obi-Wan and was enraged!

Vader: LIAR!

Padme didn't know!

Vader: YOU'RE WITH HIM! YOU BROUGHT HIM HERE TO KILL ME!

Just as he was about to use Force Choke on her...

Me: NOW!

She was beamed on board our ship!

Just as she got on board her water broke!

Me: (GASP) Her water broke! Delivery room! NOW!

We took her to the Delivery Room on board the ship!

We got her in there and she was crying and screaming.

She is giving birth and is screaming.

Padme: Anakin, help me! Help, Anakin! Anakin, I love you. I love you! (CRYING)

Me: Hang on Padme!

I went into the delivery room in sick bay!

Ahsoka Tano: YEAH!

Ahsoka too.

Obi-Wan: Don't give up, Padme.

I was with her and holding her hand.

Me: Hold on Padme, you're going to be okay.

I was channeling my energy into her and helping her.

Padme winces from the pain. The Medical Droid is holding a baby boy.

Medical Droid: It's a boy.

Padme: Luke...

Padme can only offer up a faint smile. She struggles to touch the baby on the forehead.

Medical Droid:...and a girl.

Padme:...Leia.

Me: They are adorable PAdme.

R2-D2, C-3P0 and Bail Organa watch from an adjoining space.

Obi Was leans over. Padme and softly speaks to her.

Obi-Wan: You have twins, Padme They need you... hang on.

Padme: I can't...

Me: Yes you can Padme! Don't give up.

I helped her. I channeled some of my energy into her.

She was exhausted but she will make it.

Me: She'll be okay.

Nico pat my back

Nico: You did good.

Me: I had to. Padme you are going to be weak for a while. But you need your rest.

Qin: Yeah.

Flash: We need to bring her to Earth.

Me: Wait lets tell her.

She saw all the Jedi masters and the Jedi all safe.

Padme: You're all safe. But how?

Me: Really nasty story.

We told her everything and how Palpatine used them all from day one.

Padme: Oh no.

Me: Palpatine played all of you for fools.

Padme: Oh no.

Eli: He's coming here.

Me: I sense it. Lets get ready.

Nico: Right.

We beamed all the Jedi and Padme to Earth. I had Padme placed in the nursery to rest. I told her we would be back and if she needed anything to let us know.

Me: There. They are all safe.

Nico: Well done J.D.

Lincoln: Alright, guys, this is it, now that we've completed six of the seven phases of Project Jedi-Republic Exodus, it's time for the final phase, we're going to help Comet Stardust, Daylight Savings, Golden Charm, Apple Shine, Winter Breeze, Rose Lotus and Storm Hawk unlock their Rainbow Power and get rid of Darth Vader and Palpatine forever.

Nico: This had been a long time coming for them.

Me: This time, we rid the universe and galaxy of Darth Vader and Palpatine forever.

Caleb Maxwell: They're going to die a slow, horrible, and bloody death at our hands!

Eli: Those two, I don't understand why they have to be violent, and Caleb's back to being violent.

We landed on Mustafar.

We saw Obi-Wan and Anakin dueling on the rivers of lava.

Me: Looks like I was right.

Flash heard a Pokémon cry.

Flash: Hey look!

We saw an Accelgor.

Me: An Accelgor! Wow!

Flash: Awesome.

Accelgor: This place is hot.

Flash: I know.

Flash gave it apples.

Accelgor: Thanks.

He ate them.

Accelgor: Ahh that was good.

Flash: You're welcome. Want to come with me?

Accelgor: I would be honored.

Me: Awesome.

Then we saw a Y-Wing Starfighter land.

Me: Is that a Y-Wing? Whoa!

Then it cockpit cover opened and out came a shark girl with blue pants and brown shoes!

Me: WHOA!

Ann Scott: Ann Scott A.K.A. Jettjaw, Ace fighter pilot and sea pilot and starfighter pilot.

Me: WHOA nice to meet you. Is that Y-Wing yours?

Ann Scott: It sure is. I found it in the junkyard and rebuilt it and made it my own.

Me: Wow! That took a lot of work.

Nico: Are you Anabel's sister?

Ann Scott: I sure am. Jillian and Irena's sister too.

Me: That is cool! Also you're half Mako Shark.

Ann Scott: I sure am and it's cool.

Qin: Wow!

Me: What were you doing before you got gene-slammed?

Ann Scott: I was building new fighter planes for us to use against Paradigm

---

She was working on the garage and building stealth planes and more. Then she injected herself with Mako Shark DNA and then doubled over in pain and she turned into HALF MAKO SHARK!

She continued working hard.

FLASHBACK ENDS

Ann Scott: It was painful but worth it.

Me: Wow.

Horsea: Your hobbies?

Ann Scott: I like building ships in bottles.

Me: Cool.

Qin: Yep.

Me: Want to revert back? You can transform at will.

Ann Scott: I would like that.

Me: Okay.

I put on my blind man glasses.

Nicole: EYES TO YOURSELVES PERVERTS!

Nico: Let me do it. You have that bomb in Palpatine. (SNAPS FINGERS)

She reverted back and was a girl with Brown hair and brown eyes and had the Tidal Fangs Symbol on her arm and had a Mako Shark on her forehead.

We wrapped her in a blanket and brought her over.

Me: There.

She breathed heavily.

Ann Scott: Wow! That hurt.

Me: I know.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new brown clothes and a red scarf as well as a wind sword.

Ann Scott: I look amazing. (SCREAMS) Whoa! Why does my back feel so heavy?

Me: Your wings came in.

She saw grey angel wings.

Ann Scott: Oh wow! I have my own wings!

Me: Yep.

Poromon: You should be proud.

Me: Yep.

But then...

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

I got slapped all over the place by something all over my face!

Then I crashed onto the ground!

FWOMP!

Me: OW!

I saw a Poliwag!

Me: What the? Another Poliwag?

Poliwag: Another of my brethren!

Nico: We need to meet more of the little ones

Me: You're right. But OW! That one packs a wallop!

Nico: No kidding!

Sheena: That Poliwag is actually someone May knows. It's Serria Soba.

May: (GASP) The Noodle Queen Master! (DROOLS) I MISSED HER NOODLES!

Manaphy: Are they really that good Mama?

May: The best ever Manaphy. You didn't have them before because you didn't meet her.

Manaphy: Maybe we can have them for lunch

Poliwag approached her

Poliwag: Poli poli poli.

She talked to him.

Poliwag: Oh man! She hasn't seen May since the Wallace Cup.

Me: Wow! We better help her.

May: Good idea.

We went over to her.

May: It's okay Serria.

She slapped with her tail.

I blocked her strike and knocked her down.

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had blue angel wings and had Poliwag on her forehead and a bowl of ramen on her arm with a blue ribbon on it as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke as Poliwag went up to her.

Serria Soba: (Groans) Man what hit me?

Poliwag: Are you okay Serria?

Serria Soba: A Poliwag that talks!? Whoa!

Nico picked him up.

Nico: Poliwag is my Pokemon.

May: Serria? You okay?

Serria Soba: May!

She hugged her!

Serria Soba: Awesome to see you again! And who is this with you?

Manaphy: I'm Manaphy.

May: Manaphy is mine. I hatched her from an egg.

Serria Soba: Wow! Pleasure to meet you Manaphy. I heard legends about you.

Manaphy: I get that a lot.

Me: Also you were turned into a Poliwag by Dark Gale.

Serria Soba: Oh man! I was working in my restaurant when it happened.

Nico: And you slapped me with your tail

Me: Actually she slapped me.

Nico: Oh sorry.

Serria Soba: Sorry about that. I can tell it hurt.

Me: And then some.

Serria Soba: Whoa where am I?

Me: You're on the volcanic planet of Mustafar.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and a water sword.

Serria Soba: I look great.

Me: You sure do.

Nico: My bad. She tried to slap me with her tail but you blocked it

Me: Yes I did.

Serria Soba: Fast reflexes.

Qin: Yep.

Nico: Guys, I think Obi Wan might actually lose

We saw Palpatine's ship land too on the opposite side

Me: Perfect timing.

Lincoln: (Sensed for Darth Vader and Palpatine) AHA! Gotcha, you bastards! I just sensed Darth Vader and Palpatine, they're 20 yards away, and he and they're coming after us!

Caleb Maxwell: Tyler, Alexander, Allie, come on! Let's tear those two assholes apart!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLES!

They flew after Darth Vader and Palpatine!

Ataru Moroboshi: Not again! Hey, bastards! You're gonna get it when we get after you!

Lincoln: Calm down, Ataru. That'll be left to Setsuna, Shiki, and Tamaki to restrain Caleb, Tyler, Alexander, and Allie, and we know this always happens when those four get violent. In any case, let's get going to kill Darth Vader and Palpatine.

I fired a blast of energy and blasted them both!

Palpatine and Anakin saw us!

Me: It's over you 2!

Darth Vader: Who are you!?

Me: We are Team Loud Phoenix Storm, you've worst fucking nightmare!

Darth Vadar: YOU! YOU SAVED ALL THE JEDI!

Palpatine: (GROWLS) Damn you all, Team Loud Phoenix Storm, you were the ones who did this!

Me: We show no remorse whatsoever, Palpatine! You've harmed too many innocent lives for the final time!

Nico: And now, you're gonna get what's coming to you and Darth Vader, and that is death!

Darth Vader: Even if you have gotten that strong, you are still no match for The Dark Side

Caleb Maxwell: Oh, shut the Hell up already and just die!

CALEB MAXWELL GOT OUT HIS GUNS, AND...!

BANG!

CALEB MAXWELL FIRED TWO BULLETS: ONE HIT DARTH VADER IN THE STOMACH AND THE OTHER HIT PALPATINE IN THE STOMACH, AND THEY SCREAMED IN PAIN!

Lincoln: That's right. Today, this is where you die, Palpatine and Darth Vader.

Me: Anakin how can you be so fucking stupid!? This madman here is just using you! He poisoned your mind with lies and made you into the very thing you swore to destroy!

Nico: That's right!

Darth Vader: Don't you understand?! Even if Palpatine WAS using me, the Jedi are still corrupt!

Palpatine: That's right.

I fired an energy blast and knocked him down!

Me: You will speak when we're done here.

Darth Vader: Where is Padme?

Me: She's on Earth!

Darth Vader: Earth!? Earth is a myth.

Me: No it's not. It's a real place. Also for the record, all the Jedi are not the evil ones. It's you and this asshole that turned you into this monster! We saved all the Younglings. We went to all the planets and got the Jedi to safety. We destroyed the Inhibitor Chips, we saved all the refugees and even got Padme to safety before you hurt her! And there's more. She gave birth to twins. A Boy and a girl. Luke and Leia.

Darth Vader: Well, what's your excuse for saving the Seperatists?!

Nico: They did many crimes. No argument there. But why waste good MOE candidates?

Darth Vader: Whatever helps you sleep at night!

Me: You should tell yourself that! Also those nightmares you had? Palpatine is behind it all! He made you have them so he could bend you to his will and get you to succumb to the Dark Side!

Eli used the Force and grabbed Palpatine and held him in place and made sure he couldn't attack or move.

Me: Tell him the truth Palpatine! Tell your Apprentice everything!

Palpatine: What is there...

Eli used Force Choke on him.

Palpatine: All right! All right! I did it all.

Eli: So we all can hear you!

HE SANG LIKE A BIRD AND TOLD EVERYTHING AND HOW HE PLAYED EVERYONE FOR FUCKING PATSIES AND MADE SO MANY PEOPLE SUFFER AND MORE! AND HOW HE USED THE CLONES TO TRY AND KILL THE JEDI AND MORE AND TRIED TO MAKE AN EMPIRE! HE EVEN PLAYED AROUND WITH ANAKIN AND ALL THAT!

THE JEDI ON EARTH AND EVERYONE THAT SAW IT COULDN'T BELIEVE IT! EVEN THE SENATORS AND ALL THE PLANETS HE RUINED WERE FLABBERGASTED IN HORROR! THEY ALL WERE FUCKING PLAYED WITH AND DUPED!

Palpatine: But it's still too late. Things will never be the same again!

Me: We'll see about that. The Sith's days are dead.

Nico: J.D. blow up all the Sith Planets.

Me: With pleasure. Computer, divert all available power to Superlaser Cannon Dynamo and charge up Superlasers to full power. Voice code: LTT9CV-12Ω.

Computer: Voice Code Acknowledged and confirmed.

The Superlaser cannons at the estate were charged up and ready to fire!

Me: Target planets of the Sith, Exegol, Ziost, Khar Delba, Rhelg, Krayiss, and Korriban And fire.

The superlasers fired and blasted all the Sith planets!

NUMEROUS MASSIVE FIERY HUGE EXPLOSIONS!

Palpatine: NOOOOOOOOOOOO!

Me: Now we end this!

Eli: Anakin Skywalker in the Name of the Galactic Senate and the Republic, (Ignites Lightsaber) You're under arrest!

Accelgor charged at Palpatine and bashed him down.

The previous group used their Keyblades and blasted Palpatine down!

Poliwag: Lets get him!

Serria: With pleasure!

Poliwag and Serria: POLIWAG SUPER SLAP BASHER!

They bashed and smashed his face in all over!

Eli held his blade to Anakin's neck.

Eli: Don't even move.

Flash: And I contributed greatly to this plan

Qin: You sure did.

Palpatine then fired a blast of Force Lightning!

Lincoln, me and Eli and the lightning users fired back!

Nico teleported behind him and punched him in his head!

POW!

Nico teleported back as Palpatine was blasted all over with our intense lightning!

We electrocuted him intensely!

HE SCREAMED IN AGONY AS HE WAS BEING FEROCIOUSLY ELECTROCUTED!

He was slammed into a wall and was knocked down,

Me: How does it feel Palpatine?

We stopped.

Me: That is just for starters.

Poromon pecked him.

POINK POINK POINK POINK POINK POINK!

Poliwag slapped him with his tail.

Poliwag: WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Hippowdon: CANNONBALL!

KRASMASH!

Hippowdon smashed onto Palpatine's back and crushed him!

Manaphy headbutt him!

SMASH!

Horsea squirted ink into his eyes.

Tentacool fired waves of lasers.

Jirachi summoned anvils and bashed him.

Mevya hopped over to him.

Mevya: SMELLOGRAM!

LOUD NASTY HORRIBLE BELCH!

He belched into his face!

Mevya: My burps smell worse than the raw sewage dumps of Raxus Prime!

Me: YUCK!

Gatomon: (Echoing) LIGHTNING PAW!

SMASH!

She punched him in his face!

KRASPLAT!

Mevya then drenched Gatomon in sludge!

Mevya: COME AND GET ME STINKY!

Gatomon opened her mouth wide!

But then...

SMOOCH!

Gatomon got kissed Bugs Bunny style by Mevya!

Gatomon's eyes widened!

Me: Okay that is funny!

Camie: YEAH!

Varie: Yep.

Gatomon then got so mad she tooted like a steamwhistle!

She went after Mevya!

Gatomon: Get back here!

Mevya: NA NANANANA! YOU CAN'T GET ME!

ZOOM!

They ran all over the place.

Kari glared at Kevin.

Kevin: (to Kari) Don't look at me like that. Gatomon started it

They grabbed them.

Me: Okay guys that's enough. We have a fight to do.

Mevya: Oh right.

Gatomon: Sorry. (To Mevya) BUT THIS ISN'T OVER FISHLIPS!

Mevya: WHO ARE YOU CALLING FISHLIPS CATBUTT!

Gatomon hissed at him

Mevya: Oh hiss to you too!

I punched Palpatine!

Then he got out 2 LIGHTSABERS and they were red bladed!

I got out a new hilt and ignited it and it was a RAINBOW BLADE LIGHTSABER!

OBI WAN GASPED!

Obi Wan: A Rainbow Blade Lightsaber! I thought it was just a myth!

Eli: It's REALLY and Extremely rare. A Kyber Crystal for a rainbow blade can only be acquired for someone who is REALLY PURE of heart.

Qin: WHOA!

Xenia: Amazing!

Eli: And it's 100,000 times more powerful than a normal lightsaber as well as a Sith Lightsaber.

I clashed with his lightsabers and sparks were flying all over the place! I slashed Palpatine and cut his Lightsabers and destroyed one and knocked the other one out of his hands!

Nico: WHOA! That is amazing and powerful!

Eli used the Force and grabbed the other lightsaber.

Nico: Who gets that one?

Qin: One of the Goths.

Core Will-O-The-Wisp Addams: I will take it.

She took the hilt.

Me: Nice.

Palpatine fired Force Lightning. But my Lightsaber blocked the lightning and formed it into a massive ball of energy!

Darth Vader was shocked seeing this! Same with Obi Wan!

Nico: WHOA!

I then fired it back at Palpatine and it was too fast for him to dodge and it slammed into him and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INCREDIBLE POWER!

When the smoke cleared, Palpatine got up and he had a HUGE HOLE IN HIS CHEST AND HIS BLACK HEART WAS EXPOSED AND THE BOMB WAS ATTACHED TO IT!

Nico: There's our bomb!

Darth Vader saw this and was enraged even more!

Darth Vader: YOU PLANNED ALL THIS! I WILL KILL ALL OF YOU!

Me: I don't think so.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Darth Vader and Palpatine and attacked them with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Darth Vader and Palpatine, and they collided and exploded as they hit them, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

Inside a rainbow sphere with intense flames and elemental forces, Comet Stardust, Daylight Savings, Apple Shine, Rose Lotus, Winter Breeze, Storm Hawk, and Golden Charm underwent an intense and amazing transformation! Comet Stardust, Daylight Savings, Apple Shine, Rose Lotus, Winter Breeze, Storm Hawk, and Golden Charm had Rainbow Flame patterns and rings appear on their sides and obliques and rainbow sun and moon on their shirts and they also gained intense rainbow flame patterns and rainbow flames and leaves on their forearms, they also got rainbow lines on their hair. They then had their Cutie Marks change into many rainbow elements, and their massive angel wings had intense rainbow fire on them.

COMET STARDUST, DAYLIGHT SAVINGS, APPLE SHINE, ROSE LOTUS, WINTER BREEZE, STORM HAWK, AND GOLDEN CHARM UNLOCKED THEIR RAINBOW POWER!

We went into space.

Me: Say hi to Dooku for me... In hell! (SNAPS FINGERS)

We got out of there fast and Then Palpatine violently convulsed and seized and the energy bomb converted all of his Dark Side Force Power into energy and then he glowed intensely and then...

EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION OF UNIMAGINABLE SUPERNOVA POWER!

There was an intensely powerful fiery explosion so devastating and so powerful that it sent a massive energy blast all over the universe spreading like wildfire with intense speed and it eradicated all of the Sith forever!

They were both killed for good and they were sent to The Black Abyss. We cheered as we holstered our weapons and powered down and we exited The Simulator.

Me: With this, Project Jedi-Republic Exodus is complete!

Nico: And so ends Order 66.

Me: Good fucking riddance.

Nico: That was really awesome!

Eli: And that was one intense seven-phase battle we had.

Lincoln: You said it, but that was still awesome.

Travis Tackett: Yep. But, the really scary part was when Caleb got his entire family involved again! I still can't forget the mess they made destroying The Separatist Droids, and I thought the mess they made in 1985 at the family reunion was ugly!

Cage Blunt: No, the mess at the family reunion in 1995 was uglier. I didn't want to say it, but Caleb, your relatives trashed every inch of Manhattan in another drunken rampage against Drake and his thugs, even though you were still with my Dad and I, you got the news from some old informants of yours, and they almost would've gone to jail for it if one of the Watchers hadn't stepped in and wiped the cops' memory of that.

Jack Howard: And that was my memory of that night they wiped clean!

The Watchers only stared at him.

Cage Blunt: They were doing their job, Jack, since Caleb and his family are also our family.

Nathan Maxwell: He's right, we may be Hellraisers, but we have honor and we fight to protect the weak.

Caleb Maxwell: And it's the fault of Dad's horseshit relatives, they've been nothing but demons and monsters for years, and we can't forgive them not then, not now, not ever!

Maria: Seriously, you guys are gonna hold that grudge against them?

Lincoln: It's been engraved into their blood since 1946, and that's the reason why they don't deserve any forgiveness from anyone, the only good one was Caleb's dad.

Nico: It wasn't his fault he got caught in it, he tried his best to cut all ties to his family, but those sewer roaches ruined his life.

Me: And ruined their family.

Caleb Maxwell: But, they paid the price for it months ago when Claw Dane Drake had them and Drake captured and we killed them.

Lincoln: And sent their butts to The Black Abyss.

Qin: Yeah!

Accelgor: That was so fun!

We went to the park to rest.

Me: Whew!

Camie: Ahh.

Nico: Nice job, Accelgor.

Accelgor: Thanks Nico. That was fun and awesome.

Qin: Yeah!

Poromon: Want some beer?

Accelgor: Oh no thanks. I don't drink.

Serria Soba: I'll have some.

Poromon: Okay!

Poliwag: YAY!

She took it and drank it.

Serria Soba: Ahh. (BARNEY GUMBLE BELCH)

WE LAUGHED!

Me: Accelgor won't drink but Serria will!

Qin: YEAH!

Poliwag did puppy eyes to Accelgor.

Poliwag: Pwetty Pwease?

Nico: Poliwag that's enough.

Accelgor: Nice try pipsqueak.

Poliwag: HEY!

Poromon: We're making toast later.

Ed: Buttered Toast!

WE LAUGHED!

Eddy: (LAUGHS) You got Lumpy going!

Poromon: Whatever toast you guys want

Me: Cool!

Qin: Nice!

Me: For Ed it's buttered toast.

Ed: Buttered toast!

WE LAUGHED HYSTERICALLY!

Nico: Obi Wan, this might sound silly but what do you like to do in your free time?

Obi-Wan: I haven't thought about it. I spend most of my time training the Younglings in the Jedi Temple.

Me: That's understandable.

Qin: Now that Palpatine and the Sith are gone, got to keep the next generations of Jedi coming.

Xenia: Yep.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Aha, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another James.

James: Another Me? I have my day to shine!

Lincoln: (Thinking) This means Jessebelle's at it again, well, we better be ready for her!

Me: So Obi-Wan Kenobi, Padme Amidala, Adi Gallia, Plo Koon, Qui Gon Jinn and Avar Kriss are up and we're facing Another Universe 666 Twin Masters, Daughters of Aku, Jazz Dopant, Spider (DC Comics), Rancor and Banana Phantom Carbane.

Qin: Yep.

Nico: There they are!

We saw Another Daughters of Aku, Jazz Dopant, Spider (DC Comics), Rancor and Banana Phantom Carbane.

Me: Oh boy!

I smelled Champagne!

Me: Champagne?

Nico: Uh oh.

They reverted back and it was the gene-slammer of Foaming Beauty - Champagne!

Nico: Catherine Champagne!

Catherine Champagne: (Singing) (SLURRED SPEECH) NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM! NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM! NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM!

Nico: That was funny.

Catherine Champagne: Give me some (HIC) (FART) Love baby!

She then kissed me and then smothered my face with her huge breasts.

EVERYONE THOUGHT THAT WAS FUNNY!

Catherine Champagne: (Drunk) Oh look who it is! (POW!)

She punched me.

Me: OW! What the heck was that for!?

She then slapped my all over with her hands!Poliwag then slapped me with his tail!

WHAP! WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Me: HEY!

Catherine Champagne: (DRUNK) COME HERE YOU SON OF A BITCH!

WHAP!

Catherine Champagne: (CRYING) WHY DO YOU ALWAYS CLOSE YOUR EYES WHEN YOU MAKE LOVE! (CRYING)

Me: Boy and I thought Barney Gumble and Marge both get this bad whenever they are drunk.

She then fired bubbles into my mouth!

Catherine Champagne: (Drunk) HAVE A DRINK (HIC) BUB!

I spit them out and gagged and coughed!

Me: (SPITS) OH YUCK!

She then kicked me in the crotch!

DING!

Me: (SINGING IN OPERA NOTE)

Catherine Champagne: (Drunk) YEAH SING YOU BUTTKISSING BUTTHEAD!

Me: (SQUEAKING LIKE A CHIPMUNK!) THAT REALLY HURT!

THEY WINCED FROM THAT!

But then...

LOUD NASTY HORRIBLE AND GROSS FART!

SHE FARTED IN MY FACE!

Me: (COUGHING AND GAGGING) OH SICK! YOUR FARTS SMELL LIKE ROTTEN CHAMPAGNE!

Nico: You ok?

Me: I'll be fine.

Catherine Champagne looked at me again.

Maria: Uh oh.

Catherine Champagne: Take this you Team Rocket jerk!

She fired a Bubble blast and I ducked and it hit a tree.

Catherine Champagne: Time for me to drive my car!

Ransack: I'm sorry, what?!

She got on Ransack!

Catherine Champagne: (Singing) I like driving in my car. (FART FART FART FART FART FART FART!) It's no kind of jaguar! (FART FART FART FART FART FART FART!)

Poromon: Yay!

Me: Okay you've had enough to drink. We'll ask the mandatory question later.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Catherine Champagne: (Groans) What the? My head! What hit me?

Me: You had too much to drink and you did crazy drunk stuff to me.

Poliwag: And we love you for it

Catherine Champagne: I know.

Rei Miyamoto: HEY! NO FAIR YOUR BREASTS ARE BIGGER THAN MINE!

Catherine Champagne: I get that a lot.

Me: You sure like drinking Champagne.

Catherine Champagne: I love the stuff.

Me: Geez. By the way are the rest of the Anothers friendly or Hostile?

Catherine Champagne: Oh friendly.

Me: Okay.

Nico: And now we wait.

Me: We don't have to wait long.

We saw Another Universe 666 Twin Masters and James!

Me: WHOA!

Qin: Too bad there isn't Another Jessie too.

Lola: Darn shame.

Another Universe 666 Twin Masters: (In a girls voice) This will be fun.

Camie: Yeah.

Sakura Knudson: That explains why he was like that.

Me: YEAH!

Nico: Ling, I forgot yesterday. Who do you feel is your sibling. Qin, Fei Long, or Chun Li?

Me: Oh we forgot to ask that didn't we?

Ling: Yes we did. I view Chun Li as one. She is now teaching me her skills and moves.

Qin: Like how I was taught too.

Me: Cool! And you both are from China so that's fitting too.

Chun Li: It sure is.

Poromon: Sorry we forgot.

Nico: No worries

She reverted back.

Delia Darkbright: That's right. Good to see you Nico. I got this. DARK FLASH!

She fired an intense blast of darkness lightning and it hit the Anothers and destroyed them and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Delia Darkbright: Thanks. That was fun.

Qin: It sure was!

Padme: Do you have any good memories of Nico?

Delia Darkbright: I sure do Padme and you're one of my heroes by the way. My favorite memory is when me and Nico went to the planet Coruscant and helped the Jedi battle crime lords in the lower city.

Me: Whoa that is cool!

Anakin: It sure is.

Nico: That was fun.

They hugged.

Nico: I've missed you.

Delia Darkbright: Me too Nico.

Nico: And J.D. you did really well in this rescue.

Me: It was fun and awesome. Thanks Nico.

We went back home.

His name is Lord Demonblood, the evil undead Akuma of Caleb Maxwell and the leader and creator of The Undead Evil Akumas, he looks like Caleb Maxwell in physical appearance, but the sclera of his eyes are blood red and his pupils are crimson red and he has all the powers of darkness, The Dark Arts, and all the powers of Hell at his command. The story of his creation began just like how Caleb's trauma began in 1979 when he was twelve and in his last year of middle school and the cause of it was Drake Maxwell, Caleb Maxwell's former ex-younger brother turned absolute lowlife, and throughout his four years of high school starting from 1980 to 1984, he'd been betrayed and made a damn fool of by false friends and he lost his innocence when The LaGuardia High Bloodbath began and he and a group of friends loyal to him had to kill all those who got turned into vampires in order to survive the night. Then, in the fall of 1984 and throughout 1985, as soon as he got into college, his nightmares got much worse than ever when Drake Maxwell sent thugs to kill him as revenge for kicking him and his dad out back in 1983 after discovering their secret of being part of The Syndicate, and Caleb was also betrayed yet again, this time, by those he once considered friends, and his future wound up getting ruined when Caleb killed Drake's two bodyguards in bloody rage, and the revelation of finding out that if he were to be out in the field, he would try to get revenge and kill his brother and father and the entire crime organization as his concept of law and order was destroyed forever, and as a result, Caleb Maxwell withdrew from the police academy reducing his future to ashes, and the unholy darkness he kept locked inside was about to come out. Finally, on Halloween Night in 1985, on the dark night of The Hallowshade Bloodbath, Caleb Maxwell was shot and killed by Drake Maxwell and Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, the four senior members of The Syndicate, and he died in a pool of his own blood. But, this would seal Caleb's fate as he rose from the dead in 1993, no longer as a man, but a bloodthirsty monster, a murderous demon drenched by blood and damned by neverending darkness and eternal hatred, and he'd sought to destroy everything in his path! This is the result of what would happen if Caleb Maxwell hadn't met Cage Blunt and Travis Tackett in 1984 and James Blunt in 1993 when Caleb was resurrected and who helped him regain that light in his life and his belief in humanity.

So, we're going to take down Lord Demonblood and drive a holy dagger crafted by God into Lord Demonblood's black heart which'll kill him for good, but as for his world's Caleb Maxwell, as soon as he sees what he'd done, the feelings that he'd long buried away forever would resurface, and in his guilt, he would take his own life, but not before giving us a list of evil Akumas he'd created, and they're the evil Akumas of Super Brother's enemies in his world A.K.A. the evil Akumas of Lincoln's enemies, who were brought back from the dead by Caleb Maxwell after his transformation into Lord Demonblood.

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in California, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're here to meet Penny Proud, along with her parents, Trudy Proud and Oscar Proud, her baby brother and sister, BeBe and CeCe Proud, and her grandmother, Suga Mama.

Lilo: I met them when they came to Hawaii, Penny's a good person, along with her parents and her grandmother. Plus, she laid quite the beatdown on Gantu.

Me: Wait, what?

Nico: She laid the smackdown on Gantu?! No way!

Gantu: It's true, she's a fan of wrestling and she's a darn good expert at it.

Max Goof: (Sees The Proud Family) Is that them?

We saw Penny Proud, along with her parents, Trudy Proud and Oscar Proud, her baby brother and sister, BeBe and CeCe Proud, and her grandmother, Suga Mama, but they're being attacked by a dark figure there. Suddenly, Super Brother recognized him: the person looked like Caleb Maxwell in appearance, but the sclera of his eyes are blood red and his pupils are crimson red: this was a demon from Hell.

Super Brother: Lord Demonblood...!

Super Brother fired blasts of holy light that caused this Lord Demonblood to jump into the air and he sprouted black demonic wings and flew off.

Penny Proud: No way, Team Loud Phoenix Storm, you're here! (Sees Lilo and Stitch) Lilo! Stitch!

Lilo: Hey, Penny.

They hugged her. Then, we headed into The Proud Family house.

Trudy Proud: Thanks for saving us from that guy, he was absolutely insane and crazy.

Suga Mama: I was that close to giving him a butt-whupping if he hadn't freaked out and did all those crazy monstrous noises.

Oscar Proud: Oh please, you would've driven him out by the hairs of your chinny-chin-chin!

Suga Mama threw a baby bottle at Oscar, but he ducked.

Oscar Proud: (LAUGHS) You missed, Mama!

CLANG!

She threw another empty bottle, but this time, it clunked Oscar right in the head.

Suga Mama: Heh, got you back!

Penny Proud: Anyways, we need help, I got a feeling he's gone after my friends, Dijonay, LaCienaga, and Zoey.

But, then, Dijonay Jones, LaCienaga Boulevardez and her family, and Zoey came in.

Sunset Boulevardez: No, he didn't, Penny, we got out of there as soon as he came after us after Team Loud Phoenix Storm drove him away.

Trudy Proud: That's good, Sunset.

Penny Proud: Thank goodness, but who was that?

Super Brother: It's time you guys know all about him.

Rainbow Firestorm Dragon Saiyan Angel: Remember when one of us mentioned about us ever dealing with an Akuma of Caleb?

We nodded.

Rainbow Firestorm Phoenix Angel: Well, you're right about that.

WE GASPED!

Green Firestorm Super Genius Coyote: I think it's best if we explain everything about him. Lincoln, if you would?

Super Brother: Got it.

Super Brother got out his sketchbook, and we saw who Lord Demonblood looked like: he looked like Caleb Maxwell in appearance, but the sclera of his eyes are blood red and his pupils are crimson red and he has all the powers of darkness, The Dark Arts, and all the powers of Hell at his command.

Me: Oh man! That's...!

Super Brother: This is our target, his name is Lord Demonblood, the evil undead Akuma of Caleb Maxwell and the leader and creator of The Undead Evil Akumas, he looks like Caleb Maxwell in physical appearance, but the sclera of his eyes are blood red and his pupils are crimson red and he has all the powers of darkness, The Dark Arts, and all the powers of Hell at his command. Wind Golfer: That's right, and on Halloween Night in 1985, on the dark night of The Hallowshade Bloodbath, Caleb Maxwell was shot and killed by Drake Maxwell and Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, the four senior members of The Syndicate, and he died in a pool of his own blood. WE GASPED IN HORROR!

Nico: Oh man!

Me: This guy's a demon, but this is the result of what would happen if Caleb Maxwell hadn't met Cage Blunt and Travis Tackett in 1984 and James Blunt in 1993 when Caleb was resurrected and who helped him regain that light in his life and his belief in humanity.

Caleb Maxwell: It's not just that, but I also had the love of my family, he also had the same thing as well, but because of not meeting Cage, his dad, and Travis, he forever severed his ties to his family and became a malicious demon out for blood and driven only by revenge.

Obi Wan Kenobi: We'll need to stop him.

Super Brother: And we will, Master Kenobi. I have just the thing.

Super Brother took out a silver dagger with Enochian runes etched on the blade.

Me: The Dagger of St. Michael.

Super Brother: You know about it?

Lincoln: When we fought Lucifer for the first time in The Simulator, J.D. grabbed The Sword of St. Michael as it descended, and he transformed into his Super Angel form. But, I know about The Dagger of St. Michael as well, it has the power to destroy and cleanse someone of the endless evil and darkness they have in them. Okay, now let's get after that monster.

We headed out to Penny's middle school, and there on the football field was Lord Demonblood, the evil undead Akuma of Caleb Maxwell.

Lord Demonblood: (Demonic Voice) So, you've shown up at long last!

Rainbow Firestorm Phoenix Angel: And we're here to finally end you, Caleb!

Rainbow Firestorm Dragon Saiyan Angel: We thought you'd still be lurking about in New York, but it looks like we were wrong, and it wouldn't be long before you came out into the open once again.

Super Model 2: But, we're totes ready to take you down.

Super Brother: And we're going to end you once and for all!

Wind Golfer: We're done letting you run loose, Caleb, your cold-blooded revenge spree ends here!

Let's get him!

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after Lord Demonblood, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to Lord Demonblood, and he screamed in agonizing pain.

Lincoln continued smashing Lord Demonblood hard with his extremely massive godly superhuman strength, and he's no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All

Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash Lord Demonblood all over the place!

Qin: That undead evil Akuma doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Lord Demonblood and he got beaten up real good and he was mangled!

Then, Andre Lupescu shot at Lord Demonblood, then Andre Lupescu slashed at him with his massive greatsword, same with Abaddon Aeternus doing the same thing to him.

Then, Super Brother got out The Dagger of St. Michael and stabbed it right into Lord Demonblood's chest as he let out a painful scream and all of his dark powers were being destroyed as he burst into flames, and Lord Demonblood returned to being Caleb Maxwell from Super Brother's world. We cheered as we holstered our weapons and powered down.

Super Brother's Caleb Maxwell: You...! (Coughs up blood) You think you've won?! You think this is...!

Suddenly, Caleb Maxwell from Super Brother's world felt something come back to him: it was all of his memories of the darkness, pain, anger, and hatred from his past back when he was alive and the day he was murdered, and what he did when he turned into Lord Demonblood, and they all came flooding his mind once more.

Super Brother's Caleb Maxwell: W-what did I just do...?! What have I been doing?! N-no, t-this can't be true...!

Suddenly, as if he finally saw the truth of his actions, he gripped his head in pain, and he let out a loud and horrific scream of pain and despair that echoed throughout the Heavens and shook the dark bowels of Hell.

Penny Proud: What the?!

Me: Okay, now I'm confused.

Nico: Me too.

Super Brother: I think I know what happened. When I drove the dagger into his heart, it destroyed Lord Demonblood and all his dark powers and he returned to being Caleb Maxwell from my world, and he felt something come back to him: it was all his memories of the darkness, pain, anger, and hatred from his past back when he was alive and the day he was murdered, and what he did when he came back from the dead and turned into Lord Demonblood, and they all came flooding his mind once more.

Lincoln: So, now he's feeling the guilt of his actions as Lord Demonblood and the trauma of all the pain, anger, hatred, and darkness of what Drake did to him when he was alive and to the day he was murdered also came back to him in full force.

May: That's not good...!

Super Brother: It isn't good, May. (To his world's Caleb Maxwell) It's over, Caleb, you're done along with your desires for revenge and bloodshed.

Super Brother's Caleb Maxwell: You...! How can you even say that it's over?! You and your team have saved the lives of many innocent people, but my life fell down into a dark cesspit of misery where I'd never be able to crawl back out! I've lost my faith in humanity and mankind after everything that I had to go through! Drake ruined my entire life and my future when he beat me to a bloody pulp and finding out that I was going to die at the age of 21, I didn't want my Mom, Allie, and the rest of my family to suffer as I had, so I worked hard to become a police officer in the NYPD one day, but even that was destined to be destroyed!

Caleb Maxwell: Because you couldn't escape from the shadows of your past, nor keep the darkness in you locked away forever.

Super Brother's Caleb Maxwell: Yes, I couldn't keep it locked away forever, everywhere I went, the darkness of my past always came back for me, and I couldn't escape from it forever! That piece of crud made my life Hell, and I swore to take everything away from him together with his life! That is why I became Lord Demonblood, but after I came back, I became so full of bloodlust and hatred, I hadn't had anyone to restore that light I once had in my heart nor restore my faith in humanity, and I became a monster, and in my own anger, I killed Mom and Allie, and because of it, I was disowned forever by the rest of my family, I was damned to the same fate as Drake! From then on, I swore to destroy the world and bring death and destruction to everyone in my path! But, that wasn't what I truly wanted, all I wanted was for the pain to stop, to have the life I wanted, but now that I see it for myself, it's all...such a waste.

Then, he grasped the dagger's handle and the blood was already coming out.

Super Brother's Caleb Maxwell: My fate was sealed long ago, I was never destined for greatness nor for a good life at all, I was destined to die young and forever consumed by the darkness in my heart and trapped by the shadows of the past, and if this is to end the pain of what I've caused after my resurrection, then so be it.

Wind Golfer: Caleb, no, don't do it!

PLUNGE! SHEEN! SQUELCH!

But, it was too late: Caleb Maxwell from Super Brother's world plunged the dagger in deeper into his chest and the blade reached and pierced his heart as he coughed up more blood and tears of blood fell from his eyes and he fell down to the ground and died as a pool of blood began forming and it stained the grass red with blood. We returned home to The World Tree Estate and we welcomed The Proud Family into the team, but we were haunted by what we saw.

Travis Tackett: Please, tell me we didn't just see what we saw!

Cage Blunt: We did, this is what could've happened if no one stepped in to save Caleb from falling deeper into that pit of darkness.

Jack Howard: But, what made Caleb different from the counterpart of Super Brother's world is that he did have some friends who stood up for him, even if their lives would end in a gruesome manner, and he also had his family on his Mom's side with him.

Casey Antonio: I'd worked many cases involving troubled youths, but the case of Caleb Maxwell was one that would haunt me forever.

Roxy Drake: That still haunts us all to this day, no one can bear the burden of that much tragedy and that much sorrow forever, in the end, it destroyed Caleb's life and his murder also made it clear as well.

Cuffs Lane: The one most haunted by it was the captain.

Jazz Jackson: He was close to Caleb and his family back when Caleb found out the secret of his dad and Drake along with finding out about The Syndicate in 1983.

Buffy Blain: And he swore to bring them and The Syndicate down.

Abby Smith: For the last two years, he and the others worked the case, but Drake eluded us.

Carter Kenrick: Until the night Caleb saw him again in 1985, and that's when he snapped and tried to kill him only to faint and had to go to the hospital.

Vessie Harris: Caleb went through Hell back then.

Lincoln: Back in 1979, and Caleb was only twelve. What kind of sick twisted lunatic would do that to him?!

Caleb Maxwell: The same kind of sicko who ruined many other lives in the past. But, as for Super Brother's Caleb Maxwell, if he hadn't driven the dagger deeper into his heart, we could've helped him, but remembering from my past, he was so consumed by despair, tragedy, heartbreak, anger, and revenge, one slip could cause him to commit suicide, but for him, he saw it as a means to be finally freed from the darkness of his past.

Lincoln: Still, he could've asked us for help, but his dark Akuma form refused to do that.

?: And he paid the price with his life.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and General Gantala of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with General Gantala of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is General Gantala of the Ice Barrier, and she has an ice greatsword and with her are the seven girls.

Lincoln: (Gasps) Kari Frostine, Avatar and Gene-Slammer of General Gantala of the Ice Barrier.

Kari Frostine: That's right, and I got the girls away from Lord Demonblood. But, he had other undead evil Akumas with him before they escaped.

Nico: There are other undead evil Akumas?!

Super Brother: Lord Demonblood wasn't the only undead evil Akuma we faced, he was the leader of the group and he'd created many undead evil Akumas by bringing back our old enemies and turning them into what they desire, and now that Caleb committed suicide after being freed from his curse, his undead Evil Akuma creations would run loose, and without him to control them, they are dead set on destroying Earth Omega and everyone in it.

Me: Looks like we got a mess to deal with.

Lincoln: So, it's up to us to use the divine power of God, Heaven, the Angels, and The Archangels to put the undead evil Akumas to rest forever, this is definitely like a crusade against the damned. (To Kari Frostine) And it's so good to see you again, Kari.

Kari Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Kari Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Kari Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Kari Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Kari Frostine's waist and hugged her, and Kari Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the

white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Kari Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive

biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Kari Frostine, Avatar and Gene-Slammer of General Gantala of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Gantala of the Ice Barrier. She's The Ice General of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Kari Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Gantala of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Gantala of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Kari Frostine is also an old ally of of The NYPD Nightshift who helped out in many cases, and one of them was the murder of Caleb Maxwell back in 1985, and how Caleb's evil younger brother, Drake Maxwell, had hurt him and betrayed the family. She was still haunted by the dark crimes of Drake Maxwell and the murder of Caleb Maxwell, and Kari knew that the vengeful spirit of Caleb Maxwell killed a lot of criminals until 1993 when the rainbow energy wave of Lincoln's Dark Side Eternal Purification hit her world's New York and brought him back from the dead, but Kari also sensed the darkness that Caleb carried with him before his death in 1985.

Me: Amihan explained everything about your story, especially with what happened with Caleb.

Amihan Frostine: And Kari's tried many times to calm Caleb's angry spirit, but that wasn't enough.

Allie Maxwell: He kept on killing thugs and criminals until 1993 when the rainbow energy wave of Lincoln's Dark Side Eternal Purification hit our world's New York and brought him back from the dead.

Caleb Maxwell: And I still remembered the blood on my hands from my murder spree from 1985 to 1993 when I was a ghost.

Lincoln: That was one of the side effects if you killed while you were a ghost at the time, and that memory would stay with you forever, and now that you're here, Kari.

Lincoln with his massive muscular arms still wrapped around Kari Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Kari Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Kari Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Kari Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Kari Frostine.

Kari Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Lumi Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Kari Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Kari Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Kari Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the seven girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Kari Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the seven girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seven girls are Caelea, Kanata Fuyuno, Ephemera, Reina, Allura, Veruza, and Lilia from Deception.

Lincoln: Oh whoa, it's Caelea, Kanata Fuyuno, Ephemera, Reina, Allura, Veruza, and Lilia from Deception.

Nicole: Uh oh, I think Red and Travis were right to say that, the girls are sexy.

Lincoln: And they also made sure to grab Ataru and Issei and their perverted friends as well, otherwise, we were gonna have problems. Are you girls okay?

Caelea: Yes, we're okay, thanks to you.

Then, when Caelea and the other six girls saw who it was that saved them from Lord Demonblood, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome Caelea: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kanata Fuyuno: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Caelea, Kanata Fuyuno, Ephemera, Reina, Allura, Veruza, and Lilia with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's one undead evil Akuma down.

May: But, you heard what Kari said, Lord Demonblood created more of them.

Lincoln: When he resurrected Super Brother's old enemies from the dead and transformed them into evil undead Akumas like him.

Super Brother: And I know exactly who they are, I thought I was done with them forever.

Nico: If what you said is true, this means your world's version of Lincoln's enemies are indeed the undead evil Akumas that your world's Caleb mentioned.

Me: If so, now we really got a nasty fight on our hands.

Lincoln: But we're ready for those bastards, and we won't stop until they've been put to rest forever.

After Lincoln and all of us met Penny Proud and her family and friends and took down Lord Demonblood, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Kari Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Kari Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Kari, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Kari Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Kari Frostine: I knew it was only a matter of time before he told everyone that story.

Lincoln: This'll be what you'll be doing during your extreme boot camp and intense rehab, Ataru and Issei, after that, you'll be doing 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 laps all over Earth Omega.

Ataru Moroboshi: Yes, sir!

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that'd triggered the alarm: it was the Googol of Vigintillions of male bodybuilder beach bullies Lori hired in the past eight years ago to kill Lincoln, but they'd been turned into 9,999'11" hulking musclebound giants with excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and they're back for revenge.

Lincoln: What the?! Did Anti-Monitor break out Dark Lori's musclebound bodybuilder beach bully thugs?!

Eli: Nope, this was Dark Lori's doing, she broke them out and turned them into that as a contingency plan in case she got The Black Abyss.

Maria: That bitch...!

Super Brother: Oh great. Well, that's not gonna stop us, come on, boys!

Lincoln, Nico, Super Brother, and I went after Dark Lori's Googol of Vigintillions of male bodybuilder beach bullies, and we fired blasts of rainbow energy that turned into chains and chained them up by their ankles and wrists, and they couldn't break out, no matter how strong they'd become.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and Super Brother morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and Nico and I morphed the tips of our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf tails into Cell's stingers and we stabbed them into the chests, arms, backs, and legs of Dark Lori's Googol of Vigintillions of male bodybuilder beach bullies, and we began absorbing them and we sucked out and assimilated the excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass of Dark Lori's Googol of Vigintillions of male bodybuilder beach bullies, and our abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through our bodies, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous angel wings spread out and our large gold halos and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above our Bracers and ankles and beside our thighs glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, the rainbow tips and rainbow markings on our large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on our bare chests glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, Dark Lori's Googol of Vigintillions of male bodybuilder beach bullies began growing extremely weaker and they were also shrinking in height as their excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass were being sucked out of them one at a time and was pumped into Lincoln, Nico, Super Brother, and I.

Suddenly, Lincoln's deep sapphire eyes, Nico's blue eyes, and my rainbow eyes were glowing even more as we felt all of the excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass of Dark Lori's Googol of Vigintillions of male bodybuilder beach bullies really flood our bodies, and our abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through our bodies, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous angel wings spread out and our large gold halos and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above our Bracers and ankles and beside our thighs glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, the rainbow tips and rainbow markings on our large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on our bare chests glowed even more.

Beach Bully Bodybuilder: (Groans In Pain) Me can't take much more of this..., puny Gods sucking us dry!

Then, when Lincoln, Nico, Super Brother, and I were done and the stingers changed back, nothing was left of Dark Lori's Googol of Vigintillions of male bodybuilder beach bullies except for their speedos, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles, same with Nico, Super Brother, and I!

We came back inside, and we kept working out and we added even more weight to the free weights, dumbbells, and barbells, but the excessive surges of excessive power rushing through our veins and bodies were really pushing us even more, our bodies were really bursting with power and strength, and our bodies felt like we were on fire.

Luna: Whoa! You guys are really pushing yourselves like crazy!

Lincoln: (GRUNTS) This is because of what we did in absorbing Dark Lori's beach bully bodybuilder thugs, and we made sure to add more weight to the free weights, dumbbells, and barbells.

Me: (GRUNTS) And we also made sure to turn them into Neutronium free weights, dumbbells, and barbells and infuse them with Stellar Cometite to make them indestructible. The last weights didn't hold up.

We saw the shattered old free weights, dumbbells, and barbells on the floor.

Nico: (GRUNTS) Lincoln broke the old free weights, dumbbells, and barbells when he gripped them and clenched the bars so hard, they broke.

Lynn: I remembered that, by the way, we better get rid of them.

Lincoln then absorbed the shattered old free weights, dumbbells, and barbells into his body, and he continued working out.

We got a shower, and then, Lincoln and the Simulator versions of

Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki are heading to Diamond Beach in Iceland, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Simulator Emily Aoki: Wow, we're here in Diamond Beach, it's so beautiful.

Lincoln: You said it, Emily, and it's perfect for our first date. Shall we?

Lincoln, the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Sugar Glass Cookie and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving the Simulator versions of

Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw King Titan from ARK: Survival Evolved coming after them.

Anna Anyanova: Oh no, King Titan from ARK: Survival Evolved.

Lincoln: What the?! I got hum.

Lincoln went after King Titan from ARK: Survival Evolved, and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of King Titan and he began absorbing him and he assimilated King Titan's Colossal Size, Energy Projection, Summoning, Regeneration, Immortality, Immense Strength, Immense Durability, High Intelligence, Master Tactician, Intimidation, Fragokinesis, Gyrokinesis, Thermokinesis, Ergokinesis, Photokinesis, Pyrokinesis, and Force-Field Generation, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of King Titan's energy and he sent him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and the Simulator versions of Emily Aoki, Nagisa

Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of his harem were lying down on a massive beach towel with Lincoln on top of the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and

the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Diamond Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklace of Eternal Love appeared on the neck of the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding ring on their left pinkies.

Lily the Mermaid: And now, the Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki is in your harem, Linky.

The Simulator versions of Emily Aoki, Nagisa Fujima, Reina Kurashiki, Sakura Miyajima, Yui Obata, Mayu Sakuraba, Chihane Tsukishima, and Airi Yuuki showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. King Titan from ARK: Survival Evolved came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of his powers and abilities, and I sucked out the last of his energy and sent him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and

in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yeah.

In the kitchen, the Mascots were making toast.

Me: (Sniffs) Mmm! I hope they make steak, eggs and sausages and ham too.

Qin: That would be a breakfast worthy for lunch.

Poromon: Coming right up!

Me: Wow good hearing.

Nico: That would be called brunch

Qin: I know.

Me: Yep.

DING!

The mascots came out with lots of plates full of toast. I got a big cast iron plate full of steak, hashbrowns, eggs and sausages, bacon and ham

Me: Oh boy!

Poromon: And for Videl?

She got a can of Powdered Toast.

Me: Powdered toast?

Videl Chan: Yep.

She poured it out and it formed into toast.

Nico: Lets dig in.

Ed put butter on his.

Videl got to eating.

CRUNCH! (CRUNCHING LIKE EATING WOOD)

Videl Chan: Mmm! Tastes like sawdust but it's good.

Poromon: What do you guys think?

Nico: (EATING) (CRUNCHING) MMM! Crispy and golden brown. Just the way I like it.

Me: Same here.

Ed: (CRUNCHING) MMM!

Edd put jam on his.

I was eating mine.

Me: (CRUNCHING) MMM! Delicious!

May: (CRUNCHING) MMM!

Maria ate some

Maria: (CRUNCHING) MMM! Delicious!

Horsea: Awesome!

Lola: It's good! (Crunching) Yummy!

Camie: (Crunching) Yum!

Horsea: Glad you guys like it

Me: We sure do.

But then...

NUMEROUS POINKS!

I GOT SHOT IN MY BUTT WITH MASSIVE NUMBERS OF LIGHTNING QUILLS!

Me: EEEEYEOWCH!

Nico: What the!?

Eli: Look!

We saw 2 Jolteon in our Living Room!

Nico: Whoa two Jolteon!

Me: OW! One of you shot me in my butt with Pin Missile!

Nico: Who was it?!

Camie: YEAH!

Me: One of them must be Dark Gale's work.

Sheena: The Jolteon on the left did it. She's a girl named Jillian Jolt and the Jolteon with her is her Jolteon.

Me: Whoa now we have 3 of the Eevee Evolutions covered.

Nico: We sure do

Me: Lets go help her.

Lincoln and me went over.

Lincoln: It's okay now.

She used Thunderbolt and it hit Ash and he screamed in pain as he was ELECTROCUTED WITH 10,000 VOLTS OF ELECTRICITY!

Ed: Zappity zap zap.

Ash fainted.

FWOMP!

Serena: Ash!

She shot lightning quills at Horsea but she put her clone in front of her

POP!

Jessie's Wobbuffet: WOBBUFFET!

Jessie's Wobbuffet jumped in front of the clone and used Mirror Coat and deflected them back and they hit her and knocked her down!

Me: WHOA! Nice one Wobbuffet!

Vierra Voltic: Wow! Jessie your Wobbuffet is good for something. Unlike you because you're old and ugly.

BURN! BOOM! ROAST!

Jessie growled in rage and FIRE BURSTED OUT OF HER MOUTH!

Meowth: WHOA! JESSIE JUST EVOLVED INTO A FLAREON!

She went at Vierra and roared and Jessie got pushed back by her hand and Vierra yawned in boredom.

Nico: Now isn't the time!

I snapped my fingers and she reverted back. She was a girl with yellow hair and yellow eyes and had brown angel wings and had Jolteon on her forehead and had a Lightning Symbol on her arm as a cutie mark.

We wrapped her in a blanket and brought her over to the couch.

Me: There.

She woke up.

Jillian Jolt: (Groans) What happened?

Me: You were turned into a Jolteon by Dark Gale.

Horsea: You tried to hit my clone but Wobbuffet saved it.

Jessie's Wobbuffet: Wobbuffet!

Jillian Jolt: Oh man. Sorry about that.

Jolteon sat with her.

Me: Is this Jolteon yours?

Jillian Jolt: Yep. This is Jolti. Raised her since she was an Eevee and evolved her with the Thunder Stone.

Me: Cool!

Jillian Jolt: Yeah. I just finished my battle with Lt. Surge. We won a Thunder Badge.

Me: Wow!

We saw a bag on Jolteon's back and unpacked it and it had all her badges she won and a PokeDex.

Jillian Jolt: Those are all the badges I won.

Ash: Wow you sure did a lot.

Horsea then smiled at her.

Jillian Jolti: I went in reverse order and got 6 badges. I have the Cerulean and Pewter City badges to go.

Me: Well believe it or not Misty and Brock of Said Gyms are right here on the team. We can have future battles here if you want.

Jillian Jolti: I would like that. I heard about Giovanni being the Viridian City gym leader as well as the boss of Team Rocket! That was nuts!

Me: Yeah but he is dead.

Jillian Jolti: Good.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new yellow and black clothes and a lightning sword.

Jillian Jolti: I look great.

Me: You sure do.

Jillian Jolt: Yeah. Also guys I'm looking for this guy.

She pulled out her pictures and showed a photo of Paul.

Me: That's Paul. Why are you interested in him?

Jillian Jolt: Well he's interested in me. I beat him in a Pokemon battle with my strongest Pokemon that I had to start before I registered. I have Zapwing. She's the legendary Zapdos.

WE GASPED!

Me: You have the legendary Pokemon, Zapdos!? That makes you a legend yourself.

Jillian Jolt: Yep. Raised her since she was an egg.

Me: Wow! And you beat him with Zapdos!? That is so cool!

Nico: It sure is! Way to go!

Ash: That must've been the reason why Paul made his Sinister 6 to hunt me down to kill me. She beat him and mistook me for her.

Me: He was completely humiliated and took it out on all trainers in general. Starting with Ash.

Jessie: I'm going out for a walk.

Me: Okay.

She went down to the planet.

Jessie went outside for a walk

Jessie: Enjoying fresh air before the main event won't hurt.

But suddenly, Jessebelle snuck up behind her and hit her on the head, knocking her out.

WHAM!

She was knocked out.

Jessebelle: Time to put my plan into action.

Jessebelle then dragged Jessie into the bushes.

Back at the estate, Eli sensed something was up.

Me: What is it?

Eli: I sense a disturbance in the Force. I think something happened with Jessie.

Me: Uh oh.

Jessie then came back into the estate. Unknown to us, this was Jessebelle in disguise.

Jessebelle: James, I got us two tickets to see the upcoming baseball game. Want to come?

James: Sure! Let me. just get ready.

James went upstairs but then called Sheila.

Me: Funny. I didn't think Jessie would be into the sports games.

I went over.

Me: You sure are happy today. (Sniffs) Ooh! That's nice perfume you're wearing. Ms. Loriai Columbine Eden Number 7 isn't it?

Jessie: How did you know that?

Me: Just smelled it because it's heaven. (In my head) Something is seriously fishy. Jessie doesn't wear that kind of perfume. It's one of the most expensive perfumes in the world. It has to be Jessebelle in disguise. No doubt about it. I better play along with this until the time comes. (Out loud) It smells really beautiful on you.

Jessebelle: Why thank you.

James: Sheila, Jessie is taking me to see a baseball game. I think this is Jessebelle in disguise. If that's the case, I need you and the others to go to my old mansion.

Sheila: Understood James.

After the two of them left, Jessebelle came into the Estate. But this was actually Jessie dressed up like Jessebelle.

WE POINTED OUR GUNS AT HER!

Poromon: Jessebelle?! Don't move!

Jessie: Wait! I'm the real Jessie!

Ash: Wait. If you're the real Jessie, who's taking James to the game?

Sideshow Bob: I'm getting a sense of deja vu...

Bart: Me too.

Eli: Stand down guys. This is the real Jessie.

Me: Wait a second. (Sniffs) No expensive perfume. This is the real Jessie. But just to be sure.

Vierra Voltic: And she is as old as a 100 year old grandma.

BURN BOOM ROAST!

Jessie: (GROWLS AND SCREAMS)

Me: It's her alright!

Jessie: It's me. OW!

She felt her head and blood came out.

Nico: Uh oh!

Varie: Let me help out.

She healed her up.

Me: Tell us what happened Jessie?

Jessie: I just went outside and everything blacked out. When I woke up, I saw myself in Jessebelle's clothes.

Me: So THAT'S Her game! The Old Wardrobe Switcheroo tactic! She's dressing up like you to get close to James and get him to marry her without anyone noticing!

Qin: YEAH!

Sideshow Bob: I did the same thing myself a long time ago.

Bart: I remember that!

Me: How did you do that?

Sideshow Bob: I knocked out a man named Walt Warren and surgically replaced my face and hair with his face and put my hair and face on him and switched his clothes with mine. (SEASON 21 EPISODE 22)

Jessie: But my face feels the same.

Nico: Because Jessebelle isn't a surgeon

Connie Morgan: No thank goodness she doesn't have that kind of medical expertise. But lets not forget that she and I both graduated from Pokemon Tech at the top of our class so she is smart. But not that smart to know about Anatomy.

Me: That's good. But we better get over to your mansion Connie. And fast.

Connie Morgan: Good. I want to have a nice talk with our parents.

Me: Cool. Also I have a strong feeling Jessebelle might have hired a bunch of henchmen too.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it's James' ex-fiancé and toxic bitch, Jessebelle, she's back yet again to try and make James her husband with a final trick. When we saw it, we knew it meant trouble!

Lincoln, me, and Nico: Okay, this time, you've gone too far, Jessebelle!

Eli: That's it, time to sever this toxic marriage once and for all!

Lincoln: And put Jessebelle in her place!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's James' ex-fiancé and toxic bitch, Jessebelle, she's back yet again to try and make James her husband with a final trick.

EVERYONE GASPED!

Jessie: That fruitcake doesn't know when to quit!

Lincoln: And here's where it gets worse, Jessebelle hired some thugs to build a massive bomb and they gave her a detonator that'll she'll use to detonate it unless James agrees to marry her. Oh, and here's what's gonna piss you off, Caleb, she also hired some thugs to kill your entire family ever since you humiliated her when we went after her and Kwamibuster!

Needless to say, Caleb Maxwell was pissed off along with his entire family and the NYPD Nightshift!

Caleb Maxwell: THAT GODDAMN TOXIC BITCH! I'M GONNA KILL HER! I should have never let her escape after we took down Kwamibuster! She is going to pay with her life! No one threatens the lives of my family and lives! Cousin Nathan, tell the rest of the family to get their motorcycles, we've got a gang of thugs to get rid of!

Nathan Maxwell: Already on it!

Suddenly, we heard the massive roars of motorcycles, and we saw Caleb's family ready to rip up the road and tear apart Jessebelle's hired thugs.

Nico: We also got the bomb to deal with.

Lisa Loud: Fear not.

Lisa snapped her fingers, and we saw the bomb beam inside, and she disarmed it and disabled it.

Lincoln: That was close.

Nico: Now, all that's left is to tear Jessebelle apart, she's still at James' mansion, so let's get ready to get to the mansion and put that toxic bitch fruitcake, Jessebelle, in her place.

Golden Glider (to Flash): You should take care of that Accelgor

Flash: I will.

Lincoln: This is the last trick Jessebelle pulls on us. Now, we're taking her down and sending her to The M.O.E.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow

energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Necron, the final boss of the video game, Final Fantasy IX, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh...!

Me: Lincoln, was that...?!

Lincoln: Necron, the final boss of the video game, Final Fantasy IX, and he's coming to destroy us.

Nicole: Oh, not him!

Gaia Malefic: Lincoln, I hope you absorb him.

Lincoln: I will, he's gonna pay for what he's done.

Nico: A monster like that doesn't deserve to live. Alright, team, let's get going to the mansion, it's time to put Jessebelle in her place.

Lincoln: This is one toxic marriage we're putting a stop to once and for all, and once we get done with that toxic fruitcake, you're next, Necron.

Gaia Malefic: All the crimes you've committed can never be forgiven, Necron, now the time for your hellish judgement is close at hand!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to James' mansion to put Jessebelle in her place, that is if Caleb Maxwell and his family don't kill her first, and once we get done with that toxic fruitcake, Gaia Malefic and Lincoln are going to take down Necron, and Lincoln's going to absorb him.

We were off.

We arrived at James's mansion.

Connie Morgan: Here we are. Home.

Me: Wow!

Ymir: WHOA! When you said that James lived in a MASSIVE house you weren't kidding!

Connie Morgan: You guys stay with me. I'll do the talking.

Me: Okay.

We went to the door and Connie knocked on it.

Hopkins: Coming! (Opens the door) Yes may I help you?

Nico: Are you James' butler?

Connie Morgan: That's him. Been a long time Hopkins.

Hopkins: Welcome home Mistress Connie!

Connie Morgan: Me and my friends here need to have a word with my mom and dad.

Hopkins: Right this way.

We went over and saw 2 coffins.

Connie Morgan: (Sighs) Not this again. Okay Mom and dad you are not pulling the same thing twice.

They came out!

James Dad: (LAUGHS) PREPARE FOR TROUBLE!

James Mom: Yes dear and make it... HUH? Connie?

Connie Morgan: I'm home. And we need to have a little talk about James and Jessebelle.

With James...

He and "Jessie" passed the stadium.

James: Jessie, the stadium's over there.

Jessebelle: You don't have to call me Jessie anymore, James. You see, I really am...Jessebelle! (removes wig)

James screamed in terror.

Jessebelle: (laughs evilly) And now, we're finally gonna have our wedding in the one place we can't be busted!

THEY WERE HEADING TO THE 5 CORNERS.

With us...

Nico: There you are!

We had just confronted James' parents.

Deadpool: (to the viewers) Sorry, folks. We haven't caught up to Jessebelle yet.

Eli: Because they are heading to the 5 Corners.

Me: The 5 Corners? Isn't it the 4 Corners?

Bart: Yeah but it's called the 5 Corners for some reason.

Me: I've been to the 4 Corners for the states of Colorado, Utah, New Mexico and Arizona. But never the 5 Corners.

Nico: I had no idea a 5th Corner like that even existed.

Me: Like the 5 Boroughs of New York City. But we're getting off topic here

Connie Morgan: Mom, Dad, this has gone on long enough. James does not want to marry Jessebelle. Sure she is my friend but you haven't seen her true colors yet.

James Mom: Why what do you mean?

Me: You want the short version or the long version?

James Dad: Short.

Me: She's unhinged and crazy, wants to go to great lengths to marry James, and is a crazy fruitcake.

Jessie: And she bashed me on my head and took my clothes and assumed my identity!

Qin: Yeah!

Ash: You 2 should be ashamed of yourselves! My mom is nothing like you two!

Me: Also Jessebelle is the reason why your son joined the nefarious organization Team Rocket that we destroyed back in 2019.

Nico: Yeah!

Connie Morgan: And mom, dad, I never wanted to be compared to James. I love my brother but he failed Pokemon tech and joined that bike gang because you put too much pressure on him by forcing him to marry Jessebelle. It's not right.

Ash: Yeah and he joined Team Rocket! What kind of parents do that!

James' mother: Says the boy who always blasts off our son!

Ash: (Growls)

Me: Calm down guys! Besides we're getting off topic here. Right now we need to focus on rescuing James. Your son is in terrible danger because of Jessebelle!

Connie Morgan: That's right.

Me: At least look into your heart to help him.

Connie Morgan: He's my brother and I love him! I need to help him.

They knew she and all of us were right.

Sideshow Bob: And knowing this scheme, Jessebelle won't be having her wedding here

Me: Sideshow Bob has done this kind of plan before.

James Mother cried for the first time.

James Mother: Oh my sweet baby boy! What have we done!

James Father: We can make things right later! Right now we need to save our boy!

Nico: Right!

Bart: The only 5 Corners that I remember is right next to the Springfield Radioactive Crater.

Me: Then that's where we're going

Ash: Look, maybe you 2 messed up. And that's why you're gonna help fix it

James Father: You're right!

James Mother: Yeah!

Me: We can scold them later. Lets get there fast! Stay close.

I used Instant Transmission to get us to Oregon!

We arrived.

Me: We're here.

Nico: Be alert. An Evil Underground Girl might get in our way

?: You mean me ya mook?

Nico: (Angry) Who are you calling a mook!

Out came a girl with brown hair and blue eyes and a blue jumpsuit.

Timothea Timon: (GASP) Abigail Mook! What are you doing here!?

Abigail Mook: What? An old classmate can't swing by and say hello? And its Been a long time you mook!

Timothea Timon: I could say the same to you bitchass and I thought I was rid of you after graduation!

Nico: Who is this?

Me: Do you know her?

Timothea Timon: Unfortunately yes I do. Her name is Abigail Morgan but everyone called her Abigail Mook. She was the worst ever bully in my school growing up! She used to torment all the kids and make us all look like a bunch of fucking idiots!

Grim: (Jamaican Accent) Whoa mon. Reminds me of Boogey.

Nico: YIKES!

Abigail Mook: Things weren't that bad weren't they?

Timothea Timon: Says the girl that put SUPER HOT hot sauce in my food and made me almost die! Also you gave me a wedgie and hung me up by my underwear in the middle of a -50˚ Blizzard! I almost froze to death because of you!

Nico: GEEZ!

Qin: NASTY!

Timothea Timon: Gets worse! She even made me eat worms in front of the whole class! IT WAS ABSOLUTELY HUMILIATING!

Lana: (Disappointed) Lucky!

Timothea Timon: You would like it Lana. But not me! I NEVER HAVE BEEN ABLE TO LIVE THAT DOWN! The entire class called me WORM BITCH!

Nico: THAT'S JUST MEAN!

Me: That is sick!

Grim: Boy you and I have so much in common Timothea. Boogey treated me the same way.

Timothea Timon: Really? Wow. Well now I'm going to get some well deserved Payback. I'm coming for you Abigail!

Erica Haddock: Count me in too!

Timon: Me too!

Pumbaa: Lets get her!

Kirby: I'll help too!

Abigail then growled and turned into a black version of Meerkatosaurus! It was called Anti-Meerkatosaurus!

Me: WHOA MAN!

Timon: Let's get her!

Anti-Meerkatosaurus: (To me) COME AND GET ME YOU PIG!

Me: (ANGRY) Pig!

Timon: Uh oh!

Me: Are you talkin to me?

Timon: You called him a pig!

Me: (Angrier) Are you talkin to me!?

Timon: Shouldn't have done that!

Me: (Enraged) ARE YOU TALKIN TO ME!?

Timon: NOW she's in for it!

Me: THEY CALL ME MR. PIG! COMEDY STYLE NINJA ART: FURIOUS EL MONGO STINKBOMB FLATULANCE!

I fired a MASSIVE FART AND IT HIT HER AND EXPLODED!

LOUD SUPER MASSIVE STINKY DEADLY FART!

Edd: I CAN'T BREATHE!

Anti-Meerkatosaurus Fainted!

Nico: THAT WAS FUNNY!

Me: You know how you hate being called a fatass?

Nico: Yes.

Me: I hate being called a pig. Whenever someone does I always do what Pumbaa does and then do a Comedy Style technique on them that is as bad as Luan's pranks like she did on April Fool's day.

Nico: WHOA MAN!

Luan: (LAUGHS) That is crazy funny!

Nico: It sure is!

Timothea Timon And group fired waves of energy and blasted her all over.

I fired a wave of energy and separated her and we scanned Anti-Meerkatosaurus and banished the monster to the black abyss.

Then they walked over to Abigail and then...

KRABLAM!

Punched her and knocked her out.

We slapped the cuffs on her and arrested her.

Lincoln: She'll be perfect for the Bespin prison.

Me: Yep.

Nico: Timothea, out of the people who helped you, who do you feel is your sibling?

Timothea Timon: Kirby because he's cute and loves strawberry cake like me.

Erza: You too?

Timothea Timon: Yep. I love strawberry cake as much.

Me: Nice.

Kirby: Awesome.

We saw a car coming.

Me: Here they come!

We hid.

Jessebelle: Welcome to the Five Corners, the only geographic location in the U.S. where five states meet, and where you and I will have our wedding.

James: Come on, Jessebelle. You don't want to marry me. I reek of failure.

Jessebelle: True. But when we get married, we'll turn that failure into success.

They got out.

James: How are you even going to pull this off?

Jessebelle: Simple. If we have the wedding in another state, I can't get arrested.

We came out!

Me: It doesn't work that way Jessebelle!

James: You're all here!

Connie Morgan: Been a long time Jessebelle.

Jessebelle: Connie! It has been a while.

Connie Morgan: I know.

Jillian and Jolti fired pin missile blasts and lightning blasts and they hit Jessebelle in her butt and electrocuted and shocked and hurt her!

Suddenly, we heard massive roars of motorcycles, and we looked out into the distance, and we saw Caleb Maxwell in the sky, his family on motorcycles, and The NYPD Nightshift in police cars! Me: Oh no!

Nico: Oh crap!

Lincoln: We may not have a battle, but to Caleb, this means war!

Then, we saw Caleb's family riding down the hill on their motorcycles roaring like beasts with The NYPD Nightshift following as well, and they barreled at the thugs, and Caleb's family were trashing the thugs with brass knuckles and chain whips! But, Caleb was the one who began attacking as he slashed one thug hard in the stomach and his blood and guts spilled out, and then, he began killing more thugs as he slashed them hard in the chest and stomach spilling their blood and guts all over the grounds!

Then, when they were done, the thugs were dead and Caleb and his family have their hands covered in blood.

Jessebelle: What the Hell is going...?! (SHRIEKS)

SHE CAME OUT TO SEE ALL HER THUGS DEAD AND CALEB AND HIS FAMILY WERE OUT FOR HER BLOOD!

Caleb Maxwell: GET THE WITCH! TIE HER TO A STAKE AND BURN HER ALIVE!

THEY CHARGED AT HER, BUT SHE GOT OUT HER WHIP TO ATTACK THEM!

Lincoln: Okay, enough is enough, let's get in there immediately!

Nico: Should've known you'd show up again, Jessebelle.

Me: You are like a bad rash that won't go away!

Jessebelle: YOU! HOW!? Well, you're too late! I still have the bomb, and for getting in my way again, you will all die a horrible death! (PRESSES THE DETONATOR AND CACKLES LIKE A WICKED WITCH)

But, nothing happened, and we smirked.

Jessebelle: WHAT?! WHY ISN'T IT WORKING?!

Me: Nice try, we already disabled your stupid bomb and Caleb and his friends and family murdered your thugs, now you are all alone.

Lincoln: And it's too late to be shown any mercy. We showed you mercy before after we fought you and Kwamibuster, and look what happened.

Nico: That was a dumb mistake, and one we're not repeating! Ed, you're up!

Ed Cowart: Already on it, Nico. (To Jessebelle) Hey, ToxicDomibitch McWhipwhore!

Jessebelle: What was that?!

Ed Cowart: You heard me, bitch! Now, you get yours!

Ed Cowart proceeds to insult Jessebelle.

Ed Cowart: You're a toxic whip whore who's so fuckin dull and ugly that you make even the fucking Takartans look handsome! You make Jessie look hotter and she was James' teammate, plus she's fuckin hotter than your dumb ugly Dominatrix ass! Hell you'd be better off not getting anywhere near James again, that's how fucking ugly you are, you fucking ugly whore! Prepare your ugly...!

Jessebelle: That's it! No one insults me and gets away with it!

Jessebelle prepares her whip only for Ed Cowart to smash her head in with a hammer.

Ed Cowart: Ok, that was just rude! Just for that!

Ed Cowart shaved Jessebelle's hair off making her bald, then he replaced her hair with fruits and cream, then he dropped a piano on her head, then he shredded apart her clothes until they were made into a bikini, then he summoned a giant dragon to burn Jessebelle all over, then he fired hyper hot nacho cheese and hyper hot sauce at her, and he finished by pulling her underwear over her head.

Ed Cowart: WEDGIE!

WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY!

Nico: (LAUGHING HYSTERICALLY) OH MY GOD, THAT WAS SO FUCKING HILARIOUS, WELL DONE! THAT'D TEACH HER! (To

Jessebelle as he flips her both fingers) THAT'S RIGHT, EAT SHIT, TOXIC BITCH!

Me: (LAUGHING HYSTERICALLY) THAT WAS SO AWESOME!

Lincoln: (LAUGHING HYSTERICALLY) SERVES YOU RIGHT!

THIS REALLY REALLY PISSED OFF JESSEBELLE BADLY AND SHE SCREAMED, BELLOWED, AND RANTED ALL OVER THE PLACE LIKE AN ABSOLUTE MONSTROUS DEMON!

Buster Bunny: SOMEONE, PLEASE SHUT HER UP FOREVER!

Caleb Maxwell: Gladly! TIME TO DIE, BITCH!

Sheila and her fellow officers arrived.

Sheila: Got you!

Jessebelle: But how?!

Sheila: You see, Jessebelle, James was never convinced you were Jessie. So before he left for the game, he called us and warned us to go to your mansion

Jessebelle: Bravo, Sheila.

Sheila: Yeah, thanks... (suspicious) Wait a minute- why so familiar?

Jessebelle: Because I'm afraid you don't have jurisdiction in this state.

With James in hand, she hopped to another State only to be confronted by Officer Jenny and her officers.

Officer Jenny: Jessebelle's from my world. Did you really think I would be left out of this.

Jessebelle went to another state only to be confronted by the SPD Rangers.

Jack Landors: SPD! Don't move!

She went to another state only to be confronted by the Patrangers.

Keiichiro: GSPO! Hands up!

She went to the last state onny to be confronted by the Drive Riders.

Shinnosuke: Special Investigation Unit! You got the right to remain silent.

Me: These are all cops we know with us.

Camie: 5 cop teams with us.

Me: Don't make any stupid moves Jessebelle. You got nowhere left to run.

Varie: Yeah!

Jillian was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Ann and Serria.

Ann Scott: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Poliwag and Jolteon. They transformed and blasted Jessebelle all over the place.

Sideshow Bob: Seriously, I tried to this scheme before. Did you really think you were going to get away with this?

Me: That's right.

Bart: And look what happened.

Me: It failed. Deja-vu.

James: Jessebelle, let me put it simply. (takes a deep breath) I'M NOT YOUR BOYFRIEND!

Chowder: HEY! That's my line!

Jessie: (to Jessebelle) You need to realize that James is a human being. He's free to make his own choices!

Me: That's right!

Kate: And now James has me!

Me: There should be true love in a couple!

Eli: There is no love in arranged marrages!

Nico: That's right!

Meowth: So, you gonna stand down? Or do I have to get up close and personal?

Jessebelle: I have one last thing!

She went at James!

But then...

SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

NUMEROUS SLASHES!

Meowth slashed her face all over the place!

Caleb Maxwell was about to shoot her, but Lincoln fired a blast of light that blindsided Jessebelle and...!

CLINK!

Cage Blunt put the cuffs on Jessebelle, and just in time too, as The M.O.E. arrived.

Vypra: Nice one with apprehending Jessebelle, and don't worry, we'll make sure this is the last time she ever does this.

Vypra took Jessebelle to The M.O.E., and we were finally done with her tricks! Then, we returned home and we went to The Gym in Lynn's Table.

Nico: And that is that for Jessebelle!

Me: You said it, her final trick pissed off Caleb badly, he got his entire family mobilizing to kill her.

Lincoln: And they went after her thugs and stained the gardens and fields around the mansion in blood, guess that proves what happens when you really piss him off. Alright, now there's one last thing to do and one last loose end to tie up: Necron.

We turned our attention to Necron who tried to get out, but he couldn't.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Necron, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln did one final powerful energy slash that hit Necron hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Necron was on his last legs.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chest of Necron and he began absorbing him and he assimilated Necron's Grand Cross, Blue Shockwave, Neutron Ring, Flare, Holy, Meteor, Firaga, Blizzaga, Thundaga, Curaga, Shell, and Protect, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Necron began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, and he roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Necron, and Lincoln sucked out all of the remaining energy in Necron and banished Necron to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Gaia Malefic's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and red planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and enormous black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large black angel wings underneath her enormous black angel wings are permanent.

Gaia Malefic: This where it ends for you, Necron, and this is goodbye and good riddance. Thanks for helping me get rid of

Necron, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Gaia.

Me and Nico: Our pleasure, Gaia.

Suddenly, Gaia Malefic wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gaia Malefic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Gaia Malefic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Necron, serves him right.

Me: Necron got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and General Grunard of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and General Grunard of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Nieves Frostine, Avatar and Gene-Slammer of Grunard of the Ice Barrier, and you guys are gonna like meeting her and she's from the past of Cronus Chase, Nieves Frostine, Avatar and Gene-Slammer of General Grunard of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Grunard of the Ice Barrier. She's The Ice General of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Kari Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Grunard of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Grunard of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Nieves Frostine is also an old friend and classmate of Cronus Chase at New York University, and she knew he had issues with his dad and the only friends he had were Allie Maxwell, Peace Salyers, Leela Salyers, Cage Blunt, and Travis Tackett, but as time went on, she knew he was starting to get suspicious of Cage and Travis' vampiric nature and of their ties to Allie's elder brother, Caleb Maxwell, and one night, he found out more of the tragic past of Allie's elder brother and he connected that to the tales he had heard about when he was in high school: the old legends of LaGuardia High School: the story of Kendra Matthews' betrayal and The LaGuardia High Bloodbath in the 1980s, and he knew of The NYU Bloodbath that took place in 1985 back when Caleb himself was an NYU student there, and the more he found out, the more darker and bloodier the connections were. He knew it was a sore subject to even talk about, but Nieves knew Cronus has now gotten himself entwined with the dark legends of Allie's elder brother, Caleb Maxwell.

WE GASPED!

Allie Maxwell: She knew Cronus was getting suspicious about Cage and Travis' vampiric nature.

Jazz Jackson: And of their ties to your elder brother, Caleb, back in the 1980s.

Roxy Drake: And the more you dug, Cronus.

Cronus Chase: The more I found their connections to Caleb were: dark, tragic, and full of blood.

James Blunt: Many mortals would've backed away, but you didn't, you continued to dig for more answers, but as you did, Nieves knew you'd gotten yourself entwined with the dark legends of Allie's elder brother, Caleb Maxwell.

James: Nico, which Gene Slammer do you think you'll meet next?

Me: Oh yeah can't forget the Mandatory Question.

Nico: Yep. Elemental HERO Wild Wingman next.

Me: Primal!

Qin: Nice!

James: (sighs) Thanks for saving me, guys.

Nico: Aw it was nothing.

Ash: (smiles) No problem, James. What are friends for?

Me: Also your parents have something to say.

They went over to him.

James Mom: Oh son we're so sorry for everything we did.

James Dad: Yes son. We were so wrong about you and Jessebelle and all that.

James: It's all right mom and dad. To be honest I should have told you all how I felt.

Serena: That's right

James Mom: Yes and we see that now.

James Dad: Well we have a lot of work to do to make things right.

Me: Yes.

Nico: How about we get ice cream?

Poromon: YAY!

We went to get ice cream and it was fun.

We returned home, and hours later, night fell on the city, and

Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: That was one crazy day.

Anna Anyanova: You said it, but we taught Jessebelle a lesson and we forever severed that toxic marriage.

?: (Beastly Gruff Manlier Voice) Now, James can finally breathe and enjoy the sweet scent of freedom and free from that toxic fruitcake.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

REVENGE OF THE BROTHERHOOD OF EVIL

The Brotherhood of Evil are back for revenge

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a terrifying labyrinthine planet in The Forbidden Zone filled with endless mazes of stone, cursed corridors, and the roar of battle echoing through eternity and protected by a race of powerful omnipotent warrior-beast angels who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and conquest, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over the mazes, gravity-crushing strength, blood rage, and the power to summon labyrinth spirits, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Minotauraira, a terrifying labyrinthine planet filled with endless mazes of stone, cursed corridors, and the echoing roars of battle echoing through eternity and protected by The Minotaurairans, they're a race of powerful omnipotent warrior-beast angels who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and conquest, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over the mazes, gravity-crushing strength, blood rage, and the power to summon labyrinth spirits, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: I haven't been back to Minotauraira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Minotauraira.

Lincoln landed on Planet Minotauraira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Minotauraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male minotaur who's really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a blue sun and moon on his chest, he has long brown hair going down to his shoulders, green eyes, massive brown angel wings, he has on a brown loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Bovar Minotauraira, King of the Minotaurairans of Planet Minotauraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Bovarina Minotauraira, the Queen of the Minotaurairans of Planet Minotauraira.

Suddenly, Lincoln blocked an incoming axe attack as he unholstered his massive greatsword.

?: Wow, you're still as quick as ever, Lincoln, and I like the new wolfman look which matches your inner beast.

Suddenly, Lincoln saw a strong and powerful female minotaur who was tall at 390'11" in height, she has the strong physique and powerful body of a female warrior goddess and large breasts, white hair, yellow eyes, immense angel wings, obsidian horns etched with battle runes, and she was dressed in a warrior woman's outfit and she had a colossal axe in hand.

Lincoln: I knew that was you, Bovarina Minotauraira, Queen of the Minotaurairans of Planet Minotauraira.

Then, all of the other Googol of Vigintillions of male Minotaurairans came to Lincoln.

Bovar Minotauraira: That's correct, and this was something Bovarina wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now as tall as me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir. And there's something I need to tell you.

Bovar Minotauraira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Bovar Minotauraira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Bovar Minotauraira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Bovar Minotauraira and the other Googol of Vigintillions of male Minotaurairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over the mazes, gravity-crushing strength, blood rage, and the power to summon labyrinth spirits, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix

feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a blue aura with flames and Minotaurs surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Bovar Minotauraira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Bovarina Minotauraira: But, before he absorbs our planet, its' living maze, its heartstone, the planet's molten core, and Minotauraira's burning red Sun into his body, it's been two years since we last had an intimate moment.

Suddenly, Bovarina Minotauraira went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with an intense passion and he wrapped his left arm around her waist and his right arm around her thighs and he deepened the kiss even more: they were engaging in a heated and intense make-out session as they kissed deeply and passionately, and Bovarina also bit Lincoln on the right trapezius, and when she slowly removed her teeth and licked the love bite, it glowed with intense light and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS) (Smirks) It's been a while since you last left any love bites on me. Now, it's my turn.

Then, Lincoln pinned Bovarina Minotauraira to the ground and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and

the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Bovarina Minotauraira with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS) (WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Bovarina Minotauraira to pounce on Lincoln, and they had an intense and deep lovemaking fest which ended hours later with Lincoln letting out a loud roar of dominance, and Bovarina Minotauraira sleeping and feeling pleasured.

Bovarina Minotauraira: (In Heaven) What...a...primal...virile, and manly beast you've become.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Bovarina Minotauraira to his room and he flew deeper and deeper into the planet, and he found it: the hearthstone, Minotauraira's burning core, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat., and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Minotauraira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself and its World Tree into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

At the same time, he also absorbed Minotauraira's living maze as well. Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Minotauraira's massive burning red Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room,

and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on

Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Minotauraira, a terrifying labyrinthine planet filled with endless mazes of stone, cursed corridors, and the echoing roars of battle echoing through eternity and protected by The Minotaurairans, they're a race of powerful omnipotent warrior-beast angels who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and conquest, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over the mazes, gravity-crushing strength, blood rage, and the power to summon labyrinth spirits, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa! A planet based on the legends of The Minotaur from Greek myth?! Intense!

Nico: You said it. I heard legends about Minotauraira, and The Saiyans once fought them on many occasions, but we heard the legends of their Queen who was far beyond them, she was a primal Titaness of battle, a living juggernaut, and the embodiment of War and fury times infinity.

Just then, we saw Bovarina Minotauraira enter and she sat with Lincoln.

Me: And who's the female Minotaur?

Anna Anyanova: This is the very person Nico mentioned, this is Bovarina Minotauraira, Queen of the Minotaurairans of Planet Minotauraira, she's Lincoln's Guardian Angel from Planet Minotauraira, a terrifying labyrinthine planet in The Forbidden Zone filled with endless mazes of stone, cursed corridors, and the roar of battle echoing through eternity. Bovarina Minotauraira ruled as the mighty Queen of the Minotaurairans, a race of warrior-beasts born for strength and conquest, and yet Bovarina herself was far beyond them, a primal titaness of battle, a living juggernaut, and the embodiment of War and fury times infinity. In addition to being a brutal hand-to-hand combatant and peerless axe-wielder, she had immense omnipotent power over the mazes, gravity-crushing strength, blood rage, and the power to summon labyrinth spirits to ensnare her foes, and with every challenge, her power only grew stronger, but she was born with immense angel wings, obsidian horns etched with battle runes, and she carried the heart of a berserker goddess within her wielding the raw might of her people times infinity, as well as omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and complete control over all labyrinths, curses, and the Minotaur battle code. When the Infernairans shattered the Great Horn Temple and unleashed the Maze Plague upon her world, she charged into the Forbidden Zone, vowing to one day crush their skulls beneath her hooves. Bovarina Minotauraira came to Earth and Royal Woods where she met Lincoln, and swore to protect him with her unbreakable will and furious heart. She trained Lincoln in the art of berserker combat, close-quarters grappling, battle roars, and the power of the Endless Maze, and under her guidance, Lincoln gained omnipotent strength, omnipotent power, Omnipotence, Omniscience, and the power of the Minotaurairans times infinity: labyrinth dominion, soul-breaking rage, and unshakable resolve, and his already immortal and invincible body was enhanced beyond comprehension, and she knew deep down that Lincoln's a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, a powerful and dangerously handsome warrior who drew out her primal instincts like no one else ever had, and more than once, she kissed him deeply and passionately, covering him in love bites and causing him to come home glowing, breathless, and wagging his tails like crazy, and her love for him only intensified. She helped him build even more godlike muscle, honed his instincts, and sharpened his inner beast with sacred training from her people's War Priests. She gave him the ability to grow stronger with every hit he took, and she gifted him the divine will of the Bull King her people worshipped, a force of virility and strength that made Lincoln the embodiment of Minotauraira's future. He absorbed the Googol of Vigintillions of her people, The Minotaurairans, her world's living maze, its heartstone, the planet's molten core, and even Minotauraira's burning red Sun to preserve their legacy. One day, she received a colossal battle axe crafted by Lincoln himself, engraved with celestial runes and forged from Minotauraira's last sacred ore, and to thank him, she kissed Lincoln with overwhelming passion and their hearts pounded like war drums, and Lincoln returned the kiss with equal fire, and promised that when he comes of age, he will marry her and the rest of his cosmic harem, and she hates Lincoln's enemies with a fury as hot as Minotauraira's molten core, and swore to break every bone in their bodies and trap their cursed souls in her world's eternal maze, forever wandering and never finding rest.

Nico: The only Minotaurairan Lincoln knows all too well, but why is she looking like she had...! Oh boy...! You didn't?!

Anna Anyanova: She did, and last night after Lincoln absorbed the Googol of Vigintillions of male Minotaurairans including her father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over the mazes, gravity-crushing strength, blood rage, and the power to summon labyrinth spirits, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, libido, and male fertility.

Lincoln and Lori: Anna...!

Lori: Still, usually she'd be waiting at The World Tree Estate after we come back from your rescue.

Lincoln: No, that wasn't the case. She was waiting on her planet, and I blocked her attack as always.

Bovarina Minotauraira: All that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, , and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Minotauraira's Blessing of

Divine Godly Warrior Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Bovarina Minotauraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Allie Maxwell, Tyler Maxwell, Alexander Maxwell, Marlene Maxwell, and The NYPD Nightshift: Get a room, you two!

Beast Boy woke up to see Alolan Persian staring at him

Beast Boy: Huh? Oh morning Persian.

Alolan Persian: Morning Beast Boy! Morning Tara! Time for breakfast.

They went and got up and got dressed and went to the table.

Me: Morning guys.

Robin: You excited for your big day?

Beast Boy: I sure am.

Tara: We both are.

Me: Awesome!

I gave them pancakes and Fruit and eggs. No eggs for Beast Boy because he is a vegetarian.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Madame Rouge and General Immortus, they're on Planet Tamaran, and they're causing havoc.

Lincoln: Oh crud! Guys, we got trouble!

Me: We just saw. So, Madame Rouge and General Immortus are on the attack.

Nico: That means The Brotherhood of Evil are on the move!

Beast Boy: The Brain no doubt sent them out first, but we'll send them running out of Tamaran.

Nico: And face them when the main mission comes today.

Lincoln: We've already got a lot of preparations to do for today, but this'll end with The Brain and Monsieur Mallah getting The Black Abyss and the members of The Brotherhood of Evil getting sent to The M.O.E., but we are in for one massive battle.

Me: That we are.

Lincoln: Alright, now let's finish breakfast and head for Tamaran to drive Madame Rouge and General Immortus out.

Nico: We better get going before the Tamaraneans go after them.

We finished breakfast and headed to Tamaran to help Cheese Sandwich unlock his Rainbow Power and drive Madame Rouge and General Immortus out.

We were off to Tamaran!

We were walking through the very castle that Starfire lived in for years before the Gordanians came.

Ymir: Wow so this is Tamaran.

Starfire: Yes this is my home planet. This is the very planet I am from.

Me: Yep. And also the very spot where we had Beast Boy and Tara's wedding too.

Tara: Feels good to be back here again.

Beast Boy: It sure does.

Ymir: Boy Starfire your castle is amazing.

Starfire: It was my home for a long time before I decided to live on Earth.

Me: Yeah.

Impact Man: I'm ready for some fun too.

Nataliya DeMille: I hope my mother is here too.

Me: If I know Madame Rouge, she will be. Along with Immortus.

Nico: Impact Man, I want to thank you, Razya, and your teams for coming

Impact Man: No problem Nico. This will be so fun and cool.

Me: Yep.

Melody Meteor: I'm always up for some fun.

Me: Me too. Melody remember how we first met?

Melody Meteor: I sure do. It was back when we were in Meteor Crater in Arizona and it was one of the most breathtaking sights ever. We learned so much about how meteors can hit with incredible force.

Me: No kidding. That was fun.

Nico: That must've been a good time

Melody Meteor: It was. That was one of the most fun trips we did.

Xenia: Wow!

Nico: Yep.

Nicole: Every scientists dream is to go down to Meteor Crater to learn about how Meteors affect the world. That was my dream when I started working in the fields of geology and paleontology.

Nico: I see.

Me: Yeah.

Melody Meteor: Yeah.

I looked at James and he was smiling with a HUGE GRIN!

Me: James are you feeling better now that Jessebelle is not going to torment you ever again?

James: Does Carnivine like to chomp on my head?

Me: So does Victreebel and Mareanie. But I can tell you're happy.

Nico: Yep.

James: And my parents learned a huge lesson too.

Me: Yep. Be careful who you meet. And also Arranged Marriages only lead to disaster.

Eli: Yep there's no love in them. No real love.

Sideshow Bob: It was very clever of her to use one of my past schemes.

Nico: Yeah.

Bart: That was a very strong sense of deja-vu there.

Me: Yeah.

Jamesdean5842: Even though in real life the 5 Corners doesn't exist, it was really funny that she did that.

Me: It sure was. I've heard of the 4 Corners but never the 5 Corners.

Sheila: How did you like 5 cop groups together in one place?

Me: It was like something out of an action movie! That was so awesome!

Nico: It sure was!

Sheila: Yeah it was!

Applejack: We had her surrounded like a trapped mountain lion surrounded by raging bulls in a thunderstorm.

Fire Moon Bloom: We sure did.

Me: That was intense.

Connie Morgan: Yeah that was great!

Ymir: And I was flabbergasted that James lived in a HUGE mansion before.

Ash: When we saw it the first time we were in shock too.

Pikachu: We sure were.

Nico: Good thing Jessebelle had no surgeon skills

Me: That's a good thing.

Jessie: It sure is. (SIGHS) She may looked like me physically but she was too unhinged to be me. Also she brought back some memories of my mother.

Me: Oh yeah Jessie we were never told about what happened with your mother.

She pulled out a locket and showed a picture of her mother and her back when Jessie was younger. What we saw WAS MINDBLOWING! Her mother, Miyamoto, was part of TEAM ROCKET!

WE GASPED!

Nico: Your mother was in Team Rocket!?

Meowth: I thought she looked familiar.

Me: What happened to her?

Jessie: We were really close back then. But she got a mission to go capture a Mew for the team in the Ande's mountains. She got caught in a tremendous avalanche in a blizzard and hasn't been seen since! (CRYING) I miss her so much!

Lincoln comforted her.

Me: Oh man.

Eli: (Concentrates) (Senses something) (In his head) She's still alive! She is in a cave there. Maybe I can go get her while everyone is asleep.

Nico: Maybe we can investigate this during a future rescue or Skylanders adventure.

Me: Maybe. (Telepathically to Eli) I know what you're thinking bro.

Eli: (Telepathically to me) Really?

Me: (Telepathically) Yeah. You want to find her before that. Just be sure to leave a note.

Eli: (Telepathically) Okay.

Me: (Out loud) Lets focus on the matter at hand.

We walked around.

Tara: Boy this brings back so many memories.

Beast Boy: It sure does.

May: Do you guys mind if I check out Tamaran?

Me: Go for it.

She went to walk around.

Me: She'll be fine.

Qin: Yep.

I smelled something.

Me: (Sniffs) I smell Borscht and Bear Steaks.

Nataliya DeMille: Mom always loved those and so do I.

Me: I can tell. She must be close.

James: Worst part is I never got to see that baseball game

Me: James I think that baseball game was a fake.

Lynn: Actually it wasn't. It was good. It was for the Detroit Tigers VS the St. Louis Cardinals. Detroit won that game 9 to 8. It was a close game.

Nico: Whoa!

James: Wow! That is cool!

What appeared to be May came to us.

May: Hey, babe. (Kisses Nico)

But then MAY CAME BACK AND GASPED AT WHAT SHE SAW!

May Gasped!

Manaphy Gasped!

Nico: Gasped!

I gasped!

Starfire Gasped!

Nico Gasped!

Plankton: GASP!

Me: (RUBS EYES) This is crazy! 2 May's!?

Lily: I'm getting a strong sense of deja-vu here.

Mr. Krabs: Me too lass.

Plankton: Same with me.

SpongeBob: Me too.

May: How could you do this, Nico? Accepting this imposter into our ranks?!

Madame Rouge (as May): Don't listen to her, Nico. Remember how my kiss felt?

May: Nico, no! Don't listen to her. I'm the real May.

Madame Rouge (as May): [runs towards May] Don't listen to her. She's obviously an imposter.

May: Well, if I was an imposter, which I'm not, at least I do a good act. Unlike you!

Madame Rouge: (as May) Why you cheap knockoff?!

Manaphy: QUIET! Until I know who the real Mama is, nobody moves, nobody gets hurt.

She had a hose in her hands! It is soon revealed that the hose is attached and bubbled to a Scalding Hot Limburger Cheese sauce machine

May and Madame Rouge: Limburger Cheese Sauce?!

May: Take it easy with that thing, Manaphy.

[Manaphy squirts some tartar sauce at May causing her to jump into Madame Rouge' arms]

Madame Rogue (As May): Geez you need to go on a diet.

May: ARE YOU CALLING ME FAT!?

Manaphy: I'll do the talkin' around here. I think I'll just ask you two a couple of questions. Questions only the real mama could answer.

May: Okay, then.

Manaphy: First question: How did Mama find me?

May: I found you in the trailer of the Marina Group as an egg and you hatched and saw me as your mother!

Manaphy: Right. [to Madame Rouge] That's one strike, Ms. Fake. [walks forward, while rubbing the hose nozzle] Okay, question number two: Who was my enemy that Mama saved me from in the sea temple?

May: Phantom the Pirate. He was after the Sea Crown.

Manaphy: Right again! [to Madame Rouge] You're startin' to look pretty phony right about now. I'd be nervous if I were you. [walks forward] Now only the really real Mama could answer this — Who is Manaphy's awesome fiancé that loves beer as much as he does and is part of the group that shows the trailer for Blood and Honey!?

May: POROMON!

She fired limburger cheese sauce at Madame Rouge and she screamed and was revealed!

Me: BUSTED ROUGE!

Nico eyes then widened before he vomited!

PROJECTILE VOMITING!

Me: OH SICK!

Nataliya DeMille went over to her.

Nataliya DeMille: Mother.

Madame Rouge: (Russian Accent) Who are you?

Nataliya DeMille: Don't you recognize me mother? 15 years ago, You left me at an orphanage and promised you would come back. You said this to me before you left. (Speaking in Russian) Я обещаю, что вернусь к тебе, но я могу опоздать, потому что у меня есть неотложные дела. Но помни, я люблю тебя больше всего на свете, и никогда не забывай, что мы сильны как борщ и медвежьи стейки в России и всегда будем близки через узы и дух. (I promise that I will return to you but I may be late because I have pressing matters to deal with. But remember this I love you more than anything and never forget that we are as strong as borscht and bear steaks in Russia and always will be close through bonds and spirit.)

Madame Rouge: (In Russian in unison and finishes with her) Мы сильны, как борщ и медвежьи стейки в России, и всегда будем близки узами и духом. (...we are as strong as borscht and bear steaks in Russia and always will be close through bonds and spirit.)

Madame Rouge gasped in shock! She saw her daughter again for the first time in almost 20 years!

Madame Rouge: Nataliya! It is you!

She and Nataliya hugged!

Nataliya DeMille: I missed you so much mother.

Me: You must have a lot of catching up to do.

Nico: You fucking kissed me! Gross! Come here so I can strangle you!

I GRABBED NICO!

Me: WHOA WHOA WHOA! Easy Nico! Easy! Don't interrupt a reunion like this.

Nico: But she...

Me: I know! But wait until after she makes her move when we set out to face her.

Nico: Okay. Fine.

Madame Rouge: Oh Nataliya. You've grown into an amazing woman.

Nataliya DeMille: I'm also a Vaporeon trainer and have all your powers too.

Aquia cooed.

Nataliya DeMille: This is my Vaporeon partner Aquia.

Madame Rouge: She is perfect for you.

Nataliya DeMille: She is. But Mother please don't do this anymore. You don't have to follow a monster like the Brain again. you can be with the M.O.E. And the Redemption Squad.

Hotspot: If you do that, we'll drop the charges of assault against me and Wildebeest.

Me: That's right Laura. Also we've changed a lot over the last 6 years since 2018. We've gotten stronger and more powerful than ever before.

Ymir: Wait she did that before?

Me: She and the Brotherhood did so many things to the Titans years ago. They went all over the world to hunt them all down and kill them.

Ymir: That's crazy!

Me: Yeah. Long story. The Story is much deeper than you know.

Madame Rouge: I will think about it. Because I found you Nataliya I now have my heart of stone shattered from the darkness. But come after me.

She nodded.

Madame Rouge ran.

Me: Okay Nico NOW you can face her.

Nico: Good.

?: I can help you too on that.

We saw a Sawshark Girl gene-slammer! She had red shorts and shoes on.

Me: WHOA!

Stacy Bolton: Awesome to meet a Fellow Sawshark.

Yulia Jigsaw: The name's Yulia Jigsaw, but everyone calls me Sledgefin. And I'm the brute muscle and melee fighter of the Tidal Fangs.

Me: Awesome to meet you Yulia.

Yulia: But despite all that, I like solving puzzles

Me: COOL!

Sakura Knudson: Do you like escape room challenges?

Yulia: I sure do. They are so much fun.

Sakura Knudson: Awesome! I learned a lot about them under the training of Swartz. It proved to be fun.

Yulia: I can see that.

Lynn Sr.: Do you also like solving jigsaw puzzles as well like me?

Lincoln: Our dad loves Jigsaw Puzzles too.

Me: One of his dreams is to put together one of the largest ever puzzles in the world. A map of the world with over 60,000 pieces.

Yulia: That's one of my dreams too!

Lynn Sr.: WOW! That is amazing!

Eli: That would take countless hours to do!

Qin: Maybe years!

Me: Yeah!

Nico: What were you doing before Gene Slamming yourself?

Yulia Jigsaw: I was training hard in the gym.

She was punching and kicking a huge punching bag! She then injected herself with Sawshark DNA. Then she underwent intensely excruciating pain! She transformed into SLEDGEFIN!

Then...

KRABLAM!

She punched the bag and it went flying and smashed hard through the wall and all the sand came pouring out!

FLASHBACK ENDS

Me: WHOA! You are really strong to do that!

Laney: You would get along great with Lynn and Bane and the superstrength users of the team.

Horsea: Your hobbies?

Maria: Horsea she just told us her hobbies. She likes putting puzzles together.

Horsea: Oh yeah.

Yulia: It's true.

Horsea: Sorry.

Me: Would you like to revert back? You can change at will.

Yulia: I would like that.

I put on my blind man glasses.

Lincoln: EYES TO YOURSELVES PERVERTS!

Nicole: Aw Lincoln I was gonna say that!

Lincoln: Sorry Nicole!

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain.

She gritted her teeth

She reverted back and was a girl with black hair and blue eyes and had a Sawshark on her forehead and had the Tidal Fangs symbol on her arm with a punch to the face on it as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There.

POW!

I got socked in the face!

Me: OW!

I spit out 4 teeth!

Me: OW! Geez!

Nico: What was that for?!

Yulia: Sorry. I just had the urge to punch something after that.

Me: Wow! You got a really strong punch on you.

Yulia: Yeah I work out a lot and it's why I'm strong.

Lynn: You and I are gonna get along great.

Yulia: I can see that. J.D. I hope I didn't break your jaw?

Me: Nope just knocked out 4 teeth.

I showed my mouth and everyone saw them.

Me: I look like a hockey player!

Vegeta: (LAUGHS) Now you know how Recoome felt after he had that happen to him.

Me: Really? Boy he must've been really pissed off big time Master Vegeta.

Vegeta: He was.

Nico: Yikes.

I spit out blood. My teeth grew back.

Me: Ahh. Much better.

Yuila pulled her pants up but they were too stretched and too big for her. They fell off.

Yulia: My clothes are too big for me.

Rarity: Lets get you some new clothes then darling.

The Fashion brigade gave her new purple sports clothes and a dark warhammer.

Yulia: I look awesome.

Me: You sure do.

Yulia screamed!

Yulia: WHOA! Why does my back feel so heavy?

Me: Your wings came in.

She saw purple and black angel wings!

Yulia: WOW! I have wings!

Me: You sure do.

Lincoln: Alright, guys, this is it, we're here on Tamaran to help Cheese Sandwich unlock his Rainbow Power and drive Madame Rouge and General Immortus out.

Me: This already proves it, The Brotherhood of Evil are on the move.

Nico: And this is their last stand.

Super Brother: We'll make sure of that.

Caleb Maxwell: They're going to die a slow, horrible, and bloody death at our hands!

Eli: Those two, I don't understand why they have to be violent, and Caleb's back to being violent.

Sasuke the Android heard a Pokémon cry

Sasuke: Look guys!

We saw a Bronzong!

Me: Whoa a Bronzong!

Qin: Cool!

Bronzong: This place is cool.

Me: It's Starfire's home planet Tamaran

Sasuke gave it apples.

Bronzong: Thank you.

He ate them.

Sasuke: You're welcome. Want to come with me?

Bronzong: I would be honored.

Me: Awesome!

Poromon: YAY!

Horsea: (Senses something)

Maria: What is it?

Horsea: I'm sensing an evolved version of me coming.

Me: Really?

But then...

SPLAT!

I got squirted in my face with ink!

Me: HEY!

Horsea: Either a Seadra or Kingdra.

Laney: I think a Seadra! Look!

I wiped my eyes.

We saw a Seadra!

Me: Hey a Seadra!

Horsea: Cool!

Maria: Wow!

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Sheena: It is. Her name is Sarah Seadra.

Heidi: (GASP) She's one of my friends from the Aquarium.

Me: Dark Gale got her.

Me and Heidi went over to her.

Heidi: Sarah it's okay.

Horsea hopped over to her.

Horsea: Horsea?

Seadra looked at her and nuzzled her head in happiness.

Me: So cute.

Nico: It sure is.

Horsea: It's okay.

Me: Good job Horsea.

I snapped my fingers and she reverted back.

She was a girl with blue hair and blue eyes and had blue angel wings and had Seadra on her forehead and an ocean symbol with a mermaid on it on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea cuddling up to her

Sarah Seadra: Aww hey there.

Maria: Looks like Horsea made a friend.

Me: Yep. You were turned into a Seadra by Dark Gale

Sarah Seadra: Oh man! That explains why Horsea likes me. But also I was researching the fish of the Puerto Rico Trench.

Me: That's the Second Deepest trench on Earth.

Sarah Seadra: It sure is. Wait where am I?

Me: You're on Starfire's home planet, Tamaran.

Sarah Seadra: Oh man!

Me: I know.

Horsea: I know how to communicate with any of my evolution line.

Sarah Seadra: I can see that.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue and aqua blue clothes and a water sword.

Sarah Seadra: I look amazing.

Me: You sure do.

Nico: I knew Rouge's kiss felt…rubbery.

Me: That would be like kissing sap from a rubber tree. Now we got a job to do.

Qin: And that is smash 2 members of the Brotherhood of Evil.

Lincoln: (Sensed for Madame Rouge and General Immortus) AHA! Gotcha, I just spotted Madame Rouge and General Immortus, they're 20 yards away, and they're coming after us.

Caleb Maxwell: Tyler, Alexander, Allie, come on! Let's tear those two assholes apart!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLES!

They flew after Madame Rouge and General Immortus!

Ataru Moroboshi: Not again! Hey, bastards! You're gonna get it when we get after you!

Lincoln: Calm down, Ataru. That'll be left to Setsuna, Shiki, and Tamaki to restrain Caleb, Tyler, Alexander, and Allie, and we know this always happens when those four get violent. In any case, let's get going to drive Madame Rouge and General Immortus out.

Me: Before our quartet of destruction and chaos takeall the fun out of it.

Nico: Troy, can I borrow your Super Megaforce Morpher right now?

Troy: Sure and I have a feeling I know what you need it for.

Nico: Yep.

We were flying in the air, and then...!

And there we saw Madame Rouge and General Immortus and they were being attacked by Caleb Maxwell, Tyler Maxwell, Allie Maxwell, and Alexander Maxwell who were shooting at them and they even left horrific claw marks and slashes with their claws and greatswords and massive spear on them.

Setsuna fired a blast of wind and blew Caleb Maxwell, Tyler Maxwell, Allie Maxwell, and Alexander Maxwell off of Madame Rouge and General Immortus.

Me: Nice one, Setsuna.

Madame Rouge: (GROWLS) Damn you, Team Loud Phoenix Storm, if only you hadn't shown up, this planet would've fallen to The Brotherhood of Evil.

General Immortus: You've ruined our plan to conquer Tamaran, and for that, you will pay!

Me: Try it, you immortal bastard! We're not the same as we were back then!

Qin: YEAH!

Me: Been a long time Immortus.

General Immortus: It has been a while Knudson. You are going to die this time.

Me: We'll see.

He went at me and I punched him in his face and kneed him in his stomach!

I dodged many of his punches and kicks and flipped over him and kicked him in the back of his head.

Nico was PISSED AT ROUGE!

Me: Okay Nico Now you can strangle her!

Tsukasa: You're not leaving me out.

Kamen Ride: Gotchard!

Nico: Legendary Ranger Mode: Boonboomger!

Tsukasa turned into Kamen Rider Gotchard and Nico turned into the Red Boonboomger!

POW! BIFF WHAM SMASH!

I punched Immortus all over!

General Immortus: (GROANS) (SPITS) You've gotten stronger J.D.

Me: All the wonders of training. And you would be amazed at how much I know. You and I are the same.

General Immortus: What do you mean?

Me: Think about it. We both have lived for thousands of years and have mastery over many forms of combat.

General Immortus: So I have seen. Lets see what you know!

I ducked under a kick from him and flipped and grabbed him in a leg hold and smashed him into the ground!

Nico: This is gonna be cranked up!

Nico ran fast and kicked Rouge in the face!

She was knocked down.

Nico: I can't believe I kissed you!

Madame Rouge: Admit that you loved it Nico.

Nico: Maybe a bit.

Nico then grabbed ROUGE IN A HEADLOCK!

Immortus pulled himself out of the ground.

Me: You got a taste of the Thunderstrike Antlion. That's a technique I learned in Brazilian Jiujitsu.

Immortus: Impressive.

He at me and tried to punch me but I spun around him and grabbed his neck in a hold and spun him around like a top and he crashed into the wall!

Me: The Northern Tornado. I learned that in the Shaolin Arts.

POW!

Nico punched Rouge back!

Nico: I got a need for speed!

ZOOOOM!

Nico ran fast and punched her in her stomach with devastating force!

KRASMASH!

She got smashed into the wall!

Nico: You should consider yourself lucky Rouge. We were asked not to kill you because your daughter wants you to be in the M.O.E. And the Redemption Squad.

Bronzong charged at them and bashed Rouge with his bell!

She then turned into Pain with Hercules shoes on!

Nico: (Imitating Hades) What... are... those?!

Madame Rouge as Pain: Um I don't know. I thought they looked kind of dashing.

Nico: (Imitating Hades) I've got 24 hours to get rid of this Bozo! Or the entire scheme I've been setting up for 18 years goes up in smoke, (ENRAGED) (FIRE FLARES UP) AND YOU ARE WEARING HIS MERCHANDISE!

NICO WAS PISSED!

But then Panic started drinking something and it was Lincoln drinks.

Panic: (Nervous) Thirsty?

Nico: (SUPER ENRAGED AND PISSED) GGGGGGAAAAAAAAAAAAAAAAAAAAGGGGGGHH!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Madame Rouge was burned to a crisp! Pain and Panic too!

Nico: (to Pain and Panic) Sorry about that

Panic: (In pain) No worries.

WE LAUGHED HYSTERICALLY!

The previous group summoned their keyblades and fired energy blasts at them.

Horsea: Lets get them!

Serria Seadra: You got it!

Horsea and Serria: DOUBLE HYPER THUNDERBEAM BLAST!

They fired immensely powerful beams of energy and blasted them both and they exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMM!

Nico: NEVER Gets old!

Qin: No it doesn't.

Nico: What did you think of that?

Madame Rouge: Impressive teamwork.

Me: Thanks.

Nico: After we defeat you two, all that's left are Brain and Mallah!

Madame Rouge: Along with all the minor villains you took down before.

The Titans gasped!

Robin: Deja-vu! So we got to face the entirety of the Brotherhood like we did before.

Me: Looks like we're in for a really big challenge.

Nico: But we have most of the members in the MOE!

Me: I think they might be clones of them. Brain has always been a smart and crafty and dangerous adversary for both the Doom Patrol and the Titans.

Beast Boy: He's right on that.

Immortus: And there are even enemies you haven't faced yet.

Me: Those are enemies we all overlooked.

Madame Rouge: Including Mad Mod and Ding Dong Daddy.

Nico: Actually, Ding Dong Daddy gets to escape because Kole will face him in the future

Me: That's right we're facing him later. Also I can't remember if we ever faced Mad Mod before or not.

Nico: This will be our first time then

Me: Okay.

I teleported and kicked Immortus in the back of his head.

Nataliya DeMille: This will be fun.

Nataliya and Aquia fired waves of water and drenched them both.

Taryn Takoyaki: Here J.D.

She gave me her nuclear Takoyaki.

I ate them and a Mississippi Queen.

Me: Ahh.

Nico: UH OH!

I pointed my butt at them.

Me: FIRE IN THE HOLE!

THEN...

I RELEASED A MASSIVE AND INTENSELY EXPLOSIVELY POWERFUL FIERY FART OF EPIC PROPORTIONS AND BLASTED THEM BOTH AND BURNED BOTH ROUGE AND IMMORTUS INTO A CRISP!

Horsea: SO HOT!

They groaned in agony!

Me: Explosive!

Qin: YEAH!

Camie: BRUTAL!

Poromon pecked them

POINK POINK POINK POINK POINK POINK!

Poliwag slapped them with his tail.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Hippowdon: CANNONBALL!

He smashed onto both their backs and crushed them!

Manaphy headbutt them!

Jirachi bashed them with boulders

Horsea squirted ink.

Tentacool fired laser blasts.

Mevya hopped over to them.

Mevya: SMELLOGRAM!

LOUD NASTY BELCH!

He belched in their faces!

Gatomon: (Echoing) LIGHTNING PAW!

SMASH SMASH!

She punched them both down!

Me: Take that!

Then...

CLANG!

Mevya clamped a bear trap on Gatomon's butt!

GATOMON SCREAMED IN AGONY!

Mevya laughed hysterically!

Gatomon: Why you little?!

Mevya: COME AND GET ME STINKY!

Mevya then kissed Gatomon full on the mouth Bugs Bunny STyle!

SSSSMMMMMOOOOOOOOOOOOOOOCCH!

Gatomon spit out his germs!

Then Mevya gave her a grenade and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMM!

IT EXPLODED IN HER FACE!

Gatomon: (LIKE YOSEMITE SAM) OOOOOOOOHHH! I HATE THAT STUPID FISH!

Nico: No, you don't. You just want to eat him!

Gatomon then chased after Mevya!

Nico: Look at them go.

I fired energy blasts and smashed Rouge and Immortus.

I then shoved Immortus' face into my butt and then

I FIRED THE SAME MASSIVE FART INTO HIS FACE!

Nico punched them.

Eli: If you are made of Rubber, lets see if you are!

Eli fired Force Lightning and electrocuted Madame Rouge.

She screamed all over.

Nico: Guess she's not immune to that.

Me: Nope.

Gatomon and Mevya then bashed at each other and bashed Immortus and Rouge with frying pans and pipes.

BASH WHAM BANG WHAM!

Nico: Guess Immortus and Rouge are in Spike's role!

We laughed!

Qin: (LAUGHS) FUNNY!

Poromon got out a beer bottle and shook it

He fired it and smashed it onto Immortus!

I took a shotgun and pointed it at the top of Rouge's head.

KRABANG!

IT BLASTED THE TOP PART OF HER HEAD OFF!

She saw a burn scar on her head.

But the shotgun bullet blasted a hole right through Immortus's head!

Immortus: Ok. That actually hurt. But that won't kill me.

Poromon: Freaky...

Me: I know it won't. But watch this. I learned this one on TV.

I smashed Rouge with a big mallet and flattened her and formed her into a ball and turned her into a huge paddleball.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

SpongeBob: Awesome! Go for the Dirty Bubble Challenge!

Me: Okay!

I hit her over 29,998,559,671,349 times!

I WON!

Me: YEAH!

I got a great trophy.

Squidward: Spongebob, I think that challenge brings back bad memories...

SpongeBob: I know. i was stupid doing that.

Me: Oh boy.

Madame Rouge's butt was glowing really neon red.

Nico: Imagine what a Man Ray challenge is like

Me: That would be cool.

I fired waves of energy and bashed her and blasted her all over.

Me: WHEW! Okay Nico you can pound her more.

Nico: With pleasure!

Nico went over to her!

Nico: WHY YOU LITTLE!?

He strangled her like Homer!

Nico: I'll teach you to kiss me!

Homer: (LAUGHS) That is definitely something I would say!

Bart: (LAUGHS) YEAH!

Poromon got into a slingshot and fired and hit Immortus!

Donkey Kong fired coconuts and they hit Immortus!

BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 9 COCONUTS!

Horsea: He sure did!

Me: I got one.

I tied him up and put a bunch of megaphones together and then put on noise cancelling earmuffs.

I had a huge airhorn ready and turned on the megaphones.

Nico: Uh oh!

Me: Plug your ears guys this is gonna be MASSIVELY loud.

Poromon: NOTED!

Immortus: (GULP) Mommy!

They plugged their ears and I pressed the button and then...

HHHHHHHHHOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOONNNNNN

A MASSIVE SHOCKWAVE OF SONIC SOUND BLASTED OUT

AND BLEW IMMORTUS THROUGH THE WALL AND SENT HIM FLYING AROUND THE PLANET!

THE SHOCKWAVE WAS SO POWERFUL THAT IT SENT HIM CRASHING THROUGH NUMEROUS ROCKS AND MORE AND THEN HE CAME BACK AND HIS HEAD WAS BLASTED OFF FROM IT!

Me: HOLY SHIT THAT WAS POWERFUL!

The shockwave faded.

It was over.

Poliwag: Is it over?

Me: All clear.

Bart: WOW! I Remember doing something like that long ago.

Immortus regenerated his head. And his body was a mess!

Nico: THAT was loud!

Me: No kidding! Wow! Just imagine if Jonny did that with all those megaphones to Tim Buktu.

Jonny 2X4: Like this guys!

LOUD NASTY SICKENING CRUNCH!

HE CRACKED HIS KNUCKLES!

Ed: WHAT A PEST!

Edd: That's disgusting.

Poromon: MAKE HIM STOP!

Poliwag: WHY?!

Me: (LAUGHS) FUNNY!

Horsea hopped over to her And blasted Rouge with energy.

Horsea: Take that!

Immortus: THAT WAS NOT FUNNY YOU PIG!

Me: (ANGRY) Pig!

Timon: Uh oh!

Me: Are you talkin to me?

Timon: You called him a pig!

Me: (Angrier) Are you talkin to me!?

Timon: Shouldn't have done that!

Me: (Enraged) ARE YOU TALKIN TO ME!?

Timon: NOW he's in for it!

Me: THEY CALL ME MR. PIG! COMEDY STYLE NINJA ART: HYPERSONIC PEST KNUCKLES CRACK SHOCKWAVE!

I CRACKED MY KNUCKLES REALLY LOUDLY WITH A REALLY NASTY SICKENING CRUNCH!

The shockwave from it blasted Immortus's head off!

Ed: WHAT A PEST!

Edd: That's disgusting.

Mascots: MAKE HIM STOP!

Nico: This is getting good.

Me: Yep.

Madame Rouge: Are you guys always this funny?

Nataliya DeMille: We have tons of pranks that always make everyone laugh.

Camie: Some people but not all of the,

Immortus: I can see why.

Max Goof: Hmm, something's not right here. I know Madame Rouge and General Immortus are here on Tamaran, but it still seems too quiet here. (Sensed it) Oh crud, guys, get down!

We dodged an incoming energy blast.

Me: What was that?!

Nico: That better not be from...!

?: That was just to get your attention.

Suddenly, we saw a figure descend.

Cloud Strife: Genesis.

Sora: You know him?

Cloud Strife: Yeah, I do.

Eli: And so do I, that's Genesis Rhapsodos, a former SOLDIER 1st Class who rebelled against Shinra because of his genetically degrading body due to being infused with Jenova's Cells and he started a rebellion against the company to find the cure.

Cloud Strife explained the whole story about Genesis Rhapsodos, and we were shocked: Genesis is yet another of Shinra's victims.

Lincoln: So, he's also another of Shinra's victims.

Eli: That's right. Though I'm surprised to see you here, Genesis, I thought Zack Fair killed you long ago.

Genesis Rhapsodos: Yes, however, when Omega was defeated long ago, I was reawakened, and I believe you know by now whom you're going to face soon, Eli.

Eli: Sephiroth.

Sora: That will be in the future, but you need to be taken down at once, Genesis. You're also a danger to everyone around you.

Genesis Rhapsodos: That may be, but I'd already accepted that I wasn't the hero from LOVELESS, and as a result, my degradation had finally faded away. Now, then.

Genesis Rhapsodos drew his rapier.

Genesis Rhapsodos: Though I should thank you all for getting rid of Shinra once and for all.

Sora: They deserved to pay for their crimes.

Max Goof: But, you're also a victim of Shinra with the degradation you went through, but either way, this needs to end.

Suddenly, Max Goof's deep blue eyes turned neon deep blue and he was surrounded by a red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, light, solar plasma, solar fire, solar flames, crosses, swords, Keyblades, phoenixes, and angels, he unholstered his Max Goof's Cosmic Eternal Harmony Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Phoenix God Angel Keyblade of Cosmic Eternal Harmony Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Phoenix God Angel Justice, and as he approached Genesis Rhapsodos, he left red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, light, solar plasma, solar fire, solar flames, crosses, swords, Keyblades, phoenixes, and angels with every step.

Max Goof: Everything that you went through because of Shinra, I do not blame you for resenting them for everything they did to you. But, we cannot stand by and let you continue on any further, Genesis Rhapsodos, I'm taking you down right here, right now!

Max Goof went after Genesis and he fired extremely powerful blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, light, solar plasma, solar fire, solar flames, crosses, swords, Keyblades, phoenixes, and angels, and they explode with incredible power as they hit him, and he also attacked him with swings of his new Keyblade, and he also summoned and sent the Oathkeeper and Oblivion Keyblades at Genesis and they both slashed at him.

Roxas: (Notices the Oathkeeper and Oblivion Keyblades were missing from his hands) What the? Max, if you wanted to borrow them, you should've asked.

Xion: Yeah, not cool, man!

Kairi: Well, I think that's because of his transformation, he can now summon the Keyblades we have as well as attack with his own Keyblade.

Then, Max Goof summoned a shield in his left hand and bashed Genesis in the face with it.

Goofy: Gawrsh, he also summoned a shield and hit him in the face with it.

Then, Max Goof created a skateboard of pure light and skated circles around Genesis and attacked him with his Keyblade and the Oathkeeper and Oblivion Keyblades and fired blasts of light at him as well.

Roxanne: Whoa, Max is tearing up the field.

P.J.: And laying down the beating on Genesis. Awesome!

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Then, I held out my left hand and fired 999 massive balls of fire at Madame Rouge and General Immortus, and they collided and exploded as they hit them, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

NOW, THEY'RE REALLY GONNA GO WILD AGAIN!

Lincoln, Super Brother, Nico, and I formed a barrier, and then, James Blunt and Caleb Maxwell went after Madame Rouge and General Immortus and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, blood, vampire bats, demons, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, they slashed at them with their massive greatswords and shot at them with their guns.

That was the signal: Caleb Maxwell finally lost it and he let out a horrendous string of curse words and foul language at Madame Rouge and General Immortus, and it was absolutely horrific, and it spread to The Keyblade Graveyard and to Anti-Monitor's HQ, and when Anti-Monitor and his minions heard it, they all screamed in utter horror and their ears were bleeding like crazy!

When Caleb was done with his rant, Madame Rouge and General Immortus were literally bleeding from their ears and blood was spurting out of their asses!

Eli: OH MAN!

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

Lincoln, Nico, and I did one final powerful energy slash that hit Madame Rouge and General Immortus hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Madame Rouge and General Immortus were on their last legs and they were really really mangled.

Then, Max Goof fired blasts of light at Madame Rouge and General Immortus, but Lincoln also hid in the blasts the same invisible and undetectable tracers he created.

Lincoln: Even if that's true, we can't let our guard down with him.

Max Goof: I'll get in contact with Leon and the others at Radiant Garden and tell them to keep on the alert for Sephiroth.

Me: Good idea.

Nico: Putting Radiant Garden on high alert is a top priority.

Lincoln: And we'll also need to put Midgar on high alert as well, we can't let another tragedy occur.

Nico: I was hoping to defeat the two of them here

Lincoln: (Sensed the Anothers) Ah, and The Anothers are coming right on time.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Beast Boy.

Beast Boy: I knew that was coming, since my day to shine has come.

Lincoln: Especially against The Brotherhood of Evil. By the way, what happened to Genesis?

Max Goof: We already got Genesis to the infirmary after Sora administered a potion and Roxanne casted Curaga on him. But, it's clear now: Sephiroth is back and he's just as dangerous as ever, he's not gonna stop until all life on Earth Omega is destroyed.

Me: We've dealt with him before, we can do so again, this time however, we'll be sure to banish him to The Black Fire Vortex of Neverending Oblivion, that's where he belongs.

Nico: Damn straight.

Lincoln: The Black Abyss is too easy for him, The Black Fire Vortex of Neverending Oblivion is the perfect place for a monster like him.

Me: Oh yeah! So Impact Man, Melody Meteor, Sequoia Bear Lewis, Ray Akaba, Eula and Tara Toonamine are up and we're facing Another Rayza (A.T.O.M.), Universe 666 Denethor, Kanna Kapatcir, Automatons (Genshin Impact), Meteo Crusher and Strongest Beastman Boss Gigant.

Qin: We sure are.

Lola: Cool.

Nico: There they are!

We saw Another Universe 666 Denethor, Kanna Kapatcir, Automatons (Genshin Impact), Meteo Crusher and Strongest Beastman Boss Gigant.

Me: WHOA!

Qin: Awesome!

Another Universe 666 Denethor: (In a girls voice) I love Denethor from Lord of the Rings but never thought I would be him.

She reverted back and t was the gene-slammer of Evil HERO Doom Prison!

Nico: (GASP) Malia Denethor!

Me: WHOA! You have his name as your last name. Fitting for you.

Malia Denethor: It sure is.

Me: And you're the gene-slammer of Evil HERO Doom Prison. Wow!

Malia Denethor: Yep.

Me: Are the rest of the Anothers friendly or hostile?

Malia Denethor: Friendly. But I should warn you, the Another Beast Boy smells REALLY HORRIBLE.

Me: Oh boy.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

I fired energy blasts and blasted Another Meteo Crusher and he was going to explode!

Pilot: I CAN'T BELIEVE I LOST TO THIS SCUM!

Me: Sorry to jet but we're in a hurry.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

He was blasted apart and I caught the Wonder Ride Book and purified it.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) TWIN MASTER FORCE!

She summoned Universe 666 Twin Masters, Daughters of Aku, Jazz Dopant, Spider (DC Comics), Rancor and Banana Phantom Carbane!

Me: YEAH!

Nico: Now we wait.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (Sniffs) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!

Edd: GOOD GOLLY ALMIGHTY! WHAT IS THAT HORRIBLE ODOR!?

Me and Edd: ED!?

Ed: Wasn't me!

Eddy: (LAUGHS) Lumpy is always getting blamed for stinky smells.

Lola: I think it's from them!

We saw Another Rayza and Beast Boy!

Me: There they are!

Lola: Yeah!

Another Rayza: (In a girls voice) She sure is stinky isn't she?

She reverte back and was the gene-slammer of Evil HERO Malicious Fiend!

Nico: Melody Malicia!

Melody Malicia: Good to see you Nico.

Me: Evil HERO Malicious Fiend's gene-slammer! Wow!

Melody Malicia: I know. And it's cool. Sorry about my friend's stink but it's potent.

Me: It sure is.

Another Beast Boy: (In a girls voice) I know and I need a bath.

She reverted back and it was a female version of Beast Boy!

Beast Boy: Cree!

Cree Logan: That's right! Cree Logan A.K.A. Beast Woman.

Nico: COOL! Your sister no doubt.

Beast Boy: Yep. But unlike me she was able to retain her full humanity and didn't get green skin though.

Me: Well that's okay. But awesome to meet you.

Cree Logan: Same here. Also I haven't taken a bath in 7 years.

WE GASPED!

Me: OH GOOD GOD! YOU SMELL REALLY HORRIBLE!

Kaito: (Gets out Go Onger gear) Did Swartz promise you anything?

Zocks: (Gets out Gekiranger gear) Because we can grant it instead.

They got weapons from said teams.

Melody Malicia: No he didn't because of... (POINTS TO CREE)

Me: I can see why.

Sakura Knudson: It smelled like a rotten dead corpse in the lab!

Nico: When we get home you are going RIGHT INTO THE TUB!

Me: NO IFS, ANDS OR BUTS ABOUT IT

Sougo: (gets out RPM Ridewatch) You can tell us embarassing stories about Beast Boy later.

Geiz: (gets out Gekiranger Ridewatch) But after you take a bath!

Sougo got RPMRedArmor while Geiz got JungleFuryRedArmor.

Me: YEAH!

Nico: You smell awful!

Lincoln: Lets separate you girls first.

We did so.

Me: Lets dance!

Nico: (Gets out Rayza's ridewatch) SEA POWER!

Melody Meteor: (Gets out Universe 666 Denethor's ridewatch) You may triumph in the field of battle for a day. But against the power that has risen in the east, there is no victory!

May: (Gets out Kanna Kapatcir's ridewatch) This will hurt!

Universe 666 May: (GEts out Automaton's ridewatch) GEAR UP!

Maria: (Gets out Meteo Crusher's ridewatch) I cannot allow you to go any further.

They used the powers of Rayza (A.T.O.M.), Universe 666 Denethor, Kanna Kapatcir, Automatons (Genshin Impact), Meteo Crusher and Strongest Beastman Boss Gigant and blasted the Anothers!

Poromon: YEAH! Take that!

Xenia: Awesome!

Then Kang (SHS), Anita & Nikita Suárez, Chronos (Word Girl), Cloudian Hurricane Hydra, Hen Octospark and Rabeeder came!

Me: WHOA! Kang of the SHS world!

Kang (SHS): That's right!

Nico: Nice team though!

Kang (SHS): Thanks Nico.

Me: Time Man and his team are up.

Rabeeder: Another me?!

Kang (SHS): This is a clone of you that we made

Me: Really cool!

Qin: Wow!

?: That is cool!

Elemental HERO Wild Wingman came!

Me: Cool! Elemental HERO Wild Wingman!

Qin: Awesome!

Elemental HERO Wild Wingman: (In a girls voice) This will be awesome and fun.
